*Okuwa Ekkanisa mu nsi yonna ebitabo ebikulu eby'edda
eby'okukkiriza kw'Abakristaayo nga bya bwereere — mu nnimi zaabwe
ze zennyini, olw'ekitiibwa kya Katonda.*

Ochorus buweereza bwa Kikristaayo obusangibwa e Victoria, Canada, ne Kampala, Uganda. Okuva mu 2021 tubadde tunoonya ebitabo by'Ekikristaayo ebikulu eby'edda, ne tubirongoosa n'obwegendereza ku lw'abasomi ab'ennaku zino, ne tubigaba ku bwereere — okubisoma bwereere n'okubikuumu bwereere.

Tetuli mukutimbagano kwokka. Ebitabo ebikubibwa mu Uganda bitekebwa butereevu mu mikono gy'abantu mu East Africa yonna — mu nkunjaana z'abasumba, ne mu makanisa, amasomero n'amakomera ge tuyitibwa okuweereza.

Weeyongere okusoma ku ochorus.com

- Ebitabo eby'edda, obubaka n'ebyafaayo bikumi na bikumi — bwereere, awatali birango era tekyetaagisa akawunti.
- Ebitabo mu nnimi nnyingi, okuva mu Lungereza ne Luswayiri okutuuka ku Luwarabu ne Luhindi.
- Enteekateeka z'okusoma, ebyo by'olaga n'ebyo by'owandiika ebikugoberera okuva ku kyuma ekimu okudda ku kirala.
- Wuliriza nga kosomebwa mu ddoobozi, oba tereka ekitabo okukisoma nga toli ku mutimbagano.
- Ebiwanulwa eby'obwereere nga kino. Bigabane n'abalala ku bwereere.

Gareth, ne mukazi we Anne, bombi baazaalibwa era baakulira mu Wales. Baafumbiriganwa mu 1961, oluvannyuma Gareth ng'amaze okufuna diguli ye eya Bachelor of Science mu Physics n'ekitiibwa, awamu ne Diploma mu by'Enjigiriza, okuva mu Yunivasite ya Wales. Mu 1975, baasenguka ne bagenda mu Canada, Gareth gye yeeyongera n'omulimu gwe yeerondera ogw'okuba omusomesa wa Physics mu ssomero lya sekendule. Mu 1979, yayitibwa okuba omusumba w'ekkanisa mu Kitchener, mu Ontario, ng'ali mu kibiina kya Christian and Missionary Alliance.

Nga wayiseewo emyaka ena, yafuna okuyitibwa okugenda e Victoria, mu British Columbia, gye yaba omusumba okumala emyaka munaana egyaddirira, era gye babeera ne kaakano.

Mu 1990, Gareth yayitibwa okuweereza ng'omusumba (chaplain) ku kyombo ekya Mercy Ship, M/V Anastasis, ekyakoleranga wakati wa Bulaaya ne Afrika ey'Ebugwanjuba.

Eyo, ye ne Anne, gye baaweereza abakozi b'ekyombo, era baafuna emikisa mingi egy'okwogera mu makanisa, mu misomo gy'abasumba, ne mu nkunjaana z'ababaka b'enjiri. Kasookedde bava ku kyombo mu 1994, Gareth atambudde nnyo, ng'ayigiriza mu masomero ag'okutendeka abayigirizwa ne mu nkunjaana ez'enjawulo. Gareth ne Anne balina bawala basatu, bazzukulu mwenda, ne bazzukulu ba bazzukulu kkumi.

Maliya yali amaze emyezi mitono nga mulwadde endwadde eyitibwa Epstein Barr Syndrome, gy'abantu abasinga gye bayita “Yuppie flu,” oba “endwadde ey'emyaka gy'ekyenda.”

Basawo be baali bagezezzaako eddagala erya buli ngeri okumuzza mu bulamu obulungi nga bwe yali omuwala omuto ow'amaanyi omwaka gumu emabega, naye baali basobeddwa, era n'abasawo bonna nga bwe baali, olw'endwadde eno erumba enteekateeka y'omubiri ey'okwerwanako endwadde, ekireetera oyo gw'erumba okubulwa amaanyi n'okukoowa okutakoma.

Tewaali ddagala limanyiddwa, era obutamanya ensibuko zaayo ne butandika okuleeta okutya mu mikwano mingi egya Maliya. Abamu baagifananya ne Silimu, endwadde endala embi erumba enteekateeka y'omubiri ey'okwerwanako. Yali munyiikivu nnyo mu kkanisa ye, naye kaakano yeewala okugendayo kubanga tewali n'omu eyali akakasa oba endwadde eno yali ekwatibwa.

Yasoma ebitabo bingi n'alaba ne pulogulaamu za tterevisoni ezikwata ku ndwadde eno, era n'agezaako n'ebimu ku 'ddagala' ery'okugeza lye baamuwabula. Mikwano mitono gy'eyajja okumulaba, wadde ng'abamu baamukubira essimu buli kiseera okulaba nga bw'ali. Baamugamba nti ekkkanisa yali emusabira era nti asaanidde okusigala ng'aguma.

Okuva mu buvubuka bwe, Maliya yali mukkiriza mu Mukama Yesu, ng'amaze okuwaayo obulamu bwe gy'ali mu kukunjaana kwa kkanisa. Bwe

waayitawo emyaka, okukkiriza kwe n’obwesige bwe ne bikula ng’ayiga Ebyawandiikibwa, ng’asaba, era ng’agenda mu kukuṅṅaana kwa kkanisa n’obwesigwa.

Mu myezi egy’okugezesebwa egy’obulwadde bwe, yali anywereye ku bwesige bwe mu Mukama, ng’akkiriza nti “ebintu byonna bikolagana wamu okuleeta obulungi eri abo abaagala Mukama” (Abaruumi 8:28). Newankubadde nga teyategeera, yali akyamwesiga.

Newankubadde nga teyali wa mu kkanisa yange, kyali mpisa yange okukyalira Maliya emirundi ebiri oba esatu mu mwezi. Twali tufuuse mikwano olw’obuweereza obulala mwe twali twenyigidde, bwe kityo ne kimeeka okumulaba ng’anafuye bw’atyo mu ndwadde eno enkambwe. Bulijjo yabanga musanyufu era ng’eyeebaza nga mmutwala mu bbanka ye oba mu dduuka, ekintu ky’atayinza kwekolera yekka mu mbeera eyo enafuya.

Naye olunaku lumu, bwe natuuka ewuwe, ne mmusanga mu nnaku nnyingi nnyo. Kyamutwala ekiseera kiwanvu okwetereeza okusobola okumbuulira ekjaliwo. Yali afunye essimu okuva ku omu ku ‘mikwano’ gye egy’oku lusegere mu kkanisa, ng’amugamba nti ekibiina eky’okusaba kyali kisazeewo okulekera awo okumusabira okuwona. Ensonga eyaweebwa yali nti, “kya lwatu teyalina kukkiriza, kubanga singa yalina kwo yandiwoye dda.”

Ekyagambibwa kyali nti olwokubanga yali ‘atalina kukkiriza’ tebandikyamubaze nga omu ku ba mu maka gaabwe!

Nga kuno kutategeera kubi nnyo obutonde bw’okukkiriza n’engeri gye kukolamu mu bulamu bwaffe! Bwe nsoma Ebyawandiikibwa, tewali kye ndaba ekikakasa ebikolwa oba enzikiriza y’ekibiina eky’okusaba eky’ kkanisa ekyo.

Gye bali, kyeyoleka nti, okukkiriza kyali kintu omuntu ky’ayinza okwekolera olw’okufuba kwe oba obunyiikivu bwe. Singa Maliya

yasobodde okwekolera ‘ekintu’ kino ekyekusifu ekiyitibwa okukkiriza mu bungi obumala, Katonda yandiwalirizibwa okutuukiriza obwetaavu bwe obw’okuwona! Mu butuufu, baali bakkiriza nti okukkiriza kupimibwa mu bungi era nti ekigero ekimala kisanyusa Katonda; noolwekyo, kye yali yeetaaga kwali kwongera bwokka okukkiriza!

Nzikiriza mu kuwonya okuva eri Katonda ng’obumu ku bugagga bwe twaweebwa mu buwanguzi bw’omusaalaba, naye nkizudde nti tewali nkola ya kugoberera okukufuna. Katonda akyali w’obuyinza bwonna mu kuwa okuwona n’obulamu obulungi, era tewali kukkiriza kwenkana wa, saawa z’okusaba mmeka, oba ndobo z’amaziga zenkana wa eziyinda okwenkanankana n’ekisa kye eky’obwakabaka.

Nga kitaawe w’omwana eyaliko dayimooni ng’olugero lwe bwe luwandiikiddwa mu Makko 9, Maliya yakaaba nti “Mukama wange, nzikiriza; yamba obutakkiriza bwange!”

Mu lugero olwo, abayigirizwa baali bakkirizza nti basobola okuwonya omulenzi, naye baali balemereddwa. Yesu yabalaga nti kye baali beetaaga kwali kukkiriza okwa nnamaddala, so si kukkiriza kwa birowoozo bwokka. Omuntu ayinza okugattako nti, “ne baddayimooni bakkiriza!”

Okukkiriza mu Birowoozo Si Kukkiriza. Omusumba Yokaana yali yeeraliikiriddwa! Emyaka ebiri gyokka emabega yali alabye omuwendo gw’abantu abazze mu kkanisa ye entono nga gukula mangu ng’abantu bangi abapya baja mu kussakkanya. Amaka gamalirivu gaali gakyusiddwa era waaliwo okwogera ku kuzuukuka kw’eddiini. Amangu ago baali basukkidde omuwendo gw’ebikumi bibiri mu baja buli lwatuukira; ebiweebwayo eby’ensimbi byali byeyongedde okusukka ku 100% okusinga emyaka egyayita, era essanyu lyali lijjudde mu kkanisa buli wiiki. Kyali kyangu okubuulira era bulijjo waabangawo abeewaayo okuvunaanyizibwa obuweereza obungi obwali buvaayo mu buli kitongole kya kkanisa.

“Musumba, twetaaga okuzimba ekkansa ennene,” bwe baagamba abakadde be.

“Kya lwatu Katonda akola omulimu munene mu kitundu kyaffe.” Tekyali kizibu okusendasenda ekkunjaana okukkiriza kino era amangu ago ne bakola enteekateeka ez’ekkansa eyandisobodde okusenga abasinza abasukka mu lukumi. Buli eyalaga okutya olw’enteekateeka zino enkulu ennyo yayitibwanga nti ‘talina kukkiriza.’ Mazima ddala, olwokubanga Katonda kya lwatu yali mu kino, kyali kisaanidde okukozesa okukkiriza okusingawo. Bwe kityo, enteekateeka ne zeeyongera okwaza okutuusa lwe baateekateeka ekizimbe ekyandisaasanyizza obukadde busatu obwa doola!

Ekyo Yokaana kye yali tateekateeseeko kwali kweyongera okunene kw’ebisale by’amabanga g’ennyumba mu kiseera kye kimu ng’ekkampuni enkulu eyali ekozesa abantu bagivuddemu mu kibuga ekitono ekyo, n’ereka bangi nga tebalina mirimu, era abamu ku bo nga baali ba mu kkanisa ya Yokaana.

Amangu ago ebisale by’amagoba ne biba binene nnyo eri ekkunjaana, era ekizibu ne kyeyongera ng’abantu batandika okuva mu kussakkanya olwo mu kifo ky’okubeera mu kkanisa esibiddwa n’omugugu munene ogw’ensimbi ogwali, mu ndowooza yaabwe, nga si gwe baaleeta ku bo bokka.

Kiki ekyali kikyamyee? Katonda yali abalemereddwa nga baali bakozesezza okukkiriza okungi bwe kityo? Oba Yokaana – n’abakadde be – baali basobezza okuyita okwekakasa okukkiriza? Mazima ddala, baali bamanyiddeko ddala okukkiriza kye kiri? Gye bali, okukkiriza kwali kwe kwolekera obulabe okutukuziddwa nga waliwo n’ekintu ekitayogerwako nti, singa ebintu tebigenda bulungi, kiba nsobi ya Katonda.

Mu kukembwa kwe Setaani, okwatuwandikirwa mu Lukka 4:1-13, Yesu atulaga bulungi enjawulo eri wakati w’okukkiriza n’okwekakasa.

Yesu yalina obwetaavu obw'amazima; yali alumwa enjala oluvannyuma lw'okumala ng'ewiiki mukaaga mu ddungu. Yali atwaliddwa eyo Omwoyo Omutukuvu oluvannyuma lw'okubatizibwa kwe mu Yoludaani.

Newankubadde ng'Ebyawandiikibwa tebyogera, nzikiriza nti eyo we yayogeregera ne Kitaawe ow'omu ggulu ku bintu ebyali biteekwa okumutuukako. Yamanya nti ekikompe kye kyandibadde kikaawu. Era yamanya nti yalina okulonda – okwagala kwe oba okwa Kitaawe. Oluvannyuma lw'ennaku ezo, Setaani amusoomooza n'okukemebwa okw'amazima.

“Oba ng'oli Mwana wa Katonda, lagira ejjinja lino lifuuke omugaati” (Lukka 4:3).

Singa yakikola, enjala ye yandimaze era yandyeragidde nti wa maanyi okusinga omulabe we; mazima ekyo kyandimulaze nti ye Mwana wa Katonda mazima. Yamanya nti yasobola okukikola! Lwaki takituuma n'akikwata (name it and claim it)? Yasobola, naye ekyo kyandibadde si kukkiriza – kyandibadde kwekakasa era kyandivunye okwagala kwa Kitaawe.

Mu kukemebwa okwokusatu, Setaani ne yee ajuliza Ebyawandiikibwa eri Yesu.

“Omanyi nti Katonda tajja kukkiriza kikukole kabi. Ne bw'oyeddusa okuva ku ntikko ya yeekaalu waggulu ennyo, tewali kabi kanaakutuukako. Bamalayika banaakuwanirira. Lowooza abantu bye banaalowooza singa okikola!

Bonna banajja gy'oli okukugoberera, kale toweetaaga kubonaabona na kufiira ku musaalaba” (Lukka 4:9-11).

Yesu yandisobodde okukola ekyamagero, ng'akwata ku bisuubizo by'Ekigambo kya Katonda, naye kyandibadde si kukkiriza; kyandibadde kwekakasa, ate nate nga kivunye okwagala kwa Kitaawe.

Okwekakasa Si Kukkiriza. Nga Setaani, waliwo abakkiriza bangi abajuliza Ebyawandiikibwa ng'omusingi gw' 'okukkiriza' kwabwe. Okugeza, nawulira Yakobo 3:2 nga kiyigirizibwa ku tterevisoni yange mu wiiki eyita eno.

“Ebbaluwa ya Yakobo egamba nti omuntu bw'asobola okufuga olulimi lwe, aba asobola okufuga omubiri gwe gwonna. Noolwekyo, wegendereze oyogere ebintu ebirungi byokka. Bw'okola bw'otyo, tolirwala n'akatono!”

Abayigiriza ng'abo bakakasa endowooza yaabwe n'ebigambo eby'okukkiriza.

“Baibuli kigamba, nkikkiriza, kimaze awo!”

Mmanyi amadiini amanene agasinziza enjigiriza zaago ku butategeera bw'okukkiriza obwo. Beeyita wamu ng'ekibiina eky'amakkanisa “ag'Ekigambo eky'Okukkiriza” (Word of Faith), agakyayibwa nga gayitibwa n'amannya nga “Kituume okikwate!” (Name it, claim it) oba “Kyogere okikwate!” (Blab it, grab it) oba “Kyatule okifune!” (Confess it, possess it). Sitera kulaba tterevisoni ya Bakristaayo naye, bwe nkyusa akaddebe kange ku Ssande makya, buli kiseera nsanga poologulaamu emu mw'obubaka ng'obwo mwe bubuulirwa.

Nteekwa okwatula nti mu bye boogera mulimu okuyigiriza okulungi okungi. Twetaaga okuba abantu abasobola okusimba obulamu bwaffe ku musingi omunywevu ogw'Ekigambo kya Katonda, n'ebisuubizo byakyo ebingi eby'ekitalo n'obugagga bwe tulina mu Kristo; Naye kitugwanidde okwegendereza nnyo okutaputa Ekigambo obulungi, nga tukwata ku bisuubizo ebyo byokka ebitukwatako, era nga tugondera embeera ez'ebisuubizo ng'ebyo we ziba nga zisaanira.

Okwatula nti tewali kintu kiyinza kutwawukanya n'okwagala kwa Katonda okuli mu Kristo Yesu kwe mukisa ogutalina mpaka eri abakkiriza bonna. Naye ebisuubizo eby'Ekisenge eky'Waggulu – emirembe egyo ensi gy'etayinza kuwa oba kuggyawo, n'essanyu erijjuvu – biri ku ndagaano

ey'Ekisenge eky'Waggulu. Eyo abayigirizwa gye baalagaanira okugumyagana n'okuwummuzaganya (okunaazaganya ebigere), okugondera etteeka lye, okwagalana, n'okugondera Ekigambo kye.

Nkakasa nti waliwo ensobi endala mu ntegeera yaabwe ey'okukkiriza. Mu butuufu, baali basaanidde okweyita amakkanisa "ag'Ekigambo eky'Essuubi" (Word of Hope), kubanga essuubi lirina kye likolagana n'okukkiriza mu birowoozo okusinga okukkiriza okwenyini! Essuubi lye ligamba nti, "Katonda yakyogera! Nkikkiriza! Ekyo kimmala!"

Twogera katono nnyo ku ssuubi ery'Ekikristaayo kubanga tulitabudde n'essuubi ery'ensi. Buli ensi lw'eyogera ku ssuubi, wabaawo ekiyinzika okubaawo ekibi. "Nsuubira nga tekugwa nkuba nkya." (Kiyinza okugwa!) "Nsuubira okuyita mu bibuuzo byange!"

(Nnyinza okugwa!) "Nsuubira nga onoosanyuka mu bufumbo bwo."

(Wayinza okubaawo okugattululwa!) Essuubi ery'Ekikristaayo teririna kutegeeza kubi kwa ngeri eyo. Kwe kusuubira n'obwegombe ekyo ekikakafu! Kale, bwe twatula amazima g'Ekigambo kya Katonda, era bwe tukwata ku bisuubizo byakyo, tuba twoleka ssuubi, so si kukkiriza.

Essuubi kye kimu ku bya mu birowoozo era kirabikira mu bwesige. Okukkiriza kwe kimu ku bya mu mutima era kulabikira mu buwulize.

Essuubi Si Kukkiriza. Ekintu ekirala eky'amaanyi ag'okukkiriza mu birowoozo kirabikira mu kufumiitiriza okulungi (positive thinking). Ensi etegeera nti 'ekyo ky'okkiriza nti bw'oli, bw'oli,' bwe kityo abakulembeze b'ebibiina by'obusuubuzi batera okugenda mu masomo ku kufumiitiriza okulungi. "Engeri y'okulowoozaamu okutuuka ku buwanguzi." Kaakano, tulina n'emisomo egy'abakulembeze ba kkanisa egyesigamiziddwa ku nnono n'enkola ze zimu.

Eky'ennaku, waliwo amakkanisa mangi, agamu manene nnyo agalina obuweereza obwa tterevisoni, agandibuulira ku kukkiriza naye, mu butuufu, ne bayigiriza okufumiitiriza okulungi. Mu myaka egiyise,

twayingiza n'enkola ez'eddiini empya (New Age) nga 'enkola ez'okwekubira ebifaananyi mu birowoozo' okuleeta okuwona okuva mu bulwadde, nga tukyamu bwe twenkanyankanya okufumiitiriza okulungi okw'okwekubira ebifaananyi n'okukkiriza.

Nga bwe kiyinza okwewuunyisa, waliwo abantu bangi leero abanaakuwa obujulizi nti Mukama yabakolera okuwona okwa ngeri eyo. Banaakigamba nti kyava mu kukkiriza – okwakozesebwa mu kwekubira ebifaananyi.

Nnali ndiwo mazima mu kabinja akatono we baasabira kino ku mukazi eyali azze mu maaso okusabirwa: “Kubira ekifaananyi kya kkansa eri mu mubiri gwo. Osobola okugiraba? Kaakano kubira ekifaananyi ky'omukono gwa Yesu nga gutuuka mu kifo ekyo ekirwadde nga guggyamu obutoffaali obwa kkansa. Akikola kaakano nga bw'omulaba!

Aleruya! Kaakano owonye!”

Okufumiitiriza Okulungi Si Kukkiriza. Waliwo empaka nnene ezisituka buli abantu lwe boogera ku kukkiriza. Kale okukkiriza kye ki ddala? Omulimu ogw'okukkiriza ogwogerwako mu 1 Abasessaloniika 1:3 gwe guluwa, ate n'okutambula mu kukkiriza okwogerwako mu 2 Abakkolinso 5:7 kwe kuluwa? Olwokubanga, “tekiyinzika kusanyusa Katonda awatali kukkiriza” (Abaebbulaniya 11:6), okwegomba kwa buli mukkiriza kusaanidde kubeera kutegeera okukkiriza kye kiri.

Pawulo agamba emirundi mingi nti “tuweebwa obutuukirivu olw'okukkiriza” (Abaefeso 2:8-9 ne mu Abaruumi), ne Yakobo n'awakana nti “okukkiriza awatali bikolwa kufu” (Yakobo 2:17). Abamu abawagira Pawulo (oba nga bwe bategeera Pawulo), balowooza nti Yakobo talina kifo mu Byawandiikibwa Ebitukuvu! Martin Luther, ekyokukozesa ekikulu mu kuzza obuggya eddiini, yagamba nti ekitabo kya Yakobo “kitabo kya ssubi,” era nti tekyandibadde mu Byawandiikibwa! Abalala bandiwagidde Yakobo

(oba nga bwe bategeera Yakobo), nga bayita abakkiriza bonna aba Pawulo n'amannya ag'okunyooma nga "fundamentalists."

N'ebigambo bya Yesu byennyini biyingira mu mpaka!

Eri Nikodemo yayogera ebigambo biri eby'ekitalo, "Kubanga Katonda bwe yayagala ensi, yawaayo Omwana we omu yekka, buli amukkiriza aleme okuzikirira wabula abeere n'obulamu obutaggwaawo" (Yokaana 3:16). Naye, bwe yatuma abayigirizwa be okugenda mu nsi yonna okubuulira enjiri ennungi, yagattako nti, "Akkiriza n'abatizibwa alirokolebwa" (Makko 16:16).

Pawulo ayongera okutabula. "Bw'oyatula n'akamwa ko nti Yesu Kristo ye Mukama, era n'okkiriza mu mutima gwo nti Katonda yamuzuukiza mu bafu, olirokolebwa" (Abaruumi 10:9).

Kale, tuweebwa obutuukirivu olw'okukkiriza? Bwe kiba bwe kityo, okukkiriza kwe kukkiriza mu birowoozo? Oba kwe kwesiga, oba mpozi kwe kwatula, oba mpozi kwe kubatizibwa? Oba kiyinza okuba ekintu ekirala?

N'abavvuunuzi ba King James Version baalaga okutabuka kwabwe bwe, mu Abaebbulaniya 10:23, baawandiika nti, "Tunywerere ku kwatula kw'okukkiriza kwaffe," nga bavvuunula ekigambo ky'Oluayonaani 'elpis' nti 'okukkiriza' songa mu bifo ebirala byonna kivvuunulwa nti 'essuubi.' Mazima ddala, kirabika gye ndi nti okukkiriza n'essuubi bitera okutabukibwa omukkiriza wa bulijjo! Essuubi lirina kye likolagana n'okukkiriza mu birowoozo okusinga okukkiriza okwenyini!

Ka nziddemu, essuubi kye kimu ku bya mu birowoozo era kirabikira mu bwesige, ate okukkiriza kwe kimu ku bya mu mutima era kulabikira mu buwulize.

Ebika Bisatu eby'Okukkiriza

Bwe nsoma Ebyawandiikibwa, nsanga ebika bisatu eby'okukkiriza: okukkiriza okulokola, ekibala ky'okukkiriza, n'ekirabo ky'okukkiriza.

Okukkiriza Okulokola “Kubanga mwalokolebwa olw'ekisa olw'okukkiriza; ekyo si ky'okuva mu mmwe, kirabo kya Katonda – si lwa bikolwa, waleme kubaawo omuntu yenna eyeenyumiriza” (Abaefeso 2:8-9).

Kuno kwe kumanyiira kwa bonna abaazaalibwa omulundi ogwokubiri – abaazaalibwa Omwoyo. Tukkiriza nti tuli boonoonyi abatalina ssuubi lyonna mu nsi eno era abeetaaga nnyo Katonda okuyingira mu bulamu bwaffe. Tutambulira mu kizikiza, tetuli batuukirivu, era tuli bagwira eri ebisuubizo bye n'emikisa gye.

Singa si lwa kuba nti Katonda yajja mu mbeera yaffe ey'obuntu n'atulaga okwagala kwe ng'ayita mu kufa kw'Omwana we ku musaalaba, twandibadde tukyafudde mu bibi byaffe era nga tuli mu nnaku ennyingi; naye obutuukirivu bwa Katonda bubikkuliddwa gye tuli, “obutuukirivu bwa Katonda obuva mu kukkiriza Yesu Kristo eri bonna abakkiriza” (Abaruumi 3:22).

Pawulo alangirira nti Katonda awa obutuukirivu bonna abalina okukkiriza mu Yesu (Abaruumi 3:26). Nga kigambo kirungi ekyo! Okuweebwa obutuukirivu – nga bwe kiba nti sirina kwonoona n'akatono! Bw'atyo Katonda bw'atutunuulira kaakano. Atulaba ‘mu Mwana we’ so si mu kibi kyaffe. Ekyasooka kwali kisa kye nga kikola. Yatulaga ekisa kye twali tetusaanira.

Mazima ddala, engeri emu ku nnyingi ezinnyonnyola ekisa eri “okusaasirwa okutasaanyizibwa,” naye ennyonnyola gye njagala ennyo y’eno ey’okujjukiza mu Lungereza: G od’s R iches A t C hrist’s E xpense (Obugagga bwa Katonda ku Bbeeyi Kristo gye Yasasula). Yasasula omuwendo ndyoke nfune emikisa gyonna egy’obulamu buno obw’Ekikristaayo obw’ekitalo.

Nga tukyali ku nsonga y’ekisa, wali weefumiitirizzaako ku njawulo eriwo wakati w’ekisa n’okusaasira? Ka nkulage enjawulo eno okukuleetera omukisa: Ekisa kwe kuba nti Katonda ankola nga bwe sisanira, ate okusaasira kwe kuba nti Katonda takola nange nga bwe nsaanira!

Ekirabo kino eky’ekisa ekiva eri Katonda kiteekwa okufunibwa olw’okukkiriza, kwe mpise okukkiriza okulokola; naye n’okwo kuli kirabo kiva eri Katonda. Siyinja kukkiriza n’okukkiriza okwo wabula Katonda ng’ampadde obusobozi okulokola bw’aty!

Mu nze temuli nsibuko ya kukkiriza. Nnyinza okulonda okukkiriza, era nnyinza okwagala okukkiriza, naye obusobozi okukozesa okukkiriza okulokola bunsukkiridde. Nnyinza okukkiriza mu mutwe gwange, naye nneetaaga okukkiriza mu mutima gwange, kubanga kwe kwawula abaaweebwa obutuukirivu n’abo abakyali mu bibi byabwe.

Okumala emyaka ebiri nnali n’omukisa okusomesa mu ssomero ery’Abayudaaya. Ekifo kyange kyali kya Mukulu w’Ekitongole kya Ssaayansi naye, ng’ekiseera kyange mu ssomero eryo kinaatera okuggwaako, nnayitibwa okwogera n’ekibiina ky’abakulu ku bikwata ku kukkiriza kw’Ekikristaayo. Omusomesa eyali avunaanyizibwa ku kibiina ekyo yanjamba nti baali basoma Okugeraageranya Amadiini era nti “omulimu gwa leero ye Bukristaayo!” Essomo limu lyokka okuyiga ekyo abangi kye bamala obulamu bwabwe bwonna nga bakikola – naye ne batakitegeera!

Enkeera mu makya, nnasabibwa okukyalira rabbi omukulu, olukunjaana lwe nnali sisanyukira kubanga teyali mu abo abaasooka

okumpita okwogera n'abayizi.

Yansebeza n'ekisa, ekyandeetera okuwummula, n'alyoka anjamba ku ekyo kye yayitamu n'abayizi bennyini ku makya ago. "Sirabangako nga banyii kadde bwe batyo era nga baagala nnyo okwogera ku Katonda," bwe yayogera. "Beewuunya okusanga omunnassaayansi ate nga y'omuntu ow'okukkiriza."

Nga kya nnaku nnyo abantu bangi okuba n'endowooza eno eeyibwa. Nga bwe nnakiraba, ekitundu ekinene eky'abasseensa nabo be bantu ab'okukkiriza okungi. Mazima ddala, bangi bandigambye nti bakkiriza Katonda kubanga, ng'abasseensa, kibagwanira okwebuuzza ebibuuzo eby'amazima ku bulamu, era eby'okuddamu byokka babisanga mu kukkiriza!

Rabbi n'ayongera, "Ekinnakuwaza kwe kuba nti abayizi bange bakkiriza Katonda mu mitwe gyabwe gyokka, so simanyi ngeri gye nnaakiyingiza mu mitima gyabwe!"

Nnamugamba nti waaliwo ekkubo limu lyokka, ery'okukkiriza nti Yesu ye Kristo, Omwana wa Katonda, Masiya. Yagamba nti twali tuteekwa okukkiriziganya nti tetukkiriziganya, naye ensonga yali etuuseeko.

(Okumanya ebisingawo ku kiseera ekyo eky'ekitalo mu Ssomero ery'Abaebbulaniya, gye nnaweebwa eddembe eddene okugabana enzikiriza zange ku Kristo, soma ekitabo kyange ekirala "Stepping Stones.")

Nzikiriza n'ennaku, oluvannyuma lw'emyaka mingi nga ndi musumba, nti abantu bangi mu bibiina byaffe tebaawukana ku bayizi abo Abayudaaya. Balina okumanya kw'omu mutwe, naye tebalina kwewuliriza kwa Kristo omulamu. Balina essuubi (mu ngeri ey'ensi, n'obuzibu bwalyo), naye tebamanyi kintu ku "Kristo ali mu mmwe, essuubi ery'ekitiibwa" (Abakkolosaayi 1:27). Mazima ddala, eri bangi, ekigambo 'okwewuliriza' kibaleetera okulowooza ku kunyiiga kw'enneewulira n'Abakalisimatiki abakyaamu, era bamalirira okwekuuma okuva mu bisukkiridde ng'ebyo.

Yali mutume Yokaana ‘omwagalwa’ eyawandiika nti, “Ebintu bino mbiwandiikidde mmwe abakkiriza (n’omutwe?) erinnya ly’Omwana wa Katonda; mulyoke mumanye (n’obukakafu obw’omunda?) nti mulina obulamu obutaggwaawo, era mulyoke mukkirize (n’omutima?) erinnya ly’Omwana wa Katonda” (1 Yokaana 5:13).

Mu bbaluwa ye yonna addinjana okukakasa okwewuliriza kw’okukkiriza kwaffe. Awandiika ku kussa ekimu ne Kitaffe n’okumanya nti tumumanyi. Tukimanyi kubanga tuwulira okwagala kwe n’Omwoyo we, nga bakakasa awamu n’emyoyo gyaffe nti tuli baana ba Katonda.

Okukkiriza Okulokola, ekirabo ekiva eri Katonda, kutusobozesa okukwata ku bya Katonda, n’okuggulawo omukutu obulamu buyingire mu myoyo gyaffe. Omwoyo Omutukuvu awa obulamu, ne tuzaalibwa omulundi ogwokubiri. Tubatizibwa Omwoyo mu Mubiri gwa Kristo ne tufuuka omu n’abalala bonna mu Mubiri ogwo (1 Abakkolinso 12:13). Okukkiriza kwaffe okw’omu mutwe kufuuka okumanya kw’omutima; naye tukyali baana bato mu kukkiriza era twetaaga okukula.

Nate, nzikiriza n’ennaku nti ekitundu ekinene eky’abakkiriza abazaalibwa omulundi ogwokubiri tebeeyongerayo wala okuva ku ntandikwa eno. Bakyetaaga okuyigirizibwa emisingi gy’Ekigambo kya Katonda. Beetaaga amata, so si mmere enkalu. Tebamanyi bulungi kigambo ky’obutuukirivu, kubanga bakyali baana (Abaebbulaniya 5:11-14).

Mu bbaluwa ya Yokaana eyasooka, omutume omukadde atekawo – nga bwe nkikiriza – ekipimo ky’obukulu obw’Ekikristaayo. Agereegeranya abasomi be n’abaana, abavubuka, ne bakitaabwe (1 Yokaana 2:13-14). Kya njawulo engeri gy’ayogera na buli kimu ku bino ebisatu, kubanga tawandiikira abo abatuukana n’ebibinja ng’osinziira ku myaka gyabwe, wabula mu mwoyo. Nsanze abavubuka n’abawala Yokaana b’andibadde ayita bakitaabwe ne bannyabwe mu kukkiriza. Naye eky’ennaku, mu ngeri

endala, nsanze abakiriza bangi abakadde ennyo, abaakadde mu kkanisa okumala emyaka mingi, naye abatakuze n'okuva ku kuba abaana abato abatakuze.

Yesu yagamba nti bwe tutafuuka ng'abaana abato tetuyinza kuyingira mu bwakabaka obw'omu Ggulu, naye bwe tumala okuyingira nga tuyita mu kuzaalibwa okuggya (Yokaana 3:3-36), asuubira tufuuke bakulu. Neewuunya nnyo abakristaayo bangi engeri gye baliraana obwana mu butakula bwabwe.

Abaana abato basonyiyiddwa ebibi byabwe era balina enkolagana ne Kitaffe. Basobola okusaba n'okusanyukira emikisa gy'okussa ekimu, naye tebalaga bujulizi bungi bwa kukula mu Kikristaayo. Omuntu ng'oyo ayinza okuba ow'emyaka gyonna, naye asigala mwana mu mwoyo. Balina okukkiriza okulokola, naye tebalina kirala.

Omuwubuka ye oyo "aawangudde omubi, ng'ali wa maanyi kubanga ekigambo kya Katonda kibeera mu ye" (1 Yokaana 2:14). Banyiikira mu lutalo lw'obutuukirivu; nga batambulira mu buwanguzi, era nga beeyongera okumanya Katonda mu ngeri ze ennyingi.

Abakiriza bangi tebamanyi nti waliwo olutalo olugenda mu maaso, era babeera obulamu bwabwe nga tebamanyi nkwe za Setaani ezibabbako essanyu n'obuwanguzi obwandibadde bwabwe. Abalala bamanyi nti waliwo olutalo naye balowooza nti ababalwanagana ye Katonda (oba Yesu) ne Setaani. Ka kibeere kya lwatu ku kino – tewali lutalo lugenda mu maaso leero wakati wa Yesu ne Setaani – olutalo olwo lwalwanibwa ku musaalaba emyaka 2000 emabega era Yesu n'awangula!

"N'anyaga abafuzi n'ab'obuyinza, n'abaswaza mu lwatu, ng'abawangudde mu gwo" (Abakkolosaayi 2:15).

Olutalo leero luli wakati wa Setaani naffe. Ekyo kikutiisa? Tekisaanidde bwe kimala okutegeera enkwe ze n'okumanya nti Mukama akusuubira

okuwangula kubanga “oyo ali mu mmwe mukulu okusinga oyo ali mu nsi” (1 Yokaana 4:4).

Pawulo yasobola okwogera mu butuufu nti, “Sitabuulwa nkwe ze” (2 Abakkolinso 2:11). Ffe bameka abasobola okwogera bwe kimu? Omuvubuka asobola, “kubanga wa maanyi, era Ekigambo kya Katonda kibeera mu ye” (1 Yokaana 2:14).

Kitaawe w’omu ye oyo akuze, ng’ayise mu maddaala amalala abiri. Atuuse “okumanya oyo eyaliwo okuva ku lubereberye” (1 Yokaana 2:14). Amanyi oyo ataggwaawo. Mazima kino kye kisaanidde okuba ekiruubirirwa kyaffe, “Okumumanya n’okumumanyisa abalala” (Yokaana 17:2 ne Matayo 28:19-20).

Kinzijukiza Musa eyamanyibwa nga mukwano gwa Katonda. Yayogera ne Katonda ku lusozi Sinaayi ne mu weema ey’okukunjaanirangamu, obwenyi bwe ne bumasamasa, abantu ne batasobola kutunuulira kumasamasa kwabwo. Yamanya Katonda mu ngeri ey’oku lusegere; naye okukombako ku bintu bya Katonda kuleeta kwagala kwokka okukombako okusingawo, bw’atyo nnabbi n’asaba Katonda, mukwano gwe.

“Ayi Mukama,” n’akaaba, “nkwegayiridde, ndaga ekitiibwa kyo!” (Okuva 33).

Katonda agamba nti tasobola kubikkula kitiibwa kye kubanga ekyo kyandireettedde Musa okufa; naye ayongerako ekigambo eky’ekitalo.

“‘Musa,’ Mukama n’agamba, ‘Erinnya lyo ndimanyi, kyenva njagala okukubikkulira Erinnya lyange,’” n’agenda mu maaso okwelangirira ng’a Katonda ow’okusaasira n’ekisa, agumiikiriza, era ajjudde obulungi n’amazima (Okuva 3:13-15). Mu nnaku z’ebyawandiikibwa, erinnya ly’omuntu lyayogeranga ku mpisa ze, nga bw’oliraba bw’onoonoonyereza ku mannya g’omu Bayibuli.

Katonda agamba nti amanyi empisa za Musa, kyeve ayagala okubikkula empisa ze ye.

Oyagala okumanya ebisingawo ku Katonda, oyo eyaliwo okuva ku lubereberye, oyo Ataggwaawo? Ayagala okwemanyisa gy'oli, era amanyi erinnya lyo!

Ayinja atya okubikkula empisa ze singa erinnya lye 'atali mwesigwa', 'omunnanfuusi', 'abusabuuusa', 'ow'amalala', 'ow'obunafu', 'omulimba', oba 'omwana omuto'?

Alinda okutuusa lw'olikula okufuuka omukulu ng'omuvubuka erinnya lye 'ow'amaanyi', 'omuwanguzi', 'omwesigwa', ne 'omusajja ow'obwesimbu'; n'alyoka ayeyongerera okwemanyisa, olyoke oyongere okukula okutuuka ku kifaananyi kya kitaawe oba nnyina w'okukkiriza.

Katonda yeebazibwe olw'ekirabo kye eky'ekitalo eky'okukkiriza okulokola, naye tuteekwa okweyongerayo mu bukulu obw'okukkiriza.

Ekibala ky'Okukkiriza "Naye ekibala ky'Omwoyo kwe kwagala, essanyu, emirembe, obugumiikiriza, ekisa, obulungi, obwesigwa, obuwombeefu, okwefuga; ku bintu ng'ebyo tekuli tteeka" (Abaggalatiya 5:22-23).

Bwe twagula amaka gaffe agaasooka mu Kanada, twasanyuka nnyo nga mu lusuku mulimu emiti egy'ebibala. Mwalimu omuti gwa ffaanuki (apple), emiti ebiri egya pulaamu, n'emiti ebiri egya ceri; naye twali tunaatera okunyiiga ekyeya bwe kyatuuka kubanga ebibala byali bibi. Nnasalawo okusaawa emiti, bwe ntyo nga nkware omusumeeno, nnakola omulimu ogwo. Nnali simanyi bingi ku by'okusaawa emiti okuggyako nti kya kikulu okuggulawo wakati w'omuti eri enjuba, n'okuggyawo obutabi obw'obwereere bwonna obwandiggye ebiriisa ebiwa obulamu ku matabi agabala ebibala.

Mikwano gyange baagamba nti, olw'obutamanya bwange enkola entuufu ey'okusaawa, nnali nsazeeko ebintu bingi nnyo era emiti kaakano gyandifudde ddala. Ekyeya ekyaddirira twatunula nga tweewuunya nga buli

muti ku gyo bwe gwabala ebibala ebirungi bingi nnyo ne biguwanika okutuuka ku ttaka.

Nzijukira bulungi akawungeezi nze ne Anne bwe twali tutudde ku ntebe yaffe ey'okwesuula mu lusuku, nga tusanyukira embeera y'obudde ennungi eya Ontario. Twawulira eddoboozi ery'ekyewuunyo, ery'oluvannyuma amangu ago ne liddirirwa amaloboozi amalala agaliraanagana. Lyali ng'okusinda okuwanvu awamu n'okuwummuka okw'ekiseera nga "aahhh..." Twatunula okwetooloola okulaba oba waliwo eyali mu bulumi okumpi naffe. Lowooza ku kwewuunya kwaffe bwe twategeera nti eddoboozi lyava mu miti gyaffe egy'ebibala! Ne tulyoka tulaba ensonga y'okusinda.

Ettabi limu ku muti gwaffe ogwa ffaanuki lyali lizimba era okusinda kwalaga okufuba kw'omuti nga gukula. Amangu ago ne wabaawo eddoboozi ery'okuwummuka ng'ekizimbe kibwatuse ne ffaanuki n'afubutuka okulya ekifo kye mu bibala ebirala byonna ebirungi ku ttabi! Emiti gyaffe egya ceri n'egyapa pulaamu gyakola bwe kimu, wadde okusinda kwagyo kwali kwa ddoboozi lya njawulo.

Kirabika, emiti gyaligifuba nnyo okutusanyusa nga gibala ebibala ebisinga obulungi bye gyasobola!

Mazima, tewali ku mmwe yandikikiriza olugero olwo. Kya busirusiru okulowooza nti omuti guyinza okubala ebibala olw'okufuba kwagwo gwennyini! Naye ekyo kye kimu abakkiriza bangi kye balowooza ku kuba n'ekibala ky'Omwoyo mu bulamu bwabwe! Mu ngeri emu, tetuyinza kuba na kibala kya kukkiriza wabula nga tukoze nnyo okukikola, era nga tufuuka ab'omwoyo okusingawo!

Dawudi omuwandiisi wa Zabbuli yategeera engeri ekibala eky'omwoyo gye kizaalibwa n'awandiika mu Zabbuli 1:3 nti "omuntu omutuukirivu ali ng'omuti ogunnimiddwa ku mabbali g'emigga gy'amazzi, ogubala ebibala byagwo mu biro byagwo."

Omuti kye gukola kwe kuyimirira awo! Gwanjuluza amatabi gaagwo eri enjuba, guzaaza enkuba, era gunyweza omubisi gwagwo okuva mu ttaka erifukiddwa amazzi wansi. Olwo obuzaale bw'obulamu obuli mu muti bubala ekibala ekisaanidde. Mu ngeri y'emu, ekibala eky'omwoyo bwe kizaalibwa.

Bwe tubeera mu muzabbibu – gwe Yesu – emitima gyaffe giggulwawo eri 'obwenyi obumasamasa' obwa Katonda era tunyweza okuva mu nzizi z'Omwoyo wa Katonda. Olwo ebibala – empisa z'obulamu obuggya obuli mu ffe – bibala mu biro byabyo. Kino tekibaawo mu kiro kimu. Kitwala ekiseera okukula ng'Omukristaayo, kyetaagisa okwagala okusaawibwa, kyetaagisa okuyimirira ku bisuubizo by'Ekigambo kya Katonda, era kyetaagisa okwesiga okutasagaasagana. Tekyetaagisa kufuba!

Abakkiriza bangi beeraba ng'emitima, naye bamala ebiseera bingi nga beekebera okulaba obujulizi bw'ebibala. Mu kifo ky'okutunula ku 'matabi' okulaba oba ebibala biriwo, kyandibadde kirungi okukyusa amaaso gaffe okwolekera ekikonge ky'omuti, ensibuko y'ebiriisa byonna amatabi bye gafuna. Kyandibadde kirungi okukyusa amaaso gaffe okutunuulira Yesu, omuzabbibu ogw'amazima gwe twanyumbibwako. Olwo ebibala byandikuze, n'abalala ne babiraba mu biro byabyo.

Ye abala ekibala ky'okukkiriza mu bonna ababeera mu ye era, ng'omuti ogwa Zabbuli 1, abanyweza okuva mu migga gy'amazzi ag'Omwoyo Omutukuvu.

Ka tutegeere ekintu ekirala ku bibala byonna eby'Omwoyo. Twanguyirwa okubigeraageranya n'empisa eziri mu bantu bonna, naye biriwo eri abo bokka abaazaalibwa omulundi ogwokubiri Omwoyo. Ye abibala mu ffe, era atali Mukristaayo tayinza kumanya kintu kyonna ku byo!

“Omuntu ow'omubiri tafuna bintu bya Mwoyo wa Katonda, kubanga gy'ali busirusiru, era tasobola kubitegeera kubanga bitegeerwa mu mwoyo” (1 Abakkolinso 2:14).

Bwe kityo, obugumiikiriza okugeza, tebukwatagana nnyo n’okulindirira n’obugumiikiriza ettaala z’oku nguudo okukyuka! Abatakkiriza bangi balina obugumiikiriza obusinga nnyo obw’abakkiriza! Ensi teyinza kumanya kintu kyonna ku kwagala okuyiyibwa mu mutima gw’omukkiriza, essanyu eribeerawo ebifaananako byonna bwe biba bigenda bubi, emirembe wakati mu kibuyaga. Bino bibala by’Omwoyo abeera mu ffe, era bugagga bwa mwana wa Katonda yekka.

Mu ngeri y’emu, ekibala ky’okukkiriza kirabikira mu bulamu bw’omukkiriza akula bwokka.

Bwe nsoma ebibala bino omwenda, ntuuse ku ndowooza nti byeyongera okuba eby’enjawulo oba ebitalabikalabika nga neeyongera okusoma. Buli mukkiriza omuggya akombyeko ku kwagala, essanyu, n’emirembe. Mazima, okuva ku kaseera k’okuzaalibwa okuggya, bangi basobola okwogera nti, “eggulu waggulu bbululu asinga obuwewufu, ensi etwetoolodde nga nnungi ng’eriko obulamu; waliwo ekintu ekibeera mu buli langi amaaso agatalina Kristo ge gatalabangako” (G Wade Robinson).

Oluvannyuma, ng’ekiseera kigenda mu maaso, essanyu n’emirembe ebyasooka bifaanana ng’ebigenda ng’Kitaffe atandika omulimu gw’okutukangavvula okutufaananyiriza ekifaananyi ky’Omwana we; naye bwe tubeera mu ye, ekibala kikomawo mu ngeri esingako obugagga n’okujjula. Twasooka okuwulira okwagala kwe nga kutuyitirira, naye kaakano tukusanga nga kutuyita ne kutuuka ku balala. Essanyu lye lyasooka okujja ng’oluyimba oluggya mu mitima gyaffe nga luleetera obulamu okufaanana ng’olunaku oluggya, naye kaakano tutandika okusanga oluyimba olwo nga luvaayo munda mu ffe n’okutuuka mu kiro ekisinga ekizikiza.

Okusooka, emirembe gye gyakkakkanya ebiruyi ebyali biyuuguuma mu mitima gyaffe, naye kaakano emirembe gye buli bukuumi obw’amaanyi wakati mu biruyi by’obulamu.

Mu mukkiriza akula, tutandika okulaba ebisingawo ku mpisa za Yesu mu kugumira okusekererwa kw'ensi. Obugumiikiriza bwaffe buddira mu kifo ky'obuzaale obujeemu obw'omuntu ow'edda gwe twali, era tusanga nga tetuddamu ku mbeera ezitutawanya nga bwe twakolanga edda.

Kigambiddwa nti bw'oyagala okulaba obuwombeefu bwa Yesu, tunuulira ebikolwa bye; bw'oyagala okulaba obulungi bwe, tunuulira endowooza ze. Bwe kityo, nga bwe tukula mu kibala ky'Omwoyo, tukula mu bikolwa byaffe ne mu ndowooza zaffe byombi.

Olwo obulamu obw'okukkiriza bulyoka bulabika ng'omukkiriza atandika okutambulira mu buwulize eri okukubiriza kw'Omwoyo, ng'alaba omukono gwa Mukama nga gumukulemba era nga gumulunjanyama. Omuntu omuwombeefu ye oyo eyawaayo eddembe lye n'awaayo omubiri gwe okujjuvu eri okwagala kwa Mukama. Ali muwewuufu era ayigirizika; asobola okubumbibwa okufuuka ekintu ekisaanira omulimu gwa kabaka.

Ku nkomerero, ekibala ekisinga obutalabikalabika kisobola okujja. Kino kye kibala omutume Pawulo kye yeegomba: okwefuga. Kuno kwe 'kutta' kwe yawandiikako mu Abaruumi 7:15-24. Yakiraba nga bwe kyandibadde ekitasoboka gy'ali okuvaamu okufuga kuno kw'omuntu we singa si lwa kuba nti, olw'omulimu gw'omusaalaba, obuwanguzi ng'obwo busoboka.

“Kale nno kaakano tewali kusalarwa musango eri abo abali mu Kristo Yesu. Kubanga etteeka ery'Omwoyo ow'obulamu likufuula wa ddembe mu Kristo Yesu okuva mu tteeka ery'ekibi n'okufa” (Abaruumi 8:1-2).

Ekibala ng'ekyo kiva mu Mwoyo Omutukuvu abeera mu mukkiriza yekka era bwe kityo ne ku kukkiriza. Ye yekka y'asobola okukibala; tewali kufuba kwange kunaagasa!

Njagala okuteekawo endowooza endala ku kibala ky'Omwoyo.

Ekigambo “ekibala” kya kimu. Bino si bibala bingi bya njawulo ebikula nga tebyekwatagana, wabula kibala kimu ekiragibwa mu ngeri ez'enjawulo. Kiteeberezebwa nti ebisooka ebisatu (okwagala, essanyu, n'emirembe), kwe

kwewuliriza okw'omunda okw'Omwoyo Omutukuvu abeera mu mukkiriza, ate ebisatu eby'okubiri (obugumiikiriza, obuwombeefu, obulungi) kwe kulaga okw'ebweru nga tukolagana n'abantu abatwetoolodde, ate ebisatu eby'oluvannyuma (obwesigwa, obuwombeefu, n'okwefuga) bikwata ku kwegatta kwaffe ne Katonda.

Ekirabo ky'Okukkiriza "Buli omu aweebwa okwolekebwa kw'Omwoyo olw'okugasa bonna... omulala aweebwa okukkiriza mu Mwoyo omu..." (1 Abakkolinso 12:7, 9).

Ekika ekyokusatu eky'okukkiriza kye nsanga mu Bayibuli kiyitibwa ekirabo ky'okukkiriza. Omutume Pawulo awandiikira ekkansa ey'e Kkolinso ku "charismata", (ekivvunulwa nga "ebirabo eby'ekisa" okuva mu Luyonaani) ebiweebwa Omwoyo Omutukuvu eri ekkansa. Waliwo ebirabo bingi ng'ebyo ebituwandiikiddwa mu Abaruumi 12 ne 1 Abakkolinso 12, awamu n'ebirabo eby'obuweereza ebibatuddwa mu Abaefeso 4:11.

Ebirabo biweebwa abantu ssekinnoomu, si lwa kuba nti bandibyenyumirizzaamu oba okwekuza mu byo, wabula bibeere olw'okugasa bonna. Mu mazima, ebirabo biweebwa ekkansa, era abantu ssekinnoomu bye bikozezebwa byokka Omwoyo bya kozesa. Kya kyewuunyo nti mu bifo byonna ebisatu ebyogeddwa, Pawulo ayongerera okunyweza obumu obw'Omubiri gwa Kristo. Ekigendererwa ky'ebirabo byonna kwe kusobozesa ekkansa okukula mu bumu ndyoke etuukirize obuweereza bwayo obw'okuleeta abasajja n'abakazi eri Mukama.

Kale ekirabo ky'okukkiriza kirabikira kitya nga kikola?

Lowooza ku mbeera eno mu lukunjaana lw'Olukiiko lw'Abakadde ab'ekkanisa ey'omu kitundu. Wakaakolebwa enteekateeka okutandika omulimu ogw'okwaziika mu kitundu okugezaako okutuuka ku bavubuka abatali mu kkanisa mu kitundu. Kikirizibwa nti eno y'ekkanisa yokka ey'okubuulira mu kitundu era waliwo omuwendo ogweyongerera

ogw’abavubuka, abatalina mirimu era abeetaaga, abakola ebibinja eby’oluganda.

Bannakkanisa bangi baayoleseza enneewulira zaabwe, okuva ku kusaasira okutuuka ku kutya, bwe kityo enteekateeka n’ekolebwa.

Omusumba wadde omu ku bakadde tebalina maanyi wadde obusobozi okukolera awamu n’abavubuka bano, bwe kityo kikkirizibwa nti kyetaagisa okupangisa omukozi omuggya ow’abavubuka. “Naye tunaamusasula tutya ne tuwagira obuweereza buno n’ensimbi?”

Ekibuuzo kya mazima kubanga ekanisa ebadde eyita mu buzibu bw’ensimbi mu myaka egiyise. Eky’okuddamu ekyangu, era bulijjo waliwo omuntu anaakiwa, kwe kigambo nti ‘tuteekwa okusaba okusingawo, era Katonda anaatuwa.’ Ekyo kya mazima ng’ekigendererwa kya Katonda kwe kutandika omulimu n’okupangisa omukozi w’abavubuka. Naye tumanya tutya oba kino kye kigendererwa kye? Kiwulikika bulungi, naye waliwo enteekateeka nnyingi eziwulikika bulungi gye tuli naye ezitalabika kufuna mukisa gwa Katonda.

Abakadde basalawo okulinda ku nsonga, okusaba n’okukunjaana wamu oluvannyuma lwa wiiki emu okusalawo.

Nga bayingira mu Kisenge ky’Olukiiko, lowooza ng’oli mujulizi atalabika asobola okusoma ebirowoozo ebiri mu mutwe gwa buli musajja. “Omu akkiriza, omu agaana... babiri bakkiriza, basatu bakkiriza, babiri bagaana... bana bakkiriza, bana bagaana... n’omusumba...” Bayinza batya okutuuka ku ndagaano yonna ng’abavubuka abali ku nguudo beeyongera mu kubula kwabwe?!

Abasajja batandika n’okusaba n’oluvannyuma ne batandika okugabana ebirowoozo byabwe. Amangu ago, omusajja omu, eyali ayingidde ng’ali ku ‘abagaana’, n’ayogera. “Bwe nnayingidde wano ekiro kya leero, nnali ndowooza nti kino si kiseera kya kutandika mulimu muggya; naye nga mpulirizza ensonga ezikkiriza n’ezigaana, waliwo ekintu ekibaddewo

munda mu nze era enkyusizza endowooza yange! Mmanyi nti Mukama ali mu kino! Nsalawo nti tusaanidde okulonda omukozi omuggya ow’abavubuka!” Abalala batandika okwogera, era, mu ddakiika ntono zokka, okusalawo okw’omutima gumu ne kutuukibwako. Kiki ekyabaawo?

Si kwa nti buli musajja yawulira ekyo abalala kye baali boogera kyokka naye, olw’okuba baali basajja abaali banoonya ddala okwagala kwa Katonda, baamuwulira ng’ayogera mu myoyo gyabwe. Yasimba mu buli omu ku bo okukkiriza okukkiriza. Ekyo kye kirabo ky’okukkiriza.

Wadde ng’ebizibu by’ensimbi byali bya mazima, yabawa okukkiriza okwawangula embeera. Kyandibadde kaweke ka kaamukuula ka mustard (Makko 4:30-32), naye olw’okuba kaasimbibwa mu myoyo gyabwe Katonda yennyini, olusozi lwabwe lwandiggyibwawo. Okukkiriza ng’okwo bulijjo kusalulwa omukisa gwa Katonda. Okukkiriza ng’okwo bulijjo kuggyawo ensozi!

Ndabye ekirabo ky’okukkiriza nga kikola emirundi mingi. Ndabye abantu nga bakolera Katonda ebintu ebikulu ng’abo bonna ababeetoolodde balowooza nti tekisoboka. Baalekera awo okutunuulira embeera kubanga baamanya okukubiriza kwe.

Nnalina mukwano gwange omwagalwa ayitibwa Yorrie Richards eyali akankamira nnyo obubi ne kiba nga tekisoboka gy’ali okwogera sentensi entono. Yatuuka okumanya Mukama bwe yali ayolekedde omusango mu kkooti olw’obubbi. Omulamuzi eyali asala omusango yamulabula nti “ekkubo ly’olonze okugoberera liyinja okukoma ku mukonge gw’okuwanikibwa”. Ekibuga kyonna kyamanya ebyafaayo bye eby’obumenyi bw’amateeka, era bangi baali babuusabuusa okukyuka kwe.

Oluvannyuma lw’ekiseera, nze ne Yorrie twaddamu okusisinkana n’anteesezaako ekintu ekisinga obutasoboka. Yayagala okupangisa ekizimbe ekinene mu kibuga ky’ewaabwe n’okubuulira enjiri eri abo bonna abaali bamumanyi mu buvubuka bwe era abaali batakkiriza. Nnamuwabula

obutakola nteekateeka ng'eyo kubanga yandituleetedde ensonyi nnyingi era teyandiyinzizza kugasa njiri. Yakakata nti Mukama yali akiteeka ku mutima gwe, era yakkiriza nti kwali kulunjamya kwe.

Twapangisa ekizimbe ne tulanga olukunjaana. Nnayimirira ku bbali oluvannyuma lw'okwanjula, Yorrie n'ayolekera abaaali bamuwuliriza. Amangu ago n'atandika okukankamira, ne mmuwulirira ensonyi. Nnali sisobola na kwewaliriza kuwuliriza.

Olwo akasiriikiro ak'ekyewuunyo ne kakka mu kisenge ng'eddoboozi lya Yorrie lifuze n'atandika okwogera n'obuyinza n'obwesige, ng'ategeeza Mukama kye yakola. Waliwo amaziga mangi agaayiika ekiro ekyo nga Katonda akola ekyamagero mu ffe, kubanga omu ku 'abanafu ne basirusiru' be yali addamu ekirabo kye eky'okukkiriza. Enkumi n'enkumi mu Bungereza ne mu Kanada basobola okuwa obujulizi leero ku kubuulira okwafukibwako amafuta okwa Yorrie Richards.

Bwe ntyo, mbawa ebika bisatu eby'okukkiriza: okukkiriza okulokola, ekibala ky'okukkiriza, n'ekirabo ky'okukkiriza.

Ekintu ekyanguwa okunkwatako kwe kuba nti ebyo byonna ebisatu bisibuka mu Katonda, so si mu mukkiriza! Tewali kye nsobola okukola okuzza okukkiriza mu nze, kale nkwegayiridde tongamba 'okuba n'okukkiriza okusingawo' bw'ondaba nga ndwadde oba nga nnafuwa mu kutambula kwange okw'Ekikristaayo. Kye nneetaaga okukuza kwe kwesiga okusingawo, so si kukkiriza.

Okutambula mu Kukkiriza

Singa wandironze abantu abamu aba mu Baibuli okulaga ekitegeeza okutambula mu kukkiriza, wandironze ani?

Kalebu, eyali ayagala okulwana n'abawanvu ennyo newaakubadde nga yali awezezza emyaka egisukka mu kinaana? Erisa, eyayimirira ng'awakanya bannabbi ba Baali bonna?

Danyeri, eyasaba mu lujjudde ng'amanyi nti kiyinza okumuwaayo obulamu bwe? Naye kisanyusa okulaba abo Baibuli b'ekwatako ng'ebiyokulabirako mu kukkiriza.

Tewali n'omu ku abo!

Omutume Pawulo awandiika ku kukkiriza mu bbaluwa ye eri Abaruumi ng'agamba nti, “kubanga tuteesa nti omuntu aweebwa obutuukirivu olw'okukkiriza awatali bikolwa bya mateeka” (Abaruumi 3:28). Awo n'akozesa essuula ey'okuna yonna okuwaayo ekyokulabirako kya jjajja Ibulayimu, gwe 'okukkiriza kwe kwabaliirwa okuba obutuukirivu.'

Omutume Yakobo naye atwala Ibulayimu ng'ekyokulabirako kye ekisinga obukulu eky'obulamu obw'okukkiriza, ng'agamba nti okukkiriza okutaliiko bikolwa kufu.

Abuuzza nti, “Ibulayimu jjajjaffe teyaweebwa butuukirivu olw'ebikolwa, bwe yawaayo mutabani we Isaaka ku kyoto? Olaba ng'okukkiriza kwakolera wamu n'ebikolwa, era okukkiriza kwatuukirira olw'ebikolwa bye” (Yakobo 2:21-22).

Naye era Yakobo ayongerako ekyokulabirako ekyokubiri, ekyo kiteekwa okulabika nga kitali kya bulijjo gye tuli ffenna. Atuleetera Lakabu malaaya, eyasembeza abakessi abaatumibwa mu Yeriko. Okusenziira ku misono gy'abantu gyonna yali si muntu asaana kutenderezebwa; okwongera ku kukola omulimu ogw'ekivve, yali mulyisi era mulimba eyafaayo ku bukuumi bwe yekka. Kyokka atuumibwa ng'ekyokulabirako mu kukkiriza.

Ekisingawo okwewuunyisa kiri nti Yakobo si ye yekka amutwala bw'aty! Omuwandiisi w'Ebbaluwa eri Abaebbulaniya naye amutuumira mu lukalala lwe oluwanvu. Mu ntegeera yange eyedda ey'okukkiriza, mazima sandimutwaliddemu, wadde abalala bangi aboogerwako mu Abaebbulaniya essuula 11! Kale, oboolyawo ntegeera yange ey'okukkiriza y'eteekwa okukyuka.

Abamu bandituumye Abaebbulaniya essuula 11 nti "Abazira ab'Okukkiriza." Nze siraba bazira eyo. Wabula abantu aba bulijjo nga ffe wammwe abaayita mu mbeera eza buli ngeri mu kutambula okw'okukkiriza.

Abamu baawangula obwakabaka olw'okukkiriza, ate abalala battibwa olw'okukkiriza! Omutwe omulungi ogw'essuula guno gwandibadde "Ebyokulabirako by'Okukkiriza, " kubanga ekigendererwa kyagwo kwe kutulaga nti, mu buyinza bwe obw'ekitiibwa, Katonda akulemba abasajja n'abakazi mu makubo mangi ag'enjawulo okusobola okutuukiriza by'ayagala mu bo era ng'ayita mu bo.

Gye tuli, okubonyaabonyezebwa n'okufa tebirabika kutuukagana na Katonda ky'ayagala eri omukkiriza, naye ebyafaayo bijjudde embooji ku ngeri Ekkanisa gye yakulaakulaniramu mangu ku musaayi gw'abajulizi abaafiira okukkiriza. Kyali Katonda ky'ayagala nti bafe, basobole okuba 'okutenderezebwa kw'ekitiibwa kye.' Kino tekitegeeza nti tasaasira nneewulira z'abantu.

Mazima ddala asaasira, naye, mu batukuvu be, akuza abo abaliza ekitiibwa ekisingako olw'okubonaabona n'okufa kwabwe okusinga olw'obulamu bwabwe. Abo, yabakakasa 'Okuzuukira okusingako obulungi.'

Oluusi ku lusozi enjuba w'eyakira ennyo, Katonda akulemba abaana be abaagalwa.

Oluusi mu kiwonvu, mu kiro eky'ekizikiza ekingi, Katonda akulemba abaana be abaagalwa.

Abamu mu mazzi, abamu mu mataba, Abamu mu muliro, naye bonna mu musaayi.

Abamu mu nnaku empitirivu, naye Katonda awa oluyimba, Mu kiseera eky'ekiro n'obudde bwonna obw'emisana" (G.A Young).

Mu Njiri tusomamu abantu mukaaga bokka Yesu be yatendereza olw'okukkiriza kwabwe. Bwe kuba nga abo Pawulo, Yakobo n'omuwindiisi w'Ababbulaniya be baalonda bakwewuunyisa, lindirira olabe abo Yesu b'alonda!

Waakiri basatu ku bo tebaali na Bayudaaya, omu yali mugenge, omulala yali alwadde okumala emyaka mingi, omu yali muzibe wa maaso, basatu ne beeyita 'abatasaanira' era bonna baali boonoonyi.

Omuduumizi Omuruumi → Matayo 8:5-13 Omuweereza we yali agalamidde nga akoze mu maka, kyeyava asaba Mukama obanga yandimuwoyeyza.

"Nnaayija naawe," Mukama waffe bwe yagamba, naye omuduumizi n'amuddamu nti, "Mukama, sisaanidde ggwe kuyingira wansi w'akasolya kange, wabula yogera bwogezi ekigambo, omuweereza wange anaawona!"

Katutegeere kino; kirabika yalina ennyumba esinga obulungi mu kibuga, kubanga ekifo ky'omuduumizi mu ggye ery'Abaruumi kyali kya kitiibwa kinene. Obutasaanira bwe tebwava ku kifo kye, wabula kubanga

yategeera nti yali mu maaso g'omuntu eyamusinga nnyo. Yeeyongera nti, "Mukama, nange ndi nga ggwe, omuntu ali wansi w'obuyinza."

Yesu yamutwala ng'ali wansi w'buyinza ki? Yali talina buyinza bwaweebwa okuva mu bakulembeze b'Abayudaaya, era yali talina kifo ky'oyo eyayigirizibwa ku bigere bya labbi omukulu. Yali mubazzi wa wansi, naye yalina obuyinza obw'okufukibwako amafuta okwa Katonda, era omuduumizi ekyo yakiraba. Yakiraba atya? Olw'okukkiriza!

Yesu ne yeewuunya n'agamba nti, "Sirabangako kukkiriza kwenkana awo mu Isirayiri yonna!"

Okukkiriza kwali ludda wa? Omuduumizi yalina obujulizi obw'omunda nti omusajja ono, Yesu, yali muntu alina obuyinza obwa Katonda. Yagondera obujulizi obwo (obw'Omwoyo Omutukuvu) ne yeewaayo eri obuyinza obwo.

"Mukama, sisaanidde ggwe kuyingira wansi w'akasolya kange, wabula yogera bwogezi ekigambo, omuweereza wange anaawona" (Matayo 8:8).

Omukazi Eyavaamu Omusaayi → Makko 5:25-34 Omukazi ono ow'ennaku yali agumiikirizza ebingi mu mikono gy'abasawo bangi nga tawona ku mbeera ye ey'ensonyi era ennakuwaza. Mazima ddala yali agenda yeeyongera bubi.

Amateeka gaamuyita 'atali mulongoofu' n'olwekyo teyakkirizibwa kunyumirwa bingi ku birungi eby'abantu aba bulijjo. Teyayinza kubeerawo ku mbaga z'Ennaku Enkulu, wadde okuyingira mu ssinzizo okusinja, era okusingira ddala, teyateekwa kusemberera Abafalisaayo 'abatuukirivu' n'abasajja abatukuvu.'

Yali awulidde ebya Yesu, naye obujulizi obw'omunda ne bumugamba okugolola omukono okukwata ku lukugiro lw'ekyambalo kye. Kino kyali kikontana na buli kimu kye yali ayigiriziddwa, naye n'agondera n'awona. Tewali kyafaananako kino nga kimaze okubaawo. Teyakkiriza lwa kubanga yali awulidde ku balala abaawona mu ngeri y'emu.

Yagondera busa okusindika okw'omunda.

“N'amugamba nti, 'Muwala wange, okukkiriza kwo kukuwonyezza; genda mirembe, era wone endwadde yo'” (Makko 5:34).

Omukazi Omukanani → Matayo 15:22-28 Omutima gw'omukazi ono gwali gunyolwa ng'anoonya obuyambi olw'omwana we owoobuwala eyaliko dayimooni. Yajja eri Mukama, naye ne Mukama n'alabika ng'amwewala, n'abayigirizwa be ne bagezaako okumugoba.

Yali si Muyudaaya, naye yalaba ekyo nga tewali mulala yalaba, ne bayigirizwa okutuusa mu kiseera kino. Yamanya Yesu nga Mukama, Omwana wa Dawudi. Bino byali bigambo ebimanyiddwa nnyo okukozesebwa ku Masiya eyali ajja. Abalala baali tebannamumanya, naye omukazi Omukanani ono yamumanya. Okubikkulirwa okwenkana awo kujja kwokka olw'obujulizi obw'omunda obw'Omwoyo Omutukuvu. Okubikkulirwa kuno kwe kumu kwajjira Peetero ku Lusozi Kerumooni nga wayiseewo emyaka nga ebiri!

Yesu yagezesa okutegeera kwe, okubikkulirwa kwe, ng'amusomooza nti tekyali kirungi okusuulira embwa (Abamawanga) emmere y'abaana (obuwonyi obw'Abayudaaya). Okuddamu kwe kulaga nti yategeera bulungi, olw'okubikkulirwa, nti mazima ddala ye yali Masiya.

“Awo Yesu n'amuddamu nti, 'Ai omukazi, okukkiriza kwo kunene! Kikukolerwe nga bw'oyagala.' Omwana we owoobuwala n'awona mangu ago” (Matayo 15:28).

Batimaayo Omuzibe wa Maaso → Makko 10:46-52 Newaakubadde nga yali muzibe wa maaso, Batimaayo yalaba okusinga ekibiina kyonna ekinene eky'abantu abalaba abaali beetoolodde Yesu. Yabeeranga mu kibuga Yeriko ekikolimire era yali afiriddwa amaaso ge, n'afuuka musabiriza, anyoomebwa bonna abaali bamwetooolodde. Bwe yaleekaana abantu ne bamugamba n'obukambwe okusirika, naye n'atalekera kuleekaana, kubanga ng'omukazi Omukanani, yali afunye okubikkulirwa, obujulizi obw'omunda

obwa Yesu nga Masiya. “N’aleekaana... ‘Yesu, Omwana wa Dawudi, onsaasire’” (Makko 10:48).

Yesu yayita omusabiriza gy’ali n’amubuuza ekibuuzo eky’ekyewuunyo nti, “Oyagala nkukolere ki?” Batimaayo n’addamu nti, “Mukama, njagala amaaso gange gazibuke!” Yesu n’agamba nti, “Genda, okukkiriza kwo kukuwonyezza,” era amangwago amaaso ge ne gazibuka (Makko 10:51-52).

Okubikkulirwa kwakulembera okwatula, ekyavaamu buwonyi.

Omukazi mu Nnyumba ya Simooni → Lukka 7:37-50 Mu Yokaana 11:2 ne Matayo 26:6 kyogerwa nti omukazi ono yali Maliyamu, mwannyina Laazaalo. Simooni, Omufalisaayo, yatunuulira ebikolwa bye n’atandika okusalira Yesu omusango ng’abulwa okwawula, kubanga omukazi yamanyibwa nga mwonoonyi. Naye Yesu yamany bulungi omukazi bwe yali, era n’ategeera ebikolwa bye ng’okumufukako amafuta olw’okuziikibwa. Kirabika yalina okutegeera kutono ku kino, naye, ng’agondera obujulizi obw’omunda , okusindiikiriza kw’Omwoyo Omutukuvu, era ng’akulemberwa okwagala, yali aweerezza Mukama mu ngeri ey’obunnabbi.

“[Yesu] n’agamba omukazi nti, ‘Okukkiriza kwo kukulokoseeza; genda mirembe’” (Lukka 7:50).

Omugenge ow’Ekkumi → Lukka 17:11-19 Abagenge kkumi baali bazze eri Yesu nga banoonya okuwonyezebwa. Bonna baagondera ebiragiro bye okugenda eri bakabona, okuyitibwa ‘abalongoofu.’ Kino kyali kya kwetaagisa mu Ndagaano Enkadde era, newaakubadde ng’omu ku bo yali Musamaliya, naye n’agondera. Mu kkubo nga bagenda eri bakabona, bonna baawona, naye Musamaliya yekka ye yakkiriza nti okuwona kwe tekwali kya magezi ga kiragiro, wabula kwava eri Katonda, bw’atyo, ng’agwa ku bigere bya Yesu, n’atandika okugulumiza Katonda. Yali agondedde eddoboozi eriwulikika ery’Omwana wa Katonda era n’awona.

“[Yesu] n’amugamba nti, ‘Golokoka ogende; okukkiriza kwo kukuwonyezza’” (Lukka 17:19).

Mu byokulabirako byonna omukaaga, okukkiriza kwalabisibwa era ne kutuukirira mu kugondera. Singa tewaaaliwo kugondera eri okumanya obuyinza, eri okubikkulirwa okw'obwakatonda, eri obujulizi obw'omunda obw'okusindiikiriza kw'Omwoyo, eri ekigambo Mukama kye yayogera, tewandibaddewo byamagero ebyawandiikibwa.

Okunnyonnyola Okukkiriza Kale tunaanyonnyola tutya okukkiriza okusobola okutuukiriza ebibuuzo byonna eby'empaka era ne kunnyonnyola abo Yesu, Pawulo, Yakobo, n'omuwandisi eri Abaebbulaniya be baalonda?

Bwe mbuuzza abantu okunnyonnyola okukkiriza, okuddamu okwa bulijjo kwe kujuliza Abaebbulaniya 11:1, "Kaakano okukkiriza kwe kwesiga ebintu bye tusuubira, obukakafu obw'ebintu bye tatalaba," kyokka, bwe basabibwa okunnyonnyola enkuluze yaabwe, nsanga batono abalina okunnyonnyola okukakasa.

Gye ndi, omuwandisi agamba butereevu ekyo omutume Pawulo kye yagamba awalala, nga bwe kyajulizibwa mu ssuula eyakulemba.

Kiki kye tusuubira? Barclay, omuwandisi w'olukalala olw'amawulire ag'okusaba olw'ettutumu, Our Daily Bread, annyonyola essuubi nga "okulindirira n'essanyu ekyo ekyasuubizibwa." Abatume Pawulo ne Peetero bombi baawa obujulizi mu maaso g'abaabalumiriza ku ssuubi lyaffe ekkulu ery'Okuzuukira. Gye bali, essuubi lyaffe likakafu. Eri omuwandisi w'Abaebbulaniya, liri ng'ennanga enywezeddwa munda w'eggigi ery'omu maaso ga Katonda. Tusuubira ekyo kye tunaafuna mazima.

Tunaafuna ki, okuggyako ekyo ekiva mu kisa kya Katonda; ekyo kye yasuubiza? Ekirabo kye eky'obulokozi, ekirabo kye eky'Omwoyo Omutukuvu abeera munda mu ffe; ebirabo bye ebiweebwa Omwoyo Omutukuvu: Ekirabo kye .

Nkubisa omwana omuto mu kiseera kya Sekukkulu oba ku lunaku olw'amazaalibwa. Amanyi nti anaafuna ekintu eky'enjawulo okuva eri bazadde be - ekirabo ekiva mu kwagala kwabwe. Alindirira n'essanyu

olunaku olukulu. Balina essuubi eri ekyo ekigenda okujja mazima. Ku nkomerero, bafuna ekyo ekyasuubizibwa: ekirabo kyabwe. Kino kye kwesiga ekyo kye yasuubira. Okusuubira kwabwe kufuuse kya nnamaddala.

Okukkiriza kwe kwesiga ebintu bye tusuubira; kiri kirabo .

Bwe nnasooka okutuuka mu Kanada, nnatunuulira emiti egyali mu lusuku lwaffe nga nnina essuubi lingi ery'okunyumirwa ebibala byagyo mu biseera eby'oluvannyuma; kyokka, nnali simanyi miti gya ngeri ki. Siri mukugu mu by'okulima emiti, era saayinza kutegeera miti olw'amakoola gaagyo oba enkula yaagyo. Naye ebibala bwe byatandika okujja, saabusabuusa ku buli kimu kye kyali. Nnagimanya olw'ebibala byagyo . Ebibala bye byali obukakafu bwe nnali nneetaaga.

Obuzaaliranwa bw'emiti bwali tebukyuse, empisa z'emiti zaali tezikyuse, naye bino byali bikwekeddwa okutegeera kwange, okutuusa ebibala lwe byajja. Obukakafu obw'ebintu ebitalabika bwe byali ebibala ebyali ku matabi.

Mu ngeri y'emu, obukakafu obw'obulamu obujjudde Omwoyo buli mu bibala byabwo.

Yesu yagamba nti, “Oba mufuule omuti okuba omulungi n'ekibala kyagwo okuba ekirungi, oba mufuule omuti okuba omubi n'ekibala kyagwo okuba ekibi, kubanga omuti gutegeererwa ku kibala kyagwo” (Matayo 12:33) Okukkiriza kwe bukakafu obw'ebintu ebitalabika. Kiri kibala .

Omuwandiisi w'Abaebbulaniya 11 tayogera kisukka ku ekyo Pawulo kye yagamba mu 1 Abakkolinso 12:9 ne Abaggalatiya 5:22.

Nnyonnyola okukkiriza ng'olungalo lwa Katonda mu mitima gy'abasajja n'abakazi, olubaseeka okukola by'ayagala.

Kulabisibwa mu kugondera ng'endowooza y'omutima. Si ndowooza ya magezi. Kwe kukkiriza n'okuddamu . Olungalo oluseeka lwa Katonda, okuddamu okw'okugondera kwaffe. Omulimu ogusooka era ogusinga obukulu ogw'okukkiriza omuntu gw'ayinza okukola kwe kukkiriza

Mukama waffe Yesu Kristo okutuuka ku bulokozi. Okubikkulirwa kukulemba okwatula (laba Peetero ku Lusozi Kerumooni). Kulabisibwa mu kwenenya , okubatizibwa , okwatula n'ebikolwa ebirungi (ebikolwa eby'obutuukirivu). Awo bino we bitalabikira, omuntu ayinza obutuufu okubusabusa (nga Yakobo) obwenyini bw'okukkiriza; mu butuufu 'kufu' (Yakobo 2:26).

Okutambula okw'okukkiriza kwe kwewaayo okwa buli lunaku eri by'ayagala (ebibikkuddwa n'ebitannabikkulwa). Okunyweza omukono gwa Taata! Nga Peetero bwe yagamba nti, "Tunaagenda eri ani omulala?" (Yokaana 6:68). Bwe tunyweza, Kitaffe asobola okusiguukulula ensozi! Kino kiri olw'empisa ze, si lwa maanyi ga magezi gaffe oba okukkiriza kwaffe! Manya nti ne baddayimoni bakkiriza byonna Kitaffe by'asobola okukola, naye ekyo tekitwalibwa nga kukkiriza (Yakobo 2:19).

Okuwulira Eddoboozi lya Katonda

Wadde ng'okuwulira eddoboozi lya Katonda kwangu eri abamu, eri abalala kwe kuwulira okwetaaga okunywezebwa!

Kyali kintu kya kitalo ekyakwata amaaso ga Musa bwe yali alunda endiga za nnyazaala we. Ekisaka kyali kyaka omuliro nnyo naye nga tekyokebwa! Ebikoola byakyo byasigala nga bibisi, wadde ng'ennimi z'omuliro zaali zibyetoolodde (Okuva 3:2). Yali tannalabangako kintu kyonna nga kino eky'ekitalo mu biseera bye byonna eby'omu Misiri ng'omwana wa Falaawo, wadde mu myaka emingi gye yamala ng'omusumba mu nsi ya Midiyaani. N'asembera katono okwetegereza.

Amangwago eddoboozi ne liwulikika, “Musa!”

Osobola okulowooza obwewuunyo bwe yalimu, naddala bwe kyalabika ng'eddoboozi lyava wakati mu kisaka ekyaka omuliro!?

Eddoboozi ne lyeyongera, “Ggyako engatto mu bigere byo kubanga oyimiridde mu kifo ekitukuvu!” (Okuva 3:5). Nkakasa nti yayanguwa okugondera olw'engeri embeera gye yali eri — teri kubuusabuusa nti yali atidde!

Bwe kityo ne kutandika ekiseera ekiwanvu eky'enkolagana wakati wa Katonda ne Musa. Okuva mu kiseera ekyo ne boogeraganya emirundi mingi, Mukama ng'alunŋamyā omuweereza we mu kukulemba Abaisirayeri okubaggya mu buddu bwabwe mu Misiri, ng'awa ebiragiro eby'okuzimba Eweema ey'Okukunŋaanirangamu, era ng'awa amateeka mangi eri abantu be ab'endagaano.

Mazima ddala, tusoma nti baayogeraganya “amaaso n’amaaso ng’omuntu bw’ayogera ne mukwano gwe” (Okuva 33:11). Tekyewuunyisa nti obwenyi bwa Musa bwamasamasa!

Tomukwatirwa buggya Musa okuba nga yasobola okwogera ne Katonda mu ngeri eyo?

Nze mazima mmukwatirwa.

Omuntu ayinza okulowoolereza ku ekyo Musa kye yalaba, n’ekyo kye yawulira Katonda bwe yayogera naye. Eddoboozi lya Katonda lyawulikika litya?

Lyali eddoboozi eddeneddene erirandagana ng’ery’omuzannyi omutendeke ow’ebya Shakespeare?

Lyalina okuvuluma oba enjogera ey’ekitundu? (Oboolyawo ey’e Welisi, nga ery’ange, kubanga kirabika ayagala okukyalira ensi yange buli luvannyuma lwa kiseera, mu kufuka okunene okw’okuzuukuka?!). Lulimi ki lwe yayogera — olw’e Misiri Musa gye yasomera oba olw’Abamidiyaani Musa gy’ali amaze emyaka amakumi ana?

Kye tusobola okugamba nga tukakasa, lwe lulimi Musa lwe yategeera.

Lyali eddoboozi ery’omuntu oba lyawulikika ng’“amazzi agakulukuta” nga Ezeekyeri bwe yannyonnyola eddoboozi lya Katonda Ayinzabyonna (Ezeekyeri 43:2)?

Erija nnabbi yamuwulira ng’ayogera n’eddoboozi eddibiivu, eritono, ate Isaya n’awandiika nti yayogera mu kutu kwe (1 Bassekabaka 19:12 ne Isaya 50:5).

Mazima, kirina okuba nga kyangu okutambulira mu kwagala kwa Katonda ng’akwogerako n’eddoboozi eriwulikika, nga bwe yakola eri Musa n’abalala ab’omu biseera eby’Endagaano Enkadde. Kyandibadde kyangu okutambula olugendo olw’okukkiriza mu mbeera ng’ezo!

Kyandibadde kyangu?

Oboolyawo Katonda yandyetaaze ebingi okuva mu ffe singa twasobodde okuwulira eddoboosi lye obulungi. Tewandibaddewo nsonga ya kwewanyangula, n'okugondera kwaffe tekwandibadde kwa kukkiriza. Abaddu bagondera bakama baabwe, naye emirundi mingi lwa kutya. Okwo si kwe kugondera Mukama kw'ayagala.

Anoonya abantu abateekeddwa okuwulira eddoboosi lye mu mwoyo era ab'obuntu bwabwe bwennyini bufuuse kugondera.

Si kugondera okuva mu kutya, wabula okugondera okuva mu mpisa. Tekyabangako mu ngeri ye okuwaliriza oba okukyusakyusa abantu be okukola by'ayagala oba okutambulira mu bigendererwa bye. Bulijjo abawa eddembe okwanukula mu kwagala n'okugondera okw'okweyagalira. Okukkiriza okusanyusa Katonda tekulabikira mu kugondera okw'okutya, wabula mu kugondera okw'okwagala n'okweyagalira.

Tommy omuto teyali muteefu ku mmeeza ey'eky'ekiro kubanga yayagala okudda ebweru eri mikwano gye egyali gimulinze. "Toyinza kuva ku mmeeza okutuusa lw'omaliriza emmere yo," maama we bwe yagamba.

Tommy yamira emmere ye n'obwangu. "Era tuula ku ntebe yo ng'olya," kitaawe bwe yayongerako. Tommy yalwawo okwanukula, kitaawe kyeyava addamu ebiragiro n'eddoboosi, nga liserengeretera katonno era nga lyeyongedde katonno waggulu. Naye Tommy n'akyakutama okumpi n'entebe ye, amaaso ge nga gafuba okutunuulira mikwano gye ng'ayita mu ddirisa, ng'akaka omuwago omulala ogujjudde spaggetti mu kamwa ke.

Eddoboosi lya kitaawe ne likaluba, era n'ayogera mu bugendererevu. "Nkugambye otuule ng'olya! Kola nga bwe nyamba kaakati!"

Tommy n'atuula, ng'alaga obusungu ku maaso ge agaali gasiigiddwa enyaanya. Akamwa ke kaali kajjudde n'alema okwogera, naye munda mu mutwe gwe eddoboosi ne liwowoggana, "Nnyinza okuba nga ntudde ku bweru, naye munda nnyimiridde!" Eno teyali ndowooza ya kugondera eyandisanyusizza kitaawe!

Eddoboozi Eddibiivu, Eritono Erija nnabbi yali alabye Katonda ng'akola ekyamagero eky'amaanyi mu maaso ga bannabbi ba Baali bonna. Yali muvumu mu kutta abakulembeze bano ab'obulimba bonna era "omukono gwa Mukama gwali ku ye" (1 Bassekabaka 18:46). Naye bwe yawulira nti Yezeberi, kabaka omukazi omwonoonyi, yali anoonya okumutta, n'addukira mu ddungu okwekweka n'okukungubaga. "Nkomye, ai Mukama," bwe yakaaba. "Nziyako obulamu bwange!" Si kye wandisuubidde okuva eri "omusajja ow'okukkiriza!" Okusooka, malayika atumibwa okubuuza lwaki ali mu mbeera eno, oluvannyuma Mukama yennyini n'ayogera eri Erija — si mu mpewo ey'amaanyi eyayuzza olusozi, wadde mu musisi, oba mu muliro, wabula mu ddoboozi eddibiivu eritono. Mazima, ebisooka ebisatu byandimuleeteedde okutya okungi era yandyanguwizza okwanukula singa Katonda yayogedde, naye eddoboozi eddibiivu, eritono terikanga. Alagirwa okudda e Damasiko n'okufuka amafuta ku eyandimusikira, Erisa. Bwe kityo, Erija n'akomyawo obunyiikivu bwe eri Mukama, kubanga yawulidde eddoboozi lye. Okugondera kwe kwe kw'okukkiriza.

Nzijukizibwa 'Tomasi omubuusabuusa,' omutume eyagaana okukkiriza nti Mukama yali azuukidde okuva mu bafu okutuusa lw'anaamulaba n'ateeka engalo ze mu bunnya bw'emisumaali mu mikono egyali giyinjidwa. Yesu bwe yamulabikira, Tomasi n'akkiriza, Yesu n'amugamba, "Tomasi, olw'okuba ondabye, okkirizza: balina omukisa abo abatalabanga naye ne bakkiriza."

Yandisobodde n'okwongerako, "Balina omukisa abo abatawuliranga ddoboozi lya Katonda eriwulikika, naye ne bagondera!"

Olugendo n'obulamu obw'okukkiriza obusanyusa Katonda bulabika mu musajja oba omukazi, 'atawulidde' (n'okutu) naye ne agondera.

Tusaana okusuubira okuwulira eddoboozi lya Mukama? Weewaawo tusaana! Yesu yennyini ye yagamba nti "endiga ziwulira eddoboozi lyange"

(Yokaana 10:27).

Mukama bw'ayagala okwogera naffe, okutuyigiriza by'ayagala, okutulunjanyama mu makubo ge, tasalawo kukikola na ddoboozi ddene, wabula n'eddoboozi eddibiivu, eritono, eriwulirwa emmeeme yokka egatta ne ye. Ayagala okwogera n'endiga ze era ezisinga obungi, nkakasa, zaagala okuwulira eddoboozi lye.

Okutegeeza bulijjo buvunaanyizibwa bw'oyo ateggeeza singa oyo ateggezebwa aba yeeteeseteese okuwulira. Kyava omuyigiriza omulungi bulijjo anoonya okumanya oba abayizi be bategedde ky'agezaako okuyigiriza.

Kale, Katonda ayogera naffe, endiga ze? Bwe kiba bwe kityo, lwaki tetuwulira ky'ayogera?

Okuyiga Okutegeera Eddoboozi Lye Nzikiriza nti ayogera nange buli lunaku, naye emirundi mingi eddoboozi lye lisaanyizibwawo oluyoogaano lw'amaloboozi amalala agakulukuta mu mutwe gwange.

Nnina okuyiga ekyama Bakadde ab'Omu Ddungu kye baayogerako ne bawandiikako, ekyama ekitegeerwa abasajja n'abakazi abo ab'omu byafaayo by'Ekkansa, obulamu bwabwe bwe butwewuunyisa nga baali mu nkolagana ennywevu ne Katonda; abo abayitibwa, emirundi mingi mu kunyooma, ab'ekyama.

Bakadde ab'Omu Ddungu (ne bannyaabwe) baali basajja na bakazi ab'omu kyasa eky'okuna. Ekiseera Obukristaayo lwe bwakkirizibwa bakabaka b'e Rooma era Obukristaayo ng'enkola ey'obufuzi era ey'ensi bwe bwazaalibwa. Okusobola okugondera engeri gye baategeeramu ekiragiro kya Mukama eky'“okwetikka omusaalaba gwo,” (Lukka 9:23) baali beeggye mu nsi n'amaloboozi gaayo gonna okunoonya obwerere mu ddungu ery'e Misiri. Gye bali, obwerere tebwali kubeera bwomu, wabula okusobola okusembera okumpi ennyo ne Katonda, ne batafaayo ku bantu abalala

bonna abaali babeetoolodde. Baayiga okusirika, okukuza obusirifu obw'omunda, okufumiitiriza ku ye n'okuwulira eddoozi lye.

Nkakasa nti tetwetaaga kwewaayo mu bulamu bw'ekiraawe, naye twetaaga okumala ebiseera ebirungi bwe tuba twagala okuyiga okutegeera eddoozi lye. Tetwetaaga magezi mangi agategeera eby'okutegeera Katonda byonna, so tetwetaaga dipuloma ya Kkolegi ya Bayibuli oba digiri ya Sseminari. Ayogera, si eri amagezi n'obwongo, wabula eri omwoyo Omwoyo we gy'atuukirira ku gwaffe.

Okuwulira Eddoozi Lye, Twetaaga 1. Enjala — okwegomba okw'amaanyi — eri by'ayagala.

2. Omutima ogumaliridde okugondera kyonna ky'ayagala.
3. Ebiseera ebimala mu Kigambo kye.
4. Ekifo ekisirikira eky'okufumiitiriza.
5. Obusirifu obw'omunda n'obwerere.

“Mukama Yanjamba...” Tewali kintu kyeraliikiriza musumba nga okufuna omuntu ajja gy'oli, nga bw'olowooza ng'anoonya amagezi, atandika emboozi ng'agamba nti, “Mukama yanjamba...” enkomerero y'emboozi!

Nga bulijjo ngezaako okubabuuza engeri Mukama gye yayogera nabo, ne nkizuula nti, mu ndowooza yange, kyali kirowoozo kyokka kye baalina, oboolyawo ekyava mu nneewulira ey'olukunjaana olumu oba mu mboozi ne mukwano gwe, naye si bulijjo ekiva eri Mukama. Singa twanguwa okubuuza ekibuuzo ng'ekyo buli lwe abantu bagamba nti, “Mukama yanjamba,” oboolyawo twandiziyizza abantu okukozesa ekigambo ekyo mu bwangu obutafaayo.

Okumala emyaka ena, nze ne mukyala wange twafuna omukisa omukulu ogw'okukolera ku Meeri ey'Okusaasira eyatambulanga wakati wa Bulaaya ne Afirika ey'Ebugwanjuba. Ku meeri kwaliko basawo, basawo abalongoosa, n'abasawo abasengejja abawaayo obumanyirivu bwabwe mu

kukola emitendera egy'okukyusa obulamu eri abantu abankumi abanaku abaali batasobola kusasula nsimbi nnyingi ez'okulongoosebwa endwadde zaabwe ze zeetaaga. Wadde nga kyali kiseera kya kumatiza nnyo, waaliwo ennaku nnyingi ez'okulwana n'okukoowa okungi, naye eri abo ab'omu mawanga amakulaakulanu abaafuna alipoota ez'omulimu ogwakolebwanga abakozi b'obujjanjabi n'abakozi ba meeri abalala, kirina okuba nga kyalabika ng'obuweereza obw'ekitiibwa ennyo.

Nzijukira bangi abajja okukolera ku meeri abaagamba nti baaliwo kubanga Mukama yali abagambye okujja.

Bulijjo kyanewuunyisanga bwe baali bangi abavumbula, oluvannyuma lwa kaseera katono, nti si kwe baali baagala okuba ddala.

Kirabika, Mukama yakola ensobi, oba baayita eddoboosi lye eddoboosi eddala.

Abalala bambuulidde nti Mukama yali abagambye okukola ekintu ekyawukana ku Byawandiikibwa! Nze kennyini mmanyi abakazi babiri abaleka babbaabwe kubanga "Mukama yanjamba," wadde nga tewaali bujulizi bwa butali bwesigwa oba bwa kukolerwa bubi. Omwami omu yali mukkiriza, naye yali ayingidde mu ndagaano ya bizinensi (mu ngeri ey'amateeka ddala) n'atali mukkiriza. Omukazi n'agamba nti Mukama yamugamba okuleka bba kubanga yali "asibiddwa mu kikoligo eky'obutaawulira" n'atali mukkiriza! Kukozeza Byawandiikibwa bubi kwa ngeri ki, era mazima si kwagala kwa Mukama eri obufumbo bwonna!

Abakkiriza bangi bakozesa ekigambo kino n'omutima ogutaliimu bukuusa, nga bakkiriza nti baalunjamizibwa Katonda. Kino kiyinza okuba nga kyayita mu kirooto, mu kuzzibwamu amaanyi kwa mukwano gwabwe, mu mbeera, mu lunyiriri lwa Byawandiikibwa okweyoleka, mu 'kabbuka,' oba mu kwegomba okw'omunda okw'obuntu okukula obukuzi.

Bino byonna makubo ga mazima, singa gakola awamu, Mukama mw'ayinza okutulunjamiza okutambulira mu kwagala kwe; wabula

kyandibadde kya magezi okugamba nti “Nzikiriza nti Mukama yandyagadde nkole kino...” mu kifo ky’ekigambo ‘eky’omwoyo,’ “Mukama yanjamba...” ekiyinza okuwaayo bingi eri obwegugungo, naye emirundi mingi kyonoona nnyo obujulizi bw’Ekikristaayo.

Ekiseera ekyo eky’ekitalo bwe bujulizi obw’obuntu.

Mu bulamu bwange, nnina ebyanfuukako ebiwerako mwe namanyira okubeerawo kwe mu ngeri esukka eya bulijjo. Ka nkakase nti bya kitalo, si bya bulijjo. Emirundi ebiri nnamuwulira ng’ayogera nange n’eddoboozi eriwulikika. Sigezaako kunnyonnyola bino, era mazima tebiri bwe bityo kubanga nnali wa mwoyo okusinga ebiseera ebirala.

Mu butuufu, emirundi gyombi gyalu nga nnina omutima omuzitowavu. Nnaakubuulira ku gumu ku gyo.

Gwali mwaka gwa 1983 era nnali mmaze ebbanga eritatuuka ku mwaka gumu nga ndi musumba w’ekkanisa entono eya Christian and Missionary Alliance mu Sidney ku kizinga kya Vancouver, mu British Columbia. Baali kkuŋjaaniro erya nnakyewuubira, erijjudde okwagala era twali twakwatagana nnyo n’abangi ku bo. Naye, essuubi ery’ekkanisa okukula mu muwendo lyali ttono, kubanga waali ‘ekiziyiza’ ku nkulaakulana y’ettaka ery’ekitundu era amayumba amasaanidde gaali matono.

Mu butuufu, twakuŋjaaniranga mu maofiisi amakulu ag’ekitundu aga Free Masons! Saafunanga musaala munene, naye kyali kya lwatu nti mu bbanga ttono, ensaasaanya y’ekkanisa entono yandisukkiridde ku nfuna yaayo eyali entono n’okusingawo. Ekkunjaaniro lino ettono lyali kitundu ekyava mu kkanisa ennene ey’okumpi mu Victoria, ekibuga ekikulu eky’essaza, naye kaakati waali enkolagana ntono wakati waabwe ebiri, naddala nga tewali kwewaayo kwonna okuva mu kkanisa nnyina okusasula ensaasaanya z’ekkanisa muwala.

Kyali kiro kya Ssande nga waliwo enkuba entonnyo nga November eweddeeko. Anne yali atutte bawala baffe abasatu ku lukunjaana mu

kkanisa nnyina ate nze ne nsalawo okutambula n’okwogera ne Mukama ku buzito obwali bweyongera ku mutima gwange. Ndde eri okuyigiriza?

Oboolyawo mu kiseera ekitundu okwongera ku nfuna yange kiryoke kireme okuba omugugu munene ku kkanisa? Nsaanidde okuwummula ne nnoonya omulimu omulala, nga ngamba ekkkanisa nti tebasobola, mu kiseera kino, kusasula musumba wa kiseera kyonna? Nteekewo ‘ebyoya by’endiga’ okugezaako okuzuula okwagala kwa Katonda? Omutwe gwange gwali gujjudde ebibuuzo, naye saali mfuna biramba byonna!

Ebigere byange byantwala ku ntikko y’ekifo eky’obulungi eky’ekitundu okuva we omuntu gye yandisobodde okutunuulira ebyalo byonna ebyetoolodde.

Bear Hill kyali kifuuse ekifo kyaffe ekyagalibwa eky’okuwummuliramu, era ku ntikko yaakyo we nawummulira. Awo, we nazuulira ‘ekisaka kyange ekya omuliro.’ Nawulira eddobozi eriwulikika!

Ebigambo byalyo byali bya lwatu era byaddibwamu ndyoke mbitegeere bulungi.

Wadde ng’omwoyo gwange gwakakasa nti kino kyali kiseera kya Katonda, nnatunula okwetooloola okulaba oba waaliwo omuntu omulala ku ntikko y’olusozi awamu nange. Tewaali muntu mulala. Mukama yali ayogera, era ebigambo bye byali bya lwatu.

“Ojja kuba musumba w’Ekkkanisa ya Victoria Alliance!”

Tewaali nnyinnyonnyola engeri kino gye kyandibaddewo. Mu kiseera ekyo, Ekkkanisa ya Victoria Alliance yalina abasumba basatu era omukulu yali amazeeyo ng’omwaka gumu. Yalina digiri ye eya masitasi mu by’okutegeera Katonda ate nze saali nagenzeeko mu sseminari era nnali nnaakayawulibwa. Oboolyawo Katonda teyali ayogera ku kiseera kya kaakati era ebigambo bye byali bikwata ku biseera eby’omu maaso byokka? Ekyo kyandinnyanukudde kitya ebibuuzo byange eby’omu kiseera kino?

Oboolyawo yali agamba nti ntuukirire omusumba omukulu ne mmuwa ekirowoozo nti ekkansa nnyina eddemu okutwala ekkansa muwala, era nze ntwalibwe ng'omusumba waabwe owookuna? Ebirowoozo ng'ebyo bye byadduka mu mutwe gwange nga nkomawo eka.

Nnabuwira Anne ku kyanfuukako era ne tusalawo okusirika ku kino, nga tukkiriza nti singa Mukama yali ayogedde ddala, yali asobola bulungi okutuukiriza ebigererwa bye awatali kutaataaganya kwaffe. Lowooza obwewuunyo bwaffe oluvannyuma lwa wiiki nnyingi zokka, okuwulira nti omusumba omukulu yali alangiridde okuwummula okuva mu kkanisa ya Victoria!

Twakemebwa okukubira buli muntu mu kkanisa eyo essimu okubagamba nti twali tumanyi ani eyandibadde omusumba waabwe omuggya, naye ne tusalawo nti okwegendereza kwe kwali okulonda okusingako, bwe tutyo ne tusirika. Ng'okwegendereza okwongerezeddwa, twava mu kkanisa eyo mu myezi egyajja, tuleme kukemebwa kukyusakyusa mbeera yaabwe okuleeta 'okwagala kwa Katonda' gye bali.

Oluvannyuma lw'emyezi mingi, Omulabirizi w'Essaza ye yampita okunziika okuba omusumba w'Ekkansa ya Victoria Alliance. Amangwago ne nziramu nti weewaawo, ne kimuletera okugamba nti, "Ekyo kibatde kyangu!"

"Owooluganda," ne njamba nti, "Nnali nkimanyi emyezi ena egiyise!"

Mu myaka gyange omusanvu mu Kkanisa ya Victoria Alliance, waaliwo emirundi mingi lwe nakemebwa okuvaawo, naye ne nsigalawo kubanga nnali mmanyi nti Mukama yali ampise eyo era nnakkiriza nti yandimpise okuvaayo ekiseera bwe kyandituuse okugenda. Tetuli na kubuusabuusa nti, okuyitibwa bwe kwajja mu 1990 okuweereza ku Meeri ey'Okusaasira, kyali kiseera kye eky'okweyongerayo.

Lwaki Katonda yayogera n'eddoboozi eriwulikika? Mazima tekyali kubanga nnali wa mwoyo okusinga abalala wadde kubanga yali

yaakazuukuka ku kwetaaga kwange! Oboolyawo, oboolyawo bwokka, kyali kubanga obuzito bwange bwali bwa mazima ennyo ne bunzimba mu kifo eky'obwerere kye nnali njetaaga; ekifo eky'obwereere obw'omunda n'obusirifu we nnasobola okumuwulira ng'ayogera. Oboolyawo, kyali kikolwa kye kyokka eky'obwakabaka eky'okwogera mu bulumi bwange okuva mu kwagala kwe okungi.

Okwogera olugero luno kunzijukiza ebigambo bye nnawuliriramu Floyd McClung ng'ayogera, eyali omuyigiriza omanyiddwa mu Youth With A Mission. Yali ayogera ku nsonga y'obunnabbi, naye ebigambo bye byandikwatidde bulungi ku mbeera yange ey'okuwulira eddoboosi lya Katonda.

Yagamba nti buli lwe ofuna ekigambo eky'obunnabbi, kiteeke mu ddaawa ey'emmanga oggaleeko emabega ku ddaawa! Tekyakuweebwa okukulunjanya, kyakuweebwa okuzimba okukkiriza kwo.

Walijja ekiseera lw'oliyetaaga okujjukira, oboolyawo mu mbeera enzibu, nti Katonda ye yawa ekigambo ekyo. Olyoke obeere n'obwesige nti ye yakutuusizza mu kifo kino, era mazima ddala asobola okukuyisaamu.

Nzikiriza nti bino bigambo bya magezi nnyo, ebyetaagisa ennyo mu nnaku zino ez'obunnabbi obw'obuntu obungi obukolerwa okuva ku bituuti eby'olwatu. Waliwo abakkiriza bangi nnyo abeeraliikirira olw'ebigambo eby'okumanya n'obunnabbi ebikolebwa ku bo, nga waliwo obujulizi butono obw'okutuukirira kwabyo, era nga waliwo obuvunaanyizibwa butono eri abo abakoze ebigambo ebyo. Ekirabo eky'Omwoyo ekyetaagisa ddala leero kye ky'okwawula.

Obwesige bwange mu Mukama tebuzimbiddwa ku byanfuukako bino ebitera obutaba wo, wabula, buzimbiddwa ku bwesige nti ye yankulembere buli lunaku nga nnywezezza omukono gwe. Sirina kwetaaga kuwulira ddoboosi lye eriwulikika, naye kikulu nti omwoyo gwange gugatta n'ogwe alyoke ankulembere.

Okusaba Awamu Emu ku mikisa emikulu gye nnafunu guli mu ludda olw'okusaba awamu. Bwe nnali omukkiriza omuto, essaala nnyingi ez'okusaba nnazisanga nga zikooya kubanga emirundi mingi waabangawo essaala ezeeddibwamu era nga waliwo obujulizi butono obwa Katonda okwanukula. Ebintu byakyuka Mukama bwe yatandika okukola omulimu ogw'ekitalo mu bavubuka b'ekkanisa yaffe. Abavubuka bano abasajja n'abakazi baatandika okusabira bannaabwe mu ngeri ey'ekitalo. Bwe kyagenda kirabika, baali bawulira okukubirizibwa okw'omunda okwa Mukama mu bintu bye baali basaanidde okusabira. Nnatandika okutegeera amaanyi agali mu kusaba awamu abo abasaba bwe baba bawulira eddoboozi ly'Omusumba awamu.

Nnali nkulembera essomero lya Missions Bridge, omuli ekigendererwa kyaffe kyali kufuula abakkiriza abaali baagala ennyo abayigirizwa n'okubawa 'obumanyirivu' obw'obweereza mu ggwanga erikulaakulana, oba ery'ensi eya kusatu. Ekiro kimu omulamwa gwaffe gwali gwa kusaba awamu, bwe ntyo ne nnyigiriza abayizi ekkumi n'ababiri enkola gye nnali nayigidde mu kkanisa yange ey'oluberebereye. Twasirisa emitima gyaffe mu ssaala ey'obusirifu ne nsoma zabbuli ey'okufumiitiriza.

Abayizi ne balagirwa okufumiitiriza mu busirifu okumala eddakiika kkumi na ttaano ezaddirira nga bakozeza zabbuli ng'omusingi gw'okufumiitiriza kwabwe. Ku nkomerero y'eddakiika ekkumi n'ettaano — ekiseera ekiwanvu nnyo eri abasinga obungi ku ffe abatamanyiira nkola ng'eyo — ne nsaba buli muntu okutubuulira ebirowoozo bye. Baali ba kunnyonnyola ebifaananyi byonna, okwogera ku migeri gyonna, oba okwogera Byawandiikibwa byonna bye baali bafunye, awatali kugezaako kuvvuunula birowoozo byabwe.

Nga buli muntu ategeeza ebirowoozo bye, ne ntandika okunoonya enkola egenda gy'emu.

Mukyala wange, Anne, ye yasembayo okwogera. Si wa byanfuukako bya Mwoyo, naye ekiro ekyo yayogera ku kulaba okwolesebwa okw'emeeri enjeru ng'eseeyeyya ku mazzi amaddugavu okumpi n'olubalama lwa Victoria, ate nze nnali ndabye ekire ekiddugavu nga kiggwako ku kibuga ne kyeeyoleka emeeri enjeru ku mazzi gaakyo!

Nnafunza ebirowoozo byabwe n'ebigambo ng'ebino: "Kirabika tulina emiramwa ena egiyita mu kufumiitiriza kwaffe. Abamu ku mmwe boogedde ku gavumenti zaffe, ez'eggwanga n'ez'essaza, abantu baffe ab'obuzaaliranwa n'emeeri eno; neebuza engeri gye tusaanidde okusabamu."

Ekiro ekyo emikwano gyaffe ebiri egyagalibwa gyali gijjidde okukyalira Anne nange nga tetusuubidde era ne kaakati nga gituudde ku mbiriizi z'ekibiina. Robin ne Anne Jones baabeeranga waggulu ku kizinga, naye baali bamaze ekiro mu Victoria, nga beetaba mu kibiina kino ekyo Mission Bridge, wadde nga si ng'abayizi. Anne n'ayogera nti, "Gareth, nsonyiwa okweyingiza, naye ndowooza Robin alina ekintu ekisikiriza ennyo eky'okugabana."

Nnayita Robin okwogera bw'aty n'atubuulira ensonga lwaki baali mu Victoria ekiro ekyo. "Mu ttumbi, nnaabeera ku kisaawe ky'ennyonyi mu Victoria n'abasajja ba pulitiika babiri ab'ekitundu (ab'essaza), nga tulamusa abasajja ba pulitiika babiri ab'eggwanga abajja okwogera ku kugula emeeri. Eno ejja kukozezebwa okukulaakulanya obuweereza eri abantu ab'obuzaaliranwa abali mu buvunaanyizibwa bw'embuga z'amateeka. Mu kifo ky'okuteeka mu kkomera abo abasooka okusobya, twagala okutandika obuweereza obw'Ekikristaayo obw'okubatwala ku nnyanja okumala ebbanga lya wiiki ssatu, nga tubatendeka mu bumanyirivu bw'okuvuga emeeri era nga tubayigiriza emisingi gy'Ekikristaayo. Kino kijja kusasulwa awamu gavumenti y'essaza n'ey'eggwanga."

Twali tuwulidde okuva eri Katonda! Yali atubikkulidde omutima gwe, era twali tumanyi engeri y'okusaba. Ekibiina kya Mission Bridge ekyo kyasaba obuweereza obwo ne butandikawo, kubanga yali atuwadde okukkiriza okusaanira okwetaaga.

Abaebbulaniya 11

Obanga Abaebbulaniya 11 tekyawandiikirwa nga olukalala lw'abasajja abazira mu kukkiriza, kale ekigendererwa kyakyo kiki? Lwaki Omwoyo Omutukuvu, omuwandiisi w'Ebyawandiikibwa byonna, yateeka essuula eno wano?

Nga bwe kiri mu nsonga zonna ez'okutaputa Ebyawandiikibwa, kitwetaagisa okulowooza ku bimwetoolodde mu bigambo. Okutuusa ku Abaebbulaniya 10:18, omuwandiisi abadde awandiika ku mpisa n'ebigendererwa eby'endagaano ey'Endagaano Enkadde, amateeka, yeekaalu, ne ssaddaaka. Bino bigeraageranyizibwa n'ebintu ebisingako obulungi ebisangibwa mu Kristo.

Tulina obulokozi obusingako (Abaebbulaniya 2), omuwi w'amateeka asingako (Abaebbulaniya 3), okuwummula okusingako (Abaebbulaniya 4), Kabona Asinga Obukulu asingako (Abaebbulaniya 5), endagaano esingako (Abaebbulaniya 8), ekisuubizo ekisingako (Abaebbulaniya 8), ne ssaddaaka esingako (Abaebbulaniya 9).

Okutandikira mu Abaebbulaniya 10:19, omuwandiisi ayanjula omulamwa omuggya.

“Kale, abooluganda, nga bwe tulina obuvumu okuyingira mu bifo ebitukuvu olw'omusaayi gwa Yesu... tusembere n'omutima ogutuufu mu bukakafu obujjuvu obw'okukkiriza... tunywerere ku kwatula okw'essuubi lyaffe awatali kusagaasagana... era tulowooze engeri gye

tunaakubirizaganamu okwagalana n'ebikolwa ebirungi" (Abaebbulaniya 10:19, 22-24).

Kaakano awandiika okussa essira ku mpisa y'obulamu erisaanira okuba eya abo abamaze okufuna 'ebintu ebisingako obulungi' ebisangibwa mu Kristo.

"Naye mujjukire ennaku ez'edda, bwe mwamala okumulisibwa, bwe mwagumira okulwana okuzibu n'okubonaabona... kale temusuula buvumu bwammwe, obulina empeera ennene. Kubanga mwetaaga okugumiikiriza, ne bwe mumala okukola Katonda by'ayagala mufune ekyasuubizibwa.

Kubanga, "Ekiseera kitono nnyo, n'oyo ajja alijja, taalirwe; naye omutuukirivu wange anaabeeranga omulamu olw'okukkiriza, era bw'anaddayo emabega, emmeeme yange teesanyukirenga mu ye." Naye ffe tetuli ba abo abaddayo emabega ne bazikirira, wabula ba abo abalina okukkiriza ne bawonya emmeeme zaabwe" (Abaebbulaniya 10:35-39).

Essuula eddako yawandiikibwa okutuwa ebyokulabirako eby'okubeera omulamu olw'okukkiriza.' Ekyewuunyisa nti Kalebu, Erisa ne Danyeri tebaliimu, so nga Musa (omussi), Saala (eyaseka ku kisuubizo kya Katonda), ne Lakabu (omulimba) baliimu. Tekyetaagisa muntu wa mwoyo mukulu nnyo okutambula olugendo lw'okukkiriza. Buli muntu yenna, ka abe n'obukulu bw'omwoyo obuli bwonna, asobola okutandika olugendo luno olusanyusa olw'okutambula mu kukkiriza leero, kubanga awatali kukkiriza tekisoboka kusanyusa Katonda. Ekyokulabirako ekirala eky'ekisa kya Katonda ekyewuunyisa!

"Kaakano okukkiriza kwe kukakasa kw'ebintu ebisuubirwa, obukakafu obw'ebintu ebitalabika" (Abaebbulaniya 11:1). Tumaze dda okulowooza ku lunyiriri olusooka nga ennyinnyonnyola y'okukkiriza, ekirabo, era ekibala.

"Kubanga olw'okwo abantu ab'edda baaweebwa obujulizi obulungi" (Abaebbulaniya 11:2). Abasajja n'abakazi ab'edda, abaatambula mu

kukkiriza, baalina obujulirwa obulungi, ettutumu eddungi. Abalala baabatunuulira ne bategeera nti abantu ng'abo baatambula ne Katonda. Waaliwo ebyokuyiga mu kwetegereza engeri Katonda gye yakolamu mu bulamu bwabwe. Mu ngeri y'emu, n'obulamu bwaffe busaanidde okuba obujulizi obw'okukkiriza - nga bulaga engeri Katonda gy'atulunjamya n'okugonda kwaffe eri obulunjamya obwo. Ensi teyagala kuwulira bigambo byaffe eby'okukkiriza kubanga gye bali si bya magezi. Baagala kulaba obujulizi obw'obulamu bwaffe.

Tetwayitibwa kuyimirira mu nsi nga tuwa obujulizi eri Kristo; twayitibwa kuyimirira mu Kristo nga tuwa obujulizi eri ensi.

“Olw'okukkiriza tutegeera nti ebintu byonna byatondebwa n'ekigambo kya Katonda, ne kiba nti ekirabika si kyakolebwa mu bintu ebirabika.” (Abaebbulaniya 11:3). Amadiini gonna galina ebyafaayo byago ku ngeri ensi gye yatondebwamu.

Omusingi gw'okukkiriza kwaffe guli mu Katonda ataatondebwa eyayita ebitonde byonna okubaawo n'Ekigambo kye. Kino kisukka okutegeera kw'omuntu n'okunnyonyola kwa ssaayansi. Ssaayansi ky'esobola kyokka kwe kunoonyereza ku ebyo ebiriwo dda n'eyimirira ng'ewuniikiridde bw'ekakasa amazima g'ebyo ebyawandiikibwa! Kisoboka kutegeera kwokka Katonda bw'awadde okubikkulirwa okw'omunda, okukkiriza okutusobozesa okukkiriza. Kino tekidda mu kifo ky'amagezi, kiri waggulu w'amagezi gonna, “kubanga buli asemblera eri Katonda kimugwanira okukkiriza nti gy'ali era nti awa empeera abo abamunoonya” (Abaebbulaniya 11:6).

Kaakano tujja kutandika okulowooza ku buli omu ku abo abayitibwa mu Abaebbulaniya 11 okulaba engeri Mukama gye yabalunjamya mu lugendo lw'okukkiriza. Nga nsinziira ku ndowooza nti Omwoyo Omutukuvu mu bwegendereza yalunjamya omuwandiisi we omuntu mu kulonda abantu abayitibwa, neekaabira okusoma ebisukka ku bigambo

okulaba emisingi gy'okutambula ne Katonda gy'alaze mu byokulabirako bino. Nsanyuka nnyo nga ndaba amazima amakulu ag'Okukkiriza nga gabikkulwa.

Nsaba nti essuula ezijja zijja kukusanyusa nga tuzeekeenneya ffenna. Omuwandiisi Omutukuvu ayogere eri emmeeme yo ku ebyo by'awandiise wano.

Kayini ne Aberi

“Olw’okukkiriza Aberi yawaayo eri Katonda ssaddaaka esinga eya Kayini obulungi, era olw’ekyo n’ategezebwa nga mutuukirivu, Katonda ng’amutendereza olw’okukkiriza ebirabo bye. Era olw’okukkiriza kwe, newankubadde yafa, akyayogera” (Abaebbulaniya 11:4).

Olugero olwo olusooka olwa Kayini ne Aberi lusangibwa mu Olubereberye 4:1-8.

Ekibuuzo ekitera okubuuzibwa mu bibuuzo eby’omu Ssomero lya Ssabbiiti kye kino, “Ani eyasooka okuyiwa omusaayi?” Tewali nsonga ya maanyi etuleetera okukkiriza nti Adamu teyatta nsolo okufuna emmere, naye okuyiwa omusaayi okwasooka okuwandiikibwa kwe kuli okwa Aberi eyayiwa omusaayi gw’omwana gw’endiga. Abayizi, olw’obunyiikivu bwabwe okuddamu, batera okugamba nti eyasooka ye Kayini eyayiwa omusaayi gwa muganda we mu kikulwa eky’obussi.

Kayini yali mutabani wa Adamu ne Kaawa omubereberye. Nnyina yasanyuka nnyo. Mazima ddala oyo ye yali ‘ezzadde’ Katonda lye yasubiza mu kulangirira kwe okulwanyisa omusota ogwamulimba (Olubereberye 3:15). Yamutuuma Kayini — ekitegeeza “effumu” — ng’agamba nti “Nfunye omusajja okuva eri Mukama.” Amangu ago n’ategeera ensobi ye bwe yakula ng’alina engeri z’omwana omulala yenna eyandizaaliddwa; oboolyawo yali mukujjukujju nga bwe kityo!

Omwana omulala n’azaalibwa gwe yatuuma Aberi — ekitegeeza “obutaliimu” — ng’ategeera nti olutalo lwali terunaakoma amangu nga bwe

yali alowoozezza. Okusuubira okwo kwali kwa bwereere. Kirabika waaliwo okubaawo ‘ezzadde’ eddala, kale ani ku bo eyandibadde oyo eyandifumise omutwe gw’omusota?

Emyaka gyayitawo nga mu kiseera ekyo tewali kussa kimu na Katonda, tewali kusinza, wabula okuwulira okuzitoowererwa olw’omusango mu bazadde, n’okubuuza n’okwegomba okweyongera mu batabani ababiri. Nsobola okuteebereza obulamu bwabwe mu nnaku ezo ez’olubereberye, ebweru w’ebisenge, era nkiraba nga babuuza bazadde baabwe ku lusuku ne bakerubi abaali bakuuma omulyango gwalwo. Neebuuza obanga Adamu oba Kaawa baali basobola okubuulira batabani baabwe ku ebyo ebyabaawo munda w’ebisenge ebyo — kyandibadde kigambo ekitali kya kwagala kujjukira! Kyokka, buli kiseera mu muntu mwabeeranga okwegomba okusinza, ka kibe Katonda Omulamu oba omu ku bakatonda abangi abakiikirirwa mu nnono ez’enjawulo ez’eddiini ez’ensi. Kayini ne Aberi tebandibadde ba njawulo.

Abalenzi bwe baakula, baayagala ebintu eby’enjawulo. Kayini yalima ettaka n’afuuka omulimi w’ettaka, ng’akola ebimuli ebirungi, enva, ebibala, n’ebiragala. Yagoberera kitaawe eyafuba mu nnimiro ennaku zonna ez’obulamu bwe. Mutabani omuto, Aberi, yafuuka omusumba, ng’atambulatambula n’ebisolo nga binoonya omuddo omulungi.

Kayini ye yasooka okulowooza okuleeta ekirabo eri Katonda. Tetumanyi kigendererwa kye, naye tewali nsonga etuleetera okukkiriza nti kino kyali kintu kya wansi w’ekiweebwayo eky’amazima, eky’okwebaza (olulimi Olwebbulaniya lwandikakasizza ekyo). Oboolyawo waaliwo essuubi nti Katonda ayinza okumulaga ekisa n’amukkiriza okuddayo munda mu lusuku. Yandiitutte wa ekibbo ky’ebibala bye yali anaazizza, azigudde, era ateketeese n’obwegendereza bungi bwe kityo? Oboolyawo eri omulyango ogwakuumibwanga bakerubi. Ekibbo kyalabika kirungi nnyo n’amabala

gaakyo ag'enjawulo n'akaloosa kaakyo. Yassa ekibbo mu maaso ga malayika nga muganda we alaba.

Muganda we Aberi yeebuuza kye yandireese ng'ekiweebwayo eri Katonda.

Teyayagala kulekebwa nga bw'okuba nga waliwo akakisa akonna okusanyusa Katonda, naye teyalina bibala birungi kya kuleeta. Mazima ddala teyalina kintu kye yafuna n'entuuyo z'ekyenye kye. Ekyo kye yalina kwali nte ezimu, embuzi n'endiga.

Olw'okukkiriza yawaayo ssaddaaka esinga obulungi. Ekyo kitegeeza ki?

Tusoma nti "Okukkiriza kuva mu kuwulira, n'okuwulira kuva mu kigambo kya Katonda" (Abaruumi 10:17). Kirabika, Katonda yayogera ne Aberi. Nzijukizibwa ebigambo bya Yesu bye yagamba Peetero ku lusozi Kerumooni, ebyawandiikirwa mu Matayo 16:17 nga bigamba nti, "Oweereddwa omukisa... kubanga omubiri n'omusaayi tebyakubikkulidde kino, wabula Kitange ali mu ggulu."

Eddoboozi lya Katonda teryali ddoboozi lya kubwatuka, so si ddoboozi eritegeerekeka mu mubiri, wabula lyawulirwa mu ddoboozi ery'omunda eriwulirwa emmeeme, era eritera obutamanyibwa nga lya Mukama.

Aberi, mu kuddamu eddoboozi ery'omunda, yasalawo nti, "Nnaaleeta omwana gw'endiga. Omwana gw'endiga omuto, ogw'olubereberye. Nnaagutta, nguwaate, era nguleete n'amasavu gaagwo." Bw'aty, yawaayo ekiweebwayo kye mu maaso ga malayika ku mulyango. Okukkiriza kwe kwalabikira mu kugondera eddoboozi ery'omunda.

Ekikolwa ekiddako kya Katonda. Ye yakulemba abasajja bombi wano kubanga ayagala okubayigiriza — naffe — ensonga enkulu ez'obulamu obutuukirivu. "Yassaayo omwoyo eri Aberi n'ekiweebwayo kye, naye eri Kayini n'ekiweebwayo kye teyakissaayo mwoyo" (Olubereberye 4:4).

Amaanyi Agazikiriza ag'Okunyiiga. Abasajja bakulu nga bwe kityo n'ebiweebwayo byabwe bwe biri. Katonda amanyi omutima gw'omuntu era

amanyi omuntu gw'ayinza okwesiganya okubikkulirwa kwe n'okukubirizibwa kwe.

Yagamba Musa nti yamanyi erinnya lye (empisa ye) era kyeyandivudde okubikkula erinnya lye (empisa ye), n'ekitiibwa kye eri Musa (Okuva 33:12-34:8). Simooni bwe yalangirira nti Yesu ye Masiya, mukama we yategeera nti okumanya okwo kwali kuvudde mu kubikkulirwa okuva eri Katonda. Newankubadde yatera okwogera nga tekituuse era yalina okusoma okutono ennyo, omutima gwe gwali mulungi, kale Katonda n'amuwa okubikkulirwa.

Ng'amanyi nti kino kyali bujulizi ku mpisa ye, Yesu yamutuuma erinnya eppya Peetero — ekitegeeza, “olwazi.” Katonda atulaba atya emitima gyaffe? Alaba empisa erimusanyusa?

Erinnya ki lye yandikuwadde? Alaba omuntu gw'ayinza okubikkulira ekitiibwa kye, ng'amanyi nti tojja kwenyweza kimu ku kitiibwa ekyo? Alaba omuntu alina omutima omulongoofu, gw'ayinza okwebikkulira (Matayo 5:8)? Omutima omulongoofu gussa essira ku kimu kyokka, so si ogwonoonebwa okwagala ebintu eby'ensi.

Kayini teyakola nsobi mu kuleeta ekiweebwayo kye eri Katonda. Mu butuufu asaanidde okutenderezebwa olw'ebikolwa bye; kyokka, Katonda yamanyi nti mu Kayini mwali obusobozi obw'okunyiiga okutuusa mu kibi.

Okunyiiga kokka si kibi. Yesu yanyiiiza Abafalisaayo, abawandiisi, n'abamu ku mikwano gye, naye nga tazze na kibi. Kyokka, kiri kyokulwanyisa ekikozesebwa nnyo Setaani okubba abakkiriza obuwanguzi bwabwe, era kifuuse ensibuko y'okwawukana kw'ekkanisa okusinga ekintu kirala kyonna mu byokulwanyisa bye. Eky'ennaku, abantu abeeyongera obungi bava mu ttale ery'olutalo olw'omwoyo olw'okuba banyiiizibbwa. Ensonga esooka lwaki ababaka bava mu ttale n'abasumba bava mu bulili bwabwe si nsimbi, so si bulwadde, so si buzibu bwa viza oba lulimi, wabula lwa kuba nti bo, oba omuntu gwe bakolera awamu, banyiiizibbwa.

Kuno kwe kunyweza mu bufunze ebyokulabirako bitaano eby'Ebyawandiikibwa eby'abantu abaanyizibwa n'ekyo kye kyabaviirako.

1. Mu Matayo 13:20-21 omuntu anyizibwa Ekigambo. Okugeza, tebaagala kuyita kwakyo okw'okwewaayo, ekyavaako ekibala eky'omwoyo tekyabaawo (Abaggalatiya 5:22-23).

2. Mu Matayo 13:53-58 obumanyirivu buzaala okunyooma: baanyizibwa (Matayo 13:57)! Ekyavaako, tewaali buweereza bwa magero. Tewaali kuddibwamu kwa kusaba, so si kubikkulirwa.

3. Mu Matayo 26:6-10 abayigirizwa (naddala Yuda) baanyizibwa (Yokaana 12:4 ne Matayo 26:8). Ekyavaako, tewaali bwesige, era Yuda n'afuluma okulyamu mukama we olukwe (Matayo 26:14).

4. Mu Matayo 26:31-35 abayigirizwa baanyizibwa kubanga tebategeera. Ekyavaako, tewaali bujulizi.

Peetero, "olwazi," amenyekera mu maaso g'akawala akato.

5. Mu Yokaana 6:51-61 abayigirizwa baanyizibwa olw'okuyita kwa Yesu okw'okwewaayo. Ekyavaako, tewaali kussa kimu oba obumu. "Okuva mu kiseera ekyo, bangi ku bayigirizwa be baadda emabega, ne batak yatambula naye" (Yokaana 6:66).

Katonda yandisoomozezza Kayini nga Yesu bwe yasoomooza abo be yayagala. Yokaana Omubatiza yanyizibwa Yesu bwe yatamukyalira mu kkomera, ne Malyamu n'anyizibwa naye kubanga teyayanguwa kuziyiza kufa kwa Laazaalo (Matayo 11:2-6 ne Yokaana 11:1-35). Mazima, nandigambye nti ensonga lwaki Yesu yakaaba yali lwa ngeri gye yayogera naye bwe yali akomawo okumulaba ebweru wa Besaniya. Yakozesa ebigambo bye bimu nga muganda we Maliza bwe yakozesa, "Mukama, singa wali wano, muganda wange teyandifudde" (Yokaana 11:32), naye okuddamu kwa Yesu kwali kwa njawulo nnyo. Mazima ddala, teyakaabira Laazaalo, so si abakungubazi ab'omulimu, kubanga yali amanyi embeera

yaabwe okuva lwe yasalawo obutajja ku kuyita kwabwe okusooka. Era yali amanyi nti mu ddakiika ntono bonna bandisanyuse ku Kuzuukira.

Mukama akkiriza okunyiiga okujja mu bulamu bwaffe okutuyigiriza ekintu ku ffe fennyini, ku mbeera z'emitima gyaffe.

Bwe tukkiriza okunyiiga okufuuka ekibi, tulaga empisa Katonda gy'atalibikkulira, so si okukubirizibwa okw'okukkiriza.

Amaanyi ag'Omusaayi ag'Okutangirira. Ekyokubiri, Katonda yassaayo omwoyo eri ekiweebwayo kya Aberi, naye si eri eky'a Kayini. Abamu bagambye nti kino lwa kuba nti Kayini yandimanyi nti okusembera eri Katonda, kimusaanira okuyiwa omusaayi gw'omwana gw'endiga, naye yandikimanyi atya? Ate era teyalina ndiga — zaali za Aberi. Nzikiriza nti engeri eyo ey'okulowooza ekyusa entegeka entuufu, ng'essa eky'oluvannyuma mu maaso. Katonda yalonda ekiweebwayo kya Aberi okuyigiriza bo, naffe, ekyo ekyali tekimanyiddwa emabega. Ekkubo lyokka omuntu ly'ayinza okusembererako Katonda kwe kuyita mu musaayi ogwayiibwa ogw'omwana gw'endiga. Tewaali kibi ku kiweebwayo kya Kayini, naye Katonda yalonda eky'a Aberi. Mazima, oluvannyuma, Katonda bwe yandise ebiweebwayo eby'enjawulo ku nnaku z'embaga z'abantu be, ebibala eby'omu nnimiro byali kiweebwayo ekikkirizibwa nnyo (Ebyabaleevi 6:14-23).

Okuyita mu Ndagaano Enkadde yonna, tusoma ku Katonda ng'agolola omukono gwe eri ebitonde bye ng'anoonya okubikomyawo mu bumu naye. Asanga batono ab'emitima emirongoofu mu maaso ge okutuusa, ku mataba, bwe yasangula bonna okuggyako amaka gamu ag'abantu munaana okuva ku nsi. Oluvannyuma n'alondawo abantu ab'enjawulo abaabuwe era n'abibikkulira ky'ayagala mu Amateeka Ekkumi. Beeraga nga tebasobola butuukirivu obwetaagisibwa Amateeka ago, kale n'abikkula engeri gy'anaakola ku bwonoonyi bwabwe.

Ku ngeri zonna ez'obutali bulongoofu, omusaayi gwali guteekwa okuyiibwa. Kino kyali kya mazima naddala ku lunaku olukulu olw'Okutangirira olwa buli mwaka, ebibi by'abantu n'eby'eggwanga lwe byalibikkibwako okumala omwaka omulala. Wakati mu mikolo egy'ekitiibwa n'ennono, omwana gw'endiga gwaddibwanga. Gwali guteekwa okuba 'nga teguliiko bbala,' omusajja ogw'omwaka gumu. Omusaayi gwagwo gwayiibwanga mu bbeseni ne gutwalibwa Kabona Asinga Obukulu munda mu kifo ekitukuvu ennyo eky'omu weema oba yeekaalu, gye gwaweebwangayo mu maaso ga Katonda. Eggwanga lyonna lyalindirira nga liziyizza omukka nga lisuubira nti Katonda anaakkiriza ssaddaaka eno okumala omwaka omulala. Essanyu lyandibadde ddene nnyo Kabona Asinga Obukulu bwe yaddangayo gye bali nga tafiridde. Katonda yali asanyuse nate okubakkiriza ng'abantu be!

Ennono zino ez'Endagaano Enkadde zaali kisiikirize kyokka eky'ekyo ekyatuukirizibwa mu kufa kwa Yesu, Omwana gw'Endiga owa Katonda, ku musaalaba ogw'e Kalvali; kyokka, teyayiwa musaayi gwe ebibi byaffe bibikkibweko okumala omwaka omulala. Okufa kw'omwana gw'endiga omutuukirivu kwali kwa kuggyawo ddala ebibi byaffe, nga ebuvanjuba bwe buli ewala okuva ebugwanjuba, mu buziba bw'ennyanja (Zabbuli 103:12). Eri abo abateeka obwesige bwabwe mu mulimu ogwamalizibwa ku Kalvali, tewakyali kusilirwa musango wabula okuyingira mu maaso ne mu kussa kimu na Katonda. Olusuku Olw'essanyu luzzeeyo!

Okuddamu kwa Kayini. Omutima gwa Kayini gwabikkulwa. Yali munyiivu nnyo, n'amaaso ge ne gakwata wansi. Mukama n'amubuuza lwaki anyiize era n'amubuuza ekibuuzo eky'ekitalo. "Bw'onookola obulungi, tojja kukkirizibwa? Ate bw'otokola bulungi, ekibi kigalamidde ku mulyango; okwegomba kwakyo kuli mu ggwe, naye osaana okukifuga" (Olubereberye 4:7).

Kirabika, Kayini yali tannonoona! Tewaali kibi mu kusembera kwe eri Katonda so si mu kiweebwayo kye. Endowooza ya Kayini yali mbi, okunyiiga kwe kwali kubi, naye ekibala ky'ekibi kyali tekinnajja.

Yalina okuwangula okukemebwa kw'ekibi n'akola obulungi; kyokka, yalemererwa. Aberi attibwa era Kayini agobebwa, wabula ng'alina akabonero ka Katonda ak'okukuuma ku ye.

Mu kulowooza ku lugero luno, abannyonnyozi Abayudaaya balina okutegeera okw'ekitalo ku kibuuza Katonda kye yabuuza. Bakiraba ng'okwogera okusooka ku kuwaayo ekimu eky'ekkumi! Ekiweebwayo kya Kayini tekyakkirizibwa kubanga yali 'tagabanyizza bulungi' ebibala bye.

Bavvuunula Olubereberye 4:7 nti, "Singa wagabanya bulungi, ekiweebwayo kyo tekyandikkiriziddwa?"

Obufunze. Nga bwe nsoma olugero lwa Kayini ne Aberi mu ngeri ey'okukkiriza, ndaba Mukama ng'atuyigiriza ensonga zino: 1. Okusembera eri Katonda Omutukuvu kuli kwokka kuyita mu musaayi ogwayiibwa ogw'omwana gw'endiga, ekifaananyi ekituukiridde eky'Omwana gw'Endiga owa Katonda ajja, Yesu.

2. Katonda amanyi omutima gw'omuntu era ajja kwebikkula eri abo bokka abalina omutima omulongoofu.

3. Katonda akkiriza okunyiiga okujja okutuyigiriza ku busobozi obw'omutima gwaffe okwonoona.

Enoka

“Olw’okukkiriza Enoka yatwalibwa aleme okulaba okufa; teyalabika, kubanga Katonda yamutwala; kubanga nga tannaba kutwalibwa yaweebwa obujulizi nti asanyusa Katonda.”

(Abaebbulaniya 11:5).

Ebyafaayo bya Enoka biwandiikiddwa mu bufunze ennyo mu Olubereberye 5:18-24.

Ekibuuzo ekirala eky’omuzannyo gwa Bayibuli eky’abaana kigamba nti, “Ani eyawangaala okusinga abantu bonna abaali baabaddewo ku nsi?” Ye Mesuseera, mutabani wa Enoka!

Enoka yabeera ku nsi emyaka 365, ng’atambulira wamu ne Katonda okutuusa lwe ‘Katonda yamutwala.’ Okutambula kuno ne Katonda kwali kutambula kwa kukkiriza, so nga awatali kukkiriza tekisoboka kusanyusa Katonda (Abaebbulaniya 11:6).

Yamanya ekitegeeza okussa ekimu okumpi n’Omutonzi we, okuwulira eddoboozi lye n’okumanya obulagirizi bwe.

Ng’obussakimu obwo bwali buwoomerevu nnyo! Newankubadde nga Enoka yalaga akabonero k’okugwa kwa Adamu ne Kaawa, yeeyongera okwenyumiririza mu kubeerawo kwa Katonda. Ne leero, ne bwe kirabika ng’ebituwetooloodde byonna byoonese, n’obubi ne bulabika ng’obuwangudde, omwana wa Katonda atambulira ku kukkiriza asobola okusigala n’obussakimu obuwoomerevu ne Mukama we.

Ebyafaayo bijjudde ebifa ku bakkiriza abaali mu mbeera ez'obuzibu obungi ennyo, naye obujulizi bwabwe nga bumasamasa kubanga baamanya okubeerawo kwa Katonda.

“Olw'okukkiriza Enoka yatwalibwa” (Abaebbulaniya 11:5).

Kino kitegeeza ki? Mazima si nti Enoka yakkiriza nnyo nti anaatwalibwa, ne kiba nti Katonda amukoledde ekyo!

Wabula, kyali kikolwa kya Katonda ow'obuyinza obungi ekyamutwala, okusobola okutuyigiriza amazima amakulu!

Essuubi ery'Okuzuukira Musingi ki ogwa Bayibuli gwe tuyinza okuyiga okuva mu byafaayo bino ebimpi ogulina amakulu gye tuli leero?

Mu bweyeya, waliwo omusingi ogw'obulamu obutaggwaawo .

Eri abo abatambulira wamu ne Katonda mu kukkiriza, waliwo ekisuubizo eky'Okuzuukira, oba okusitulibwa mu kudda kwe okwokubiri, okutuusa mu bulamu obutaggwaawo. Pawulo ne Peetero bombi, bwe baayimirira mu maaso g'abantu, baalangirira nti lino ly'essuubi ery'abakkiriza bonna. Ddala, Pawulo yamanya nti kino kye kyavuddeko okuyigganyizibwa kwe. “Mpozesebwa olw'essuubi n'okuzuukira kw'abafu” (Ebikolwa 23:6). Amadiini amalala gayinza okuyigiriza okuddamu okuzaalibwa, oba obulokozi obwesigamiziddwa ku bikolwa eby'obutuukirivu; naye obubaka bwaffe tebusagaasagana mu kulangirira Okuzuukira okutuusa mu bulamu obutaggwaawo eri bonna abatambulira ne Katonda mu kukkiriza.

Essuubi lino Pawulo ne Peetero, n'abatume bonna, lye baali beetegefu okufirira, lyesigamiziddwa ku mazima — nga bwe kiri essuubi lyonna ery'Ekikristaayo, obutafaanana na masuubi ag'ensi. Ka nkujjukize nti essuubi ery'Ekikristaayo lisinga kunnyonnyolwa nga “okusuubira n'okwegomba ekyo ekikakafu.” Essuubi lyaffe ery'Okuzuukira lisibuka mu mukolo ogusinga byonna ekitiibwa mu byafaayo byonna; Okuzuukira kwa Yesu okuva mu bafu.

Omuntu bw'atunuulira mu bwesimbu ebyafaayo byonna, endowooza, n'endowooza ez'enjawulo ku Ssande eyo eya Pasaka esooka, atekwa okutuuka ku kusalawo nti amazima agasinga okukakasibwa mu byafaayo byonna gwe nti Yesu ow'e Nazaaleesi, bwe yamala okukomererwa ku musaalaba ogw'Abaruumi, n'aziikibwa mu ntaana eyeeyazikibwa, yazuukira okuva mu bafu, n'adda mu bulamu obuggya.

Yalabikira abayigirizwa n'abalala bangi. Omutume Pawulo awandiika nti ab'oluganda abasukka mu 500 baali bajulizi ba maaso ku bulamu bwe obuggya, era nga bumpi bonna baali bakyali balamu okukakasa ekyo mu kiseera omutume we yawandiikira, emyaka mingi oluvannyuma. Abasajja bano tebaalina kya kugobolola mu kuyimirira ku bulimba, ate nga baali bayinza okufiirwa buli kimu olw'okunywerera ku mazima. Waaliwo okuyigganyizibwa okunene eri abakkiriza, era bangi ku bo baafiirwa obulamu bwabwe kubanga baagaana okwegaana ekyo ekyali amazima gye bali.

Obulombolombo bututegeeza nti buli omu ku batume, okuggyako Yokaana, yattibwa olw'ekyo kye baamanya— nti Yesu yazuukira okuva mu bafu!

Kaakano baategeera kye yali ategeeza bwe yabayigiriza nti, “Ekiseera kitono, n'ensi teerinnyongera kundaba; naye mmwe muliraba; kubanga nze ndi mulamu, nammwe muliba balamu” (Yokaana 14:19). Lino lye lyali essuubi lyabwe — okusuubira n'okwegomba ekyo ekikakafu — era ekisuubizo ekyalabikira mu bujulizi bwa Enoka.

Okuzuukira kwa Yesu kwe kkalu ery'enkakafu ery'okukkiriza kwaffe okw'Ekikristaayo. Awatali kwo, tewaliiwo Kikristaayo. Eddiini ng'eyo teyandibadde ya njawulo ku ndala zonna kubanga tesobola kuwa suubi. Era kikulu olw'ensonga zino: 1. Kulaga obwenkanya bwa Katonda eyagulumiza Kristo mu bulamu obw'ekitiibwa, nga Kristo bwe yali yeetoowazizza okutuusa mu kufa (Abafiripi 2:8-9).

2. Okuzuukira kwatuukiriza ekyama ky'obulokozi n'okununulibwa kwaffe. Olw'okufa kwe, Kristo yatuwonya ekibonerezo ky'ekibi (Abaruumi 5:8), olw'okubonaabona kwe yatuwonya ekikolimo ky'Amateeka (Abaggalatiya 3:13), ate olw'Okuzuukira kwe yatuzaawo emikisa egisinga obukulu egyafiirwa olw'ekibi (Abaruumi 4:25).

3. Olw'Okuzuukira kwe tukkiriza Kristo nga Katonda atafa, ensonga ennywevu era ey'ekyokulabirako ey'Okuzuukira kwaffe ffennyini (1 Abakkolinso 15:21 ne Abafripi 3:20-21) era nga ekyokulabirako n'ensibuko y'obulamu bwaffe obuggya obw'ekisa (Abaruumi 6:4-6 ne Abaruumi 6:9-11).

Obujulizi bwa Pawulo Kyali olw'essuubi lyabwe ery'Okuzuukira okutuusa mu bulamu obutaggwaawo abakkiriza ab'edda lwe baayigganyizibwa. Ebyawandiikibwa bituwandiikira obujulizi bw'omutume Pawulo ng'ayimiridde mu maaso ga bakabona abakulu n'Olukiiko ng'awozesebwa. "Mpozesebwa olw'essuubi n'okuzuukira kw'abafu" (Ebikolwa 23:6).

Olukiiko lwali lukoleddwa ebibinja bibiri ebikulu: Abafalisaayo ab'eddiini, abakkiriza mu Kuzuukira kw'abo abakuuma amateeka, n'Abasaduukaayo ab'ebyobufuzi, abatakkiriza. Nga bwe kiri, waaliwo okwawukana ku bigambo bya Pawulo, bw'aty o abaserikale ne balagirwa okuzza Pawulo mu kkomera lye.

Kaakano ne wabaawo olukwe olw'ebyobufuzi olw'ekigendererwa eky'okutta omutume, naye omuduumizi w'eggye ery'Abaruumi n'ategezezebwa olukwe olwo, bw'aty n'alagira Pawulo atwalibwe e Antipatiri, Felikisi, gavana Omuruumi, gye yalina olubiri lwe.

Mu maaso ga gavana, Pawulo n'addamu okwatula essuubi lye mu Kuzuukira, okw'abatuukirivu okutuusa mu bulamu, n'okw'abakozi b'ebibi okutuusa mu musango (Ebikolwa 24:15,21).

Olw'obutamanya kya kukola ku Pawulo oba engeri y'okusiriikiriza abaamuwawaabira, Felikisi n'amusibira mu kkomera okutuusa, nga wayiseewo emyaka ebiri, gavana omuggya, Fesuto, bwe yamusikira. Omutume n'afuulibwa eky'okwewuunyisa, ng'ayitibwa okwogera ku kukkiriza kwe 'okusiruwaza' mu maaso ga Fesuto n'abagenyi be, Kabaka Agulipa ne mukyala we Berenike. Pawulo teyeekokkola mu maaso g'abawuliriza bano. Era n'akakasa nti, "Mpozesebwa olw'essuubi lino ekkulu, Kabaka. Lwaki kirabika ng'ekitakkirizibwa gye muli, nti Katonda azuukize abafu?" (Ebikolwa 26:7-8). Oluvannyuma yandyagalibwa okulabika mu maaso ga Kayisali, era tetuubuusabuusa nti teyaddirira kuwa bujulizi bwe bumu, wadde nga kyavaako okufa kwe. Naye lwaki yanditidde okufa? Yali amaze okuwandiika nti: "Laba! Mbabuulira ekyama. Ffenna tetulyebaka, naye ffenna tulikyusibwa, mu kaseera katono, mu kutemya kw'eriiso, ku kkondeere ery'enkomerero. Kubanga ekkondeere lirivuga, n'abafu balizuukizibwa nga tebafa, era ffe tulikyusibwa. Kubanga omubiri guno ogufa gusaana okwambazibwa obutafa, n'omubiri guno ogufa gusaana okwambazibwa obutafa. Awo omubiri ogufa bwe gulyambala obutafa, n'ogufa bwe gulyambala obutafa, olwo ekigambo ekyawandiikibwa lwe kirituukirira nti: 'Okufa kumizibwa mu buwanguzi.' 'Ai okufa, obuwanguzi bwo buli ludda wa? Ai okufa, amaanyi go agalumya galuwa?' Amaanyi g'okufa ge kibi, n'amaanyi g'ekibi ge mateeka. Naye Katonda yeebazibwe, atuwa obuwanguzi mu Mukama waffe Yesu Kristo" (1 Abakkolinso 15:51-57).

Gano si mazima gaggya, wabula kyama . Buli Pawulo lw'awandiika ku kyama, aba ayogera ku mazima agaabeerangawo bulijjo, naye kaakano ge gaakabikkulwa (Abaruumi 16:25-26).

Yesu ye yasooka okwogera ku kyama ky'obwakabaka (Makko 4:11), naye Pawulo naye yakozesa ebigambo bino emirundi mingi.

Omutwe omulungi ogw'okusoma Bayibuli okw'obuntu yandibadde okwekenneenya ebiwandiiko bino: ekyama ky'Abaamawanga 'okuyingizibwa mu muti' (Abaruumi 11:25), ekyama ky'okwagala kwe (Abaefeso 1:9), ekyama ky'Abaamawanga (Abaefeso 3:3), ekyama ky'obufumbo (Abaefeso 5:32), ekyama ky'Enjiri (Abaefeso 6:19), ekyama kya Kristo mu mmwe (Abakkolosaayi 1:26-27), ekyama kya Kristo yennyini (Abakkolosaayi 2:2), ekyama ky'obutali butuukirivu (2 Abasessaloniika 2:7), ekyama ky'okukkiriza (1 Timoseewo 3:9), n'ekyama ky'okutya Katonda (1 Timoseewo 3:16).

Ekyama kino, amazima gano, essuubi lino ery'ekitiibwa ery'okuzuukira okutuusa mu bulamu obutaggwaawo, lyasooka okubikkulwa gye tuli mu bujulizi bwa Enoka.

Obufunze "Olw'okukkiriza, Enoka yatwalibwa" (Abaebbulaniya 11:5), tusobole okumanya nti tulina essuubi ery'ekitiibwa; ery'obulamu obutaggwaawo.

Kino si njigiriza ya Ndagaano Empya, wabula kibatte kitundu ku bigendererwa bya Katonda eri abantu be bulijjo.

Nuuwa

“Olw’okukkiriza Nuuwa bwe yalabulwa Katonda ku bintu ebyali bikyali ebitannalabika, ng’atya n’ekitiibwa yazimba eryato okuwonya ab’omu nnyumba ye. Olw’ekyo yasalira ensi omusango, era n’afuuka omusika w’obutuukirivu obuwa mu kukkiriza” (Abaebbulaniya 11:7).

Ebyafaayo bya Nuuwa n’eryato bisangibwa mu Olubereberye 6:5–7:24. Wano tulaba ekyokulabirako ky’omuntu eyalaba ekisa mu maaso ga Mukama. Yali muntu mutuukirivu, nga taliiko kya kunenyezebwa mu mulembe gwe, eyatambula ne Katonda (Olubereberye 6:9).

Mu Olubereberye 6:13, Katonda yayogera ne Nuuwa. Tekizibu kutegeera Mukama ky’ayagala bw’ayogera naawe.

Tekyali kizibu kukkiriza Katonda, naye Nuuwa yakola n’okusinga okukkiriza kwokka; yagondera, ng’akola byonna Katonda bye yamulagira. Kuno kwe kukkiriza! Okukkiriza okwolesebwa mu bikolwa eby’obuwulize.

Ebiragiro Nuuwa bye yaweebwa byali bya njawulo nnyo, naye yabigondera byonna. Yali tannaba kulaba mataba wadde eryato, naye ku kiragiro kya Katonda yatandika omulimu n’atawummula okutuusa omulimu lwe gwaggwa. Tetusoma ku muntu yenna, ne batabani be abaayamba Nuuwa mu mulimu guno omunene, naye bo ne bakazi baabwe be baali ba kuganyulwa mu buwulize bwa Nuuwa. Awamu, abantu munaana be baali ba kuwolezebwa obulamu bwabwe olw’ekisa kya Katonda n’obuwulize bwa Nuuwa.

Musingi ki ogw'Ekyawandiikibwa gwe tuyinza okuyiga okuva mu kyokulabirako kino eky'okukkiriza?

Eky'okuddamu ekimu ekitegeerekeka kiweebwa Yesu yennyini mu Matayo 24:37–39, gy'ayigiriza Abayudaaya ku kudda kwe okuteekawo obwakabaka bwe obwa Masiya.

Nga bwe kyali mu nnaku za Nuuwa, bwe kityo bwe kiriba mu kujja kw'Omwana w'Omuntu. Mu nnaku ezo amataba nga tegannajja, baali balya, nga banywa era nga bawasa ne bafumbirwa okutuusa ku lunaku Nuuwa lwe yayingira mu ryato. Tebaategeera kigendererwa okutuusa amataba lwe gaajja ne gabeera bonna; bwe kityo bwe kiriba mu kujja kw'Omwana w'Omuntu.

Abantu baliba tebafaayo ku bintu bya Katonda, kyeriva okusalirwa omusango omunene ne kubajjira. Abatono bokka — abaasigalawo — be baliwonyezebwa.

Waliwo omusingi ogw'obukakafu obw'omusango ogugenda okujjira ensi eno; naye amazima amalala galabika mu nteekateeka Katonda gy'atuteekedde ng'ayita mu Mwana we, Yesu. Ateekateese eky'okukozesa nga kye tuyinza okuwonyezebwa okuva mu musango ogugenda okujjira bonna abagaana okutambula naye.

Eryato litegekeddwa mu Yesu, era okuyita kuweereddwa buli anaayingira! Twebaza Mukama kubanga yagondera by'ayagala Kitaawe, wadde nga kyali kitegeeza okubonaabona okwa Gesusemane n'omusaalaba ku lusozi Gologoosa. Olw'ekisa kya Kitaawe n'obuwulize bw'Omwana, bonna abayingira bafuna obulokozi.

Nga Katonda bwe yaggalawo oluggi lw'eryato lya Nuuwa abo abanaana bonna nga bali munda (Olubereberye 7:16), bw'atyo bwe 'yatussaako envumbo' mu Mwana we ng'ayita mu Mwoyo Omutukuvu (Abaefeso 1:13). Si bukuumi bwokka obuli mu ryato lyaffe Yesu, naye eyo

tuweebwayo omukisa gwa mwoyo ogwa buli ngeri (Abaefeso 1:3). Mazima, Abaefeso essuula 1 yonna yogera ku mikisa egifaanana ng'egyo.

Mu ye: • Tufuulibwa abatukuvu era abataliiko kya kunenyezebwa (olu. 4).

- Tufuulibwa abaana ba Katonda (olu. 5).

- Tufuna ekisa kya Katonda ekingi (olu. 6).

- Tulina okununulibwa (twagulibwa okuva mu buddu) era tulina okusonyiyibwa ebibi byaffe (olu. 7).

- Katonda atulaga ekyama eky'okwagala kwe (olu. 9).

- Katonda aligatta ebitonde byonna (olu. 10).

- Tuloneddwa okubeeranga olw'ettendo ery'ekitiibwa kye (olu. 11).

- Tussibwako envumbo ey'Omwoyo we Omutukuvu (olu. 13).

Awo mu Abaefeso 2:6, Pawulo awandiika nti twazuukizibwa ne tutuuzibwa mu bifo eby'omu ggulu mu ye, Katonda alyoke alage obugagga obw'ekisa kye obutapimika mu kutulaga obulungi mu Kristo Yesu.

Obukuumi bwaffe tebuli mu busobozi bwaffe okwezimbira eryato lyaffe ffe, wadde mu bikolwa byaffe ebirungi. Obutuukirivu bwaffe ffe tebuyinza kutuyamba. Tetuyinza kudduka olw'ebigenderere byaffe wadde enkwe zaffe; wabula byonna biva mu kisa, ng'ayita mu kukkiriza. Katonda atekateese era ategese ekkubo ery'obulokozi. Atuyita okuyingiramu. Tuyinza okukkiriza, naye bwe tutagondera kuyita kwe, tetulyawona. Okukkiriza okulokola kwetaagisa okuddamu okw'obuwulize.

Ekirala, buli eyabeeranga okumpi ne Nuuwa yandimanyi eryato lino ery'ekitalo lye yali azimba. Bonna baali bamanyi ky'abuulira, naye tewaali n'omu eyayagala okwanukula okuyita kwe.

Abantu baasalirwa omusango olw'okugaana kwabwe okukkiriza ekyo ekyali kyeyoleka mu maaso gaabwe. Mu ngeri y'emu, amawulire amalungi ag'obulokozi mu Yesu tegakwekeddwa nsi ya leero, naye abantu balonda

obutaanukula kuyita; kyeriva okubeerawo kw'ekkanisa ne kikyaba kusaliza nsi musango.

Obufunze. Ebyafaayo bya Nuuwa ng'ekyokulabirako eky'okukkiriza bituyigiriza emisingi gino: 1. Waliwo omusango ogugenda okujjira ensi.

2. Katonda, mu kisa, akoze ekkubo ery'okudduka mu Mwana we, Yesu, era obulokozi tebusangibwa mu mulala yenna.

3. Ekisa kiri mu mpisa enkulu ennyo eziraga Katonda nga bw'ali.

4. Obulokozi bwetaagisa okuddamu okw'obuwulize eri okuyita kwa Katonda.

Okwo, kwe kukkiriza okulokola.

Ibulayimu

“Olw’okukkiriza Ibulayimu bwe yayitibwa okugenda mu kifo kye yali agenda okufuna okuba obusika, yagondera; n’agenda nga tamanyi gy’alaga. Olw’okukkiriza yasenga mu nsi ey’okusuubizibwa, ng’ali mu nsi ey’amawanga amalala, ng’abeera mu weema wamu ne Isaaka ne Yakobo, abasika be, ab’okusuubizibwa kwe kumu. Kubanga yali alindirira ekibuga ekirina emisingi, Katonda gwe yateekateeka era n’akizimba” (Abaebbulaniya 11:8-10).

Ekyokulabirako ekyatuufu ennyo eky’obulamu obw’okukkiriza, Pawulo, Yakobo, n’omuwandisi w’ebbaluwa eri Abaebbulaniya kye baakozesa, kyali Ibulayimu omutambuze, era ebyafaayo bye biwandiikiddwa mu Olubereberye 11-25. Wano omuwandisi w’Abaebbulaniya assa essira ku kukkiriza Ibulayimu kwe yalaga ng’omugenyi, omuntu ataali munywevu ku bintu bye ye.

Bwe tugeraageranya ennyiriri z’Abaebbulaniya eziri waggulu n’ebyafaayo ebiri mu Olubereberye 11:31, tulaba nti newankubadde Katonda yali ayita Ibulaamu (oluvannyuma eyafuuka Ibulayimu) okugenda mu nsi ey’okusuubizibwa eya Kanani, yava mu Uli eky’Abakaludaaya ng’ayita mu kitaawe Teera. Emirundi mingi Katonda akulembera abaana be ng’ayita mu nsala z’abalala. Ibulaamu bwe yamala okuva mu Kalani, Katonda we yayogerera butereevu naye. Ye yali ekintu ekironde Katonda mwe yandiyita okunyweza abantu be n’ensi yaabwe.

Okwawukana ku Nuuwa, Ibulaamu teyalondebwa lwa kubanga yali mutuukirivu; ddala yabeeranga mu nsi ey'okusinza bakatonda abalala nga amanyi katono nnyo ku Katonda. Mu basajja abaamusooka waaliwo bangi abaasinzanga Katonda, naye tewaali n'omu ku bano eyalondebwa okuba Kitaawe w'eggwanga eddene ery'abantu ba Katonda.

Aberi yali mulungi, yawaayo ssaddaaka ng'okwagala kwa Katonda bwe kwali, naye yeewangayo ye yekka. Teyalondebwa mu ngeri ey'enjawulo.

Enoka ne Nuuwa nabo baali bantu ba kyabwe mu kutambula kwabwe ne Katonda.

Bonna abasatu baasinzanga Katonda ow'amazima, naye tewaali n'omu ku bo eyalondebwa mu ngeri ey'enjawulo okutandika okuzza mu buggya ebyo Adamu bye yafiirwa.

Ibulaamu ye Katonda gwe yalonda, ate nga yali musinza wa bakatonda abalala (Yoswa 24:2)! Katonda yayita Ibulaamu kubanga yalina ensonga ey'enjawulo — Ibulaamu ye yandibadde entandikwa y'okuzza mu buggya okwa Katonda okuva mu kugwa. Bwe tudda mu Ndagaano Empya, ebigambo ebisooka bye tusoma bye bino: “Ekitabo ky'olulyo lwa Yesu Kristo, omwana wa Dawudi, omwana wa Ibulayimu” (Matayo 1:1). Katonda atandika Enjiri ye ng'asookera ku Ibulayimu!

Katonda bwe yayogera, Ibulaamu yagondera. Teyategeera, era teyayimirira kukubaganya bigambo na Katonda ku nteekateeka. Yagondera bugonzi n'agenda.' Yandyesittadde nti yali aweza emyaka nkaaga mu etaano nga mukulu nnyo okutandika okutambulambula, naye teyakola bw'atyo. Yagenda nga tamanyi gy'alaga. Yali awulidde ku nsi, obwakabaka obwali bugenda okuba obusika bwe. Yali awulidde ekisuubizo nti erinnya lye lyandibadde ekkulu era nti yandibadde omukisa eri amawanga gonna ag'ensi.

Newankubadde nga yali tamanyi Katonda ng'ekiseera kino tekinnatuuka, mu ye mwaliwo obwesige obwasimbibwa okukkiriza nti

ebisuubizo bya Katonda bya nkalakkalira. Bw'aty n'agenda... Katonda anoonya abasajja n'abakazi leero abalina amaaso gaabwe nga gasimbiddwa ku bwakabaka bwe so si ku by'obutaliimu eby'ensi eno. Omuyimbi ow'oluyimba olwa 695 mu Trinity Hymnal agamba nti, "Ndi mugenyi wano mu nsi ey'amawanga amalala, Awaka wange kwe wala ku lubalama olwa zaabu.

Nze ndi mukiise w'ebintu ebiri waggulu w'eggulu, ndi wano ku mulimu gwa Kabaka wange."

A.P. Carter yakyoleka bw'ati mu luyimba lwe, "This World is Not My Home" (Ensi Eno si ye Waka Wange): "Ensi eno si ye waka wange, mpita buyisi bwokka.

Eby'obugagga byange biterekeddwa mu kifo eyo waggulu ennyo w'eggulu.

Bamalayika bampita nga bali ku luggi lw'eggulu oluggule, era sikyawulira nga ndi awaka mu nsi eno n'akatonu!"

Omutume Yokaana atukubiriza obuteyagala nsi, wadde ebintu eby'omu nsi (1 Yokaana 2:15). Mazima ddala, tuteekwa okwagala abantu b'ensi eno n'obulungi bwayo obutuleetera okusinza Katonda, naye Yokaana ayogera ku nkola z'abantu ze beekoledde: eby'obufuzi n'obukuusa bwabwe, empisa z'ekibiina eky'abantu abateefirayo ku Katonda n'okukkakkana kwabwe, n'obutaliimu n'okwegomba ebintu. Ibulayimu teyalina kwegomba bintu bya ngeri eyo kubanga yali mugenyi, omuntu eyali ayita buyisi, era okutambula kwe kwali kutambula ne Katonda, okutambula okw'okukkiriza.

Kinzijukiza omwana omubuzi mu lugero Yesu lwe yayogera mu Lukka 15. Yagenda n'ayonoona omugabo gwe ogw'obusika ku masanyu g'ensi. Bwe yeddamu amagezi, yakomawo eka ng'yeenenya nga agamba nti, "Kitange, nnyonoonye eri eggulu ne mu maaso go. Sikyasaanira kuyitibwa mwana wo. Nkola ng'omu ku baddu bo abapakasi" (Lukka 15:18-19).

Kyokka, kitaawe yamwaniriza n’essanyu, n’amwambaza ekyambalo ekisinga obulungi, n’amuteeka engatto mu bigere, n’amutegekera embaga, ne muganda we omukulu ne kimunyiiza nnyo. Newankubadde neetegeera mu mwana omubuzi, nga mmanyi omusango gwange era nga nkkiriza okwagala kwa Kitaffe akyankkiriza okuba omwana we, sirabamu kintu kya kumutendereza, okutuusa lwe mmugeraageranya n’omwana omukulu!

Omwana omukulu yeemulugunyiza kitaawe olw’engeri gye yayisaamu omwana omubuzi. “Atuleeteredde ensonyi, ayonoonye obusika bwe ng’yeegomba ensi eno, ate nga nze mbadde mwesigwa eka. Lwaki omuttidde ennyana ensava? Ggwe tonnankolerako bwe kityo!” (Lukka 15:28-30). Obunnanfuusi obw’amalala nga buno! Kitaawe amuddamu nti, “Mwana wange, ennyana ennsava zonna zizzo! Buli ekisigadde bwe busika bwo!” (Lukka 15:31). Omwana omubuzi yali yeegomba amasanyu g’ensi eno, naye kaakano yali azzeemu amagezi ng’yeenenya n’okwejjusa.

Omwana omukulu naye yali yeegomba ebintu eby’ensi eno — si mwenge, bakazi, na nnyimba — wabula ebintu bye. Yali nannyini faamu era teyayagala kintu kimubbe busika bwe. Mu mazima, faamu ye yali emufuga!

Si kibi kuba na bintu mu nsi eno, naye okutambula okw’okukkiriza kwetaagisa nti, nga Ibulayimu, bitatufuga! Bikwate kyangu bw’otyoto nti, Mukama bw’akuyita okugenda, tewaba kintu kikuziyiza. Mazima gino gy’ensonga lwaki abakkiriza tebasaanira kubeera na bbanja. Bwe tuba ne bbanja ly’omuntu ery’ensimbi ne tutasobola kulisasula mu kaseera akatono bw’aliggya, tuba tuli mu buddu bw’omuntu oyo era tetuli ba ddembe kuddamu Mukama bw’atuyita ‘okugenda.’ Mu mazima, mu kaseera ako tuba tuweereza Mamona so si Katonda. Nnandigambye nti eno nsonga nkulu nnyo eri Mukama nti tetusaanira na kuleeta bakkumi baffe n’ebiweebwayo byaffe ku kyoto kye singa omulala aba n’ekintu ekimululunkanya ku ffe, kwe kugamba nga tuba tulina bbanja gy’ali.

Tusaanira okuva mu bbanja ne nga tetunnawaayo bakkumi baffe eri Katonda (Matayo 5:23-26).

Oboolyawo kino Mukama kye yali ategEEza bwe yagamba nti, “asinga obukulu mu mmwe afuuke ng’asinga obuto, n’omukulembeze abeere ng’aweereza” (Lukka 22:26). Enjawulo eyali wakati wa baganda bano yali ndowooza yaabwe ku bintu by’ensi. Omukulu yali afaayo nti obusika bwe buleme kumalibwa ku mbaga y’omuto eyakomawo. Teyayagala muntu yenna kutabula mirembe gye, yali amativu na bintu nga bwe biri. Mu ngeri y’emu, Esawu yandiguzizza obusika bwe obw’obuzaale ku lw’okukkusibwa okw’akaseera akatono, so nga muto we Yakobo, newankubadde nga yali mulimba, yali mutambuze eyatambula — era n’ameggana — ne Katonda.

Nga omwana omubuzi, Yakobo yaleetebwa mu kwenenya, naye Esawu nedda. Omu yalina obusika bwe mu Katonda; omulala mu ‘kabakuli k’enva.’ Kya kwewuunya nti Katonda yandyogedde nti, “Nayagala Yakobo, naye Esawu namukyawa” (Malaki 1:3). Kya kwongera okulaba nti ebisuubizo ebyaweebwa omusinza wa bakatonda abalala Ibulaamu byaddibwamu eri omulimba Yakobo, era naye yali agenda okufuuka omu ku bajjajja abasatu ab’ekitiibwa ab’Abayudaaya, Ibulayimu, Isaaka, ne Yakobo.

Katonda anoonya abasajja n’abakazi abali nga Ibulayimu. Abantu abeetegefu okukulemberwa Mukama mu kiseera n’ekifo Mukama gy’ayagala okubatwala. Gye tuli akyagamba nti, “Musooke okunoonya obwakabaka bwa Katonda n’obutuukirivu bwe” (Matayo 6:33).

Tujja kuddamu okwekenneenya Ibulayimu mu ssuula eddako gye tuliraba obujulizi obulala obw’okutambula kwe okw’okukkiriza ne Katonda, obujulizi era Yakobo ne Pawulo abatume bwe baayogerako mu byawandiika byabwe.

Obufunze: Ibulayimu atulaziddwa mu Abaebbulaniya 11 okutuyigiriza ensonga zino: 1. Katonda talonda muntu lwa kintu kyonna ky’ayinza

okwewaanira okuba. Wabula alonda ebinafu n'eby'obusirusiru, ebya wansi n'ebinyoomebwa, waleme kubaawo muntu yeenyumiriza (1 Abakkolinso 1:27-29).

2. Abantu ab'okukkiriza be bali abalina amaaso n'omutima gwabwe nga bisimbiddwa ku bwakabaka obw'omu ggulu; abalina endowooza ey'omuto,' nga tebanywerera nnyo ku nsi eno.

3. Katonda yatandika omulimu ogw'okununula mu muntu eyali agenda okufuuka ekyokulabirako ekisinga obukulu eky'okutambula okw'okukkiriza, okwalagibwa mu kwesiga okugonda.

Saala

“Olw’okukkiriza Saala yennyini yaweebwa amaanyi ag’okuba olubuto, newakubadde nga yali ayise ku myaka, kubanga yamuyita omwesigwa oyo eyasuubiza. Kyavudde ku muntu omu, era oyo eyali ng’afudde, ne mwazaalibwa ezzadde eringa emmunyeenye ez’oku ggulu obungi, era ng’omusenyu ogw’oku lubalama lw’ennyanja ogutabalika” (Abaebbulaniya 11:11-12).

Ebyafaayo bya Saala biyinza okulabika mu Olubereberye 18:9-15, ne Olubereberye 21:1-7.

Bwe tusoma ebyafaayo ebiri mu Olubereberye, tuwuniikirira olw’obutakkiriza obulabika mu Saala, era tetwandimubalidde ng’omukazi omuzira ow’okukkiriza singa okukkiriza kufaananyizibwa n’okukkakasa mu ngeri eyo. Ddala, Saala buli kaseera alaga obuntu bwe nga bwe yeekobaana ne bba mu nteekateeka n’enkwe.

Katonda yali agambye Ibulayimu nti alifuna omusika era nga aliba kitaawe w’eggwanga eddene, naye Saala yali mugumba, era amagezi g’abantu gandigambye nti ekisuubizo kya Katonda kya bwereere. Kyokka ye, ajja kufuna omwana, ne bwe kiba nga kitegeeza okuwaayo omuweereza we, Kagali, okubeera muka Ibulayimu ow’okwetaba naye mu kwegatta. Omwana yali wa kubeera wa Saala, naye bwe yalaba Kagali n’omulenzi, obuggya obw’ekibantu ne bumujjira mu mutima, Kagali n’agobebwa mu maka.

Okuva ku mutabani ono, Isimayiri, amawanga amanene ag'Abawalabu ge gaava, era ensi ekyagenda mu maaso n'okukungula kibuyaga waabwe. Weetegereze nti Katonda yennyini y'ayimusizza amawanga gano, naye endagaano ye esigala n'abaana ab'ekisuubizo (Olubereberye 18:19). Toweeraliikirira olw'obulabe obweyongera wakati w'amawanga g'Abawalabu n'abaana ba Isirayiri; bulijjo wajja kubaawo obulwanyisi wakati w'ekibala ky'obuntu obw'omubiri n'ekibala ky'ekisuubizo kya Katonda. Ng'ekyokulabirako, Yesu yagamba abayigirizwa be okulindirira mu Yerusalemi ekisuubizo (ekirala) kya Kitaawe, - okubatzibwa n'Omwoyo Omutukuvu (Ebikolwa by'Abatume 1:4,5).

Si kya kwewuunya nti okukola kw'omubiri okw'ekisuubizo kino emirundi mingi kuvaamu enjawukana n'obulwanyisi wakati w'abantu ba Katonda, mu kifo ky'amaanyi amangi ge kwandibadde okutusobozesa okuba abajulirwa Kristo be yatuyita okuba!? Isimayiri yazaalibwa nga ava mu nteekateeka n'enkwe z'abantu, ate Isaaka n'azaalibwa 'olw'okukkiriza.' Amadiini gonna ag'ensi gazimbibwa ku kuyigiriza n'emisingi egy'amagezi g'omubiri, naye Ekkanisa ya Yesu Kristo ekolebwa abantu abaweebwa obutuukirivu olw'okukkiriza.

Oluvannyuma tulaba Saala ne Ibulayimu nga bakola enkwe okulimba Abimereki, kabaka wa Gerali, nga beefuula ba luganda. Ibulayimu yatya nti abasajja b'e Gerali bandimusse nga bba wa Saala, Abimereki alyoke amutwale okuba mukazi we. Singa kabaka yalowooza nti ba luganda, yandisobodde okutwala Saala naye, wadde nga kityo, obulamu bwa Ibulayimu bwandiwonye! Kino kikusomeka ng'abantu abalina okukkiriza okunene mu Katonda?

Kwe kugamba, singa kufaananyizibwa n'okwesiga. Nga kya kwewuunya nnyo nti kabaka atali mukkiriza, Abimereki, yalina obwesimbu obw'omutima n'okutya Katonda okusinga omusajja ow'okukkiriza! Yakomyawo Saala eri bba, nga tamenye butukuvu bw'obufumbo bwabwe

era ng'abawa ebirabo bingi ng'obukakafu bw'obutuukirivu mu maaso g'abantu bonna.

Katonda yassaamu ekitiibwa Abimereki n'ab'omu nnyumba ye, naye omukono gwe gwali gukanyi ku Ibulayimu ne Saala okubakulembera mu bikolwa eby'okukkiriza.

Olw'okukkiriza (ekikolwa oba ekirabo kya Katonda), Saala yasobola okuba olubuto.

Newakubadde nga yali ayise emyaka 90, omwana ow'ekisuubizo, Isaaka, yazaalibwa. Abafumbo ne beetaba mu kwegatta, Katonda n'awa obulamu ensigo z'omusajja n'amagi g'omukazi, olubuto ne lubaawo. Saala bwe yakkiriza nti okulwala okw'oku makya kwali bukakafu bw'obwesigwa bwa Katonda, ekyo kye kyali obukakafu bw'okukkiriza kwe. Teyalwanagana n'ekyo ekyali kibaawo munda ye, newakubadde nga kyali kikontana na buli kimu ye, oba omuntu yenna gwe yamanya, kye baali balabyeko mu myaka egyo. Omubiri gwe tegwandigaanye, era teyandiggyeko lubuto olwo Katonda lwe yali azaala munda ye.

Emirundi mingi tugaana emirimu gy'Omwoyo Omutukuvu mu bulamu bwaffe kubanga tetutegeera! Emirundi emeka gye tuggyaako ekirabo oba obuweereza Katonda bw'ayagala okuzaala munda yaffe kubanga tutya okusasula omuwendo!? Naye si bwe kyali eri Saala.

Amasomo ag'Okuyiga okuva mu Kukkiriza kwa Saala Ekisooka, Katonda mwesigwa eri ebisuubizo bye ne bwe kiba nga kirabika ng'ekitasoboka. Ddala, gy'ali, tewali kitasoboka!

Eky'okubiri, Katonda anoonya abantu ab'okukkiriza abasobola okukulemberwa ye mu kifo ky'obufuzi oba enkwe. Ekanisa ya leero ejjudde nnyo entekateeka z'abantu n'entegeka ne watabaawo kifo Omwoyo Omutukuvu mw'ayinza okutambulira.

Saala yazaala omwana omulenzi omu olw'enkwe. Ekyavaamu kubadde nnaku nnene eri abantu ba Katonda okuyita mu byasa by'emyaka okuva

olwo. Omwana we omulala yali ‘olw’okukkiriza,’ omwana ow’ekisuubizo. Okuva ku ye Katonda yanyweza abantu be ab’endagaano, era ku bwabwe amawanga gonna ag’ensi mwe galiweerwa omukisa. Be baali ba kubeera eggwanga eryatuleetera Bayibuli ne Masiya, Omulokozi waffe, Yesu.

Omulumu gwa Katonda mu Ngeri ya Katonda Nzijukizibwa ekiseera Kabaka Dawudi lwe yali agenda okuzza essanduuko ey’endagaano mu Yerusaalemi. Olugero lutubuulirwa mu 1 Ebyomumirembe 13 ne 15. Eri Abaebbulaniya, essanduuko yategeezanga okubeerawo kwa Katonda wakati w’abantu be, naye yali ebadde ebuze mu nsi okumala emyaka 20 ng’ewambiddwa mu lutalo Abafirisuuti mu kiseera eky’obwakabona obw’omubiri obwa Eri. Okumala emyezi musanvu Abafirisuuti baabonaabona nnyo essanduuko bwe yali mu nsi yaabwe, kyebava bagissa ku ggaali empya erisikibwa ente enkazi ez’amata ezitali zaakwatibwako kkoligo emabega.

Katonda yabakkiriza okuzza essanduuko mirembe okusomoka ensalo za Isirayiri awatali bulwadde oba okulumizibwa; kyokka Dawudi bwe yagezaako okukozesa enkola y’emu okuzza ‘okubeerawo kwa Katonda’ mu Yerusaalemi, ente ze ezaali zitendekeddwa ne ziseerera, okufa ne kuvaamu.

Dawudi yasunguwalira nnyo Katonda, naye amangu ago yali atekwa okwenenya bwe yasoma enkola ya Katonda ey’okusitula essanduuko, eyawandiikibwa mu Okubala 4. Katonda yali aleese omusango ku bantu be “kubanga tebaamunoonya nga bwe kyalagirwa” (1 Ebyomumirembe 15:13).

Ndowooza yange nti okufukibwako amafuta okw’okubeerawo kwa Katonda n’amaanyi kubulako, ekintu ekinakuwaza, mu bingi bye tuyita ekkkanisa.

Kino kiyinza okuba nga kiva ku kuba nti tugezaako okuzimba ekkkanisa ye mu ngeri yaffe so si mu ngeri gy’alagidde? Ddala, kiyinza okuba nti tetuzimba kkanisa ye n’akatono, wabula ekkkanisa yaffe? Talina we yasubiza

kufukako mafuta ge ku kintu kyonna ekikolebwa mu maanyi oba amagezi g'omuntu, naye yagamba nti, “Ndizimba Ekkansa yange, era emirango gy'amagombe tegirwangula” (Matayo 16:18). Ate era, alizimba ekkansa ye ku lwazi, nga bwe kyalabikira mu Peetero! Mukama waffe ayogera ku ngeri ki eya Peetero? Mazima si ku mpisa ye ey'obwangu n'ey'omubiri! Ndowooza nti olwazi kwe kukkiriza ng'okwo omutume kwe yalaga ng'ayatula Yesu okuba Kristo. “Oweereddwa omukisa, Peetero. Kitange akubikkulidde kino” bwe yagamba Yesu (Matayo 16:17). Okukkiriza wano kulabika mu kubikkulirwa okugobererwa okwatula; Katonda okusooka n'oluvannyuma omuntu n'addamu.

Si kiseera nga twandizzeewo okukola omulimu gwa Katonda mu ngeri ya Katonda?

Kiseera kituukiridde okudda okuba abantu ab'ekitabo, nga tussa emirimu gyaffe n'entambula yaffe ku misingi n'ebiragiro byakyo. Nkakasizza nti bwe tunaakola omulimu gwa Katonda mu ngeri ya Katonda, tujja kufuna okufukibwako amafuta ag'okuwa obulamu ku kufuba kwaffe. Ng'ekyokulabirako, tulina enteekateeka n'enkwe nnyingi ez'okubuulira abantu abatwetooldde. Tukozeza 'Amateeka Ana ag'Omwoyo' oba 'Oluguudo lw'e Rooma.' Twiga enkola za A-B-C ng'abatunzi ne tuteekateeka 'emikolo egisanyusa abanoonya.' Tuwandiika obupapula bungi obw'okubuulira ne tukola entegeka z'okubuulira Enjiri. Bino byonna birungi, naye bya ngeri ya Katonda?

Nkusomooza okuggya olupapula lumu mu Bayibuli yo olw'okugaba ng'akapapula ak'okubuulira Enjiri. Oyinza okuzuula enkwe emu Ekkansa ey'edda gye yateekawo, gye tuyinza okukoppa leero?

Mazima Omwoyo Omutukuvu yandisobozesezza omu ku bayigirizwa abalala, ng'oyogera Andereya oba Firipo, eyandikoze ekitabo ekirimu “Obupapula obw'Okubuulira obw'Okwesiga Okuwangula,” oba “Engeri Amakumi Ataano ez'Okufuula Mikwano gyo ba Yesu” singa eyo yali

nteekateeka y’Omwoyo ey’Obulokozi! Twandikikubisizza ng’ekitabo eky’enkomerero mu Bayibuli, nga kirina empapula ‘eziyinza okuggyibwamu’ olw’okwanguyirwa.

Nkakasizza nti Bayibuli mwe muli enteekateeka ya Katonda ey’obulokozi; kyokka wadde nga tetusobola kuggyamu lupapula lumu okugaba ng’akapapula ak’okubuulira Enjiri, tusobola okuggyamu ebitabo bulambalamba ebinnyonnyola enkola ye . Bwe bumu bw’abantu be !

“Kitange nsaba babe omu, ensi eryoke ekkirize nti ggwe wantuma; ensi eryoke emanye nti wabaagala nga bw’onjagala nze” (Yokaana 17).

Enteekateeka zaffe zonna n’enkwe zaffe zijja kubala ebibala ebimu, kubanga ye Katonda ow’ekisa, naye amakungula amajjuvu tegalijja okutuusa lwe tulikola mu ngeri ya Katonda. Ayagala okuzimba ekkansa ye, n’okutuwa amawanga, naye alikikola mu ngeri ye yokka.

Engeri ye ye kkubo ery’okukkiriza era, engeri emu gye kiraga kwe bumu bwaffe mu Mwoyo.

Obufunze Ekyokulabirako kya Saala, omukozi w’enkwe eyaseka Katonda, tukiweereddwa okutuyigiriza emisingi egiddirira: 1. Eri Katonda buli kintu kisoboka.

2. Amagezi g’abantu n’okukkiriza bikontana.

3. Ekigendererwa Katonda ky’atuteekera kirituukirira lwokka olw’okukkiriza.

4. Tuteekwa okukola omulimu gwa Katonda mu ngeri ya Katonda!

Okwatula kw'Okukkiriza

“Abo bonna baafiira mu kukkiriza, nga tebannafuna ebyasuubizibwa, naye baabirabira wala ne babaaniriza, ne baatula nti bagenyi era batambuze ku nsi. Kubanga abo aboogera bwe batyo balaga lwatu nti banoonya ensi ey'ewaabwe. Singa baali bajjukira ensi eri gye baava, baali bafunye ebbanga okuddayo. Naye kaakano baayagala ensi esingako obulungi, kwe kugamba, eya mu ggulu. Katonda kyava ataswala kuyitibwa Katonda waabwe; kubanga yabateekerateekera ekibuga” (Abaebbulaniya 11:13-16).

Kirabika omuwandiisi w'ekitabo kino ayogera ku 'abangi' aboogerwako mu lunyiriri 12, bazzukulu ba Ibulayimu ne Saala abaafa nga Yesu, Masiya waabwe, tannajja. Mu biseera byabwe eby'okukkiriza n'okwesiga Yakuwa, baakkiriza nga bamwetaaga, 'nga baatula nti baali bagenyi era batambuze ku nsi' (Abaebbulaniya 11:13). Oba baali mu Misiri, oba mu ddungu, oba mu Babulooni, abaana ba Isirayeri baalinanga okwegomba okw'amaanyi mu mitima gyabwe eri ewaabwe, ekifo ekyo kye baasuubizibwa mu bigambo Katonda bye yagamba Ibulayimu, naye batono ku bo be baayinza okusimba emirandira mu kifo kirala okuggyako mu Kanani oba mu Palesitaayini.

“Ku mbalama z'emigga gya Babulooni, eyo gye twatuula ne tukaaba, bwe twajjukira Sayuuni. Ku miti egy'emiggo egyaliyo gye twawanika ennanga zaffe; kubanga eyo abaatuwamba baatusaba ennyimba, n'abaatujooga baatusaba essanyu, nga bagamba nti, 'Mutuyimbire oluyimba olumu ku nnyimba za Sayuuni.'”

Tunaayimba tutya oluyimba lwa Mukama mu nsi ey’obugwira?” (Zabbuli 137:1-4).

Bandisobodde okusigala mu nsi mwe baazaalirwa, naye omutima gw’omugenyi gwali mu bo. Kino kye kiraga bonna abazzukulu ba Ibulayimu ab’amazima: nti tebawulira nga bali waabwe mu nsi eno. Waliwo enjala ezaalibwa munda yaabwe ey’ebintu ebisingako waggulu, ekibuga eky’omu ggulu Katonda kennyini gwe muzimbi era omukozi waakyo.

Katonda ye yateeka okwegomba kuno mu bo olw’ekikolwa kye eky’okukkiriza kye yasooka okutandika. Abantu ab’okukkiriza bulijjo banaddangamu eri okwegomba okwo.

Mu kuyigiriza kwe ku kukkiriza okuli mu Abaruumi 4:1-12, omutume Pawulo agamba nti, “Tunaayogera tutya ku Ibulayimu?” Yakkiriza Katonda, ne kimubalirwa okuba obutuukirivu. Eri oyo atakola mirimu, naye eyeesiga oyo awa obutuukirivu atatya Katonda, okukkiriza kwe kubalirwa okuba obutuukirivu.

Mu kiseera ekyo, Ibulayimu yali si Muyudaaya eyakomolebwa, kale yabalarirwa okuba omutuukirivu ne nga tannaba kufuuka mwana wa ndagaano (ey’Ekiyudaaya). Kino kyali kiryoke kube nti ye Kitaawe, si w’abo abaakomolebwa (Abayudaaya) bokka, naye era n’ow’abo bonna abalangirirwa okuba abatuukirivu ebweru w’endagaano (ey’Ekiyudaaya). Si kukwata Mateeka (oba emirimu emirungi gyonna) ekufuula omuntu omutuukirivu: wabula kubeera mu kukkiriza kwokka. Ibulayimu kyava atwalibwa okuba kitaawe w’abo bonna abaweebwa obutuukirivu olw’okukkiriza. Kale, ne ffe abali Abaamawanga abatambulira mu kukkiriza, ekisuubizo kya Katonda ekyesigamiziddwa ku kisa kya kakasa. Tuligabana ensi!

“Katonda kyava ataswala kuyitibwa Katonda waabwe; kubanga yabateekerateekera ekibuga” (Abaebbulaniya 11:16).

Wenyweredde ku nsi eno mu ngeri ki? Omuwendo gwo ogusanga mu bugagga bwayo oba mu ttutumu ly'oyinza okukunjaanya? Weetaaga okwettanirwa kwayo n'okusiimibwa kwayo okukuwa ekitiibwa kyo wekka? Oba oli omu ku abo Yesu b'ayita 'asinga obukulu' mu bwakabaka bwe?

Lumu abayigirizwa ba Yesu baali bakola ekyo ffe bangi kye twesanyusa. Baali mu kunyumya okusikiriza. Omuntu yandyagadde okulowooza nti kyali ku kintu ekikulu ng'obukuume obw'emirembe n'emirembe oba okusitulibwa nga okubonaabona okunene tekunnatuuka, naye ekyo kyandibadde kubawa ekitiibwa ekisukka ekibagwanira. Mu butuufu, baali bawakana ku ani ku bo eyali asinga obukulu (Makko 9:33-34)! Olw'ekyo, Yesu yatandika okubayigiriza amakulu g'okuba omukulu mu bwakabaka bwe, wano ku nsi, ne mu kibuga ky'abateekerateekera.

1. Bateekwa okuba abaweereza, era abaddu (Makko 10:42-45).

2. Bateekwa okwagala okuba abasembayo era abasinga obutono (Makko 9:35 ne Lukka 9:48).

3. Bateekwa okwetoowaza ng'akaana akato (Matayo 18:4).

4. Bateekwa okuba n'endowooza y'asinga obuto (Lukka 22:26).

Okuyigiriza kuno kwawukana nnyo ku nteekateeka z'obuyinza ez'ensi eno era, eky'ennaku, ku bingi bye tulaba mu bukulembeze bw'ekkanisa leero. Baluwa abakulembeze abaweereza, abatanoonya ttutumu oba kitiibwa ku bwabwe naye nga basanyukira okuba abasembayo era abasinga obutono ng'abalala bafuna ekitiibwa n'ettutumu? Baluwa abakkiriza abali ng'akaana akato, abeeyoleka, abatasobola kulimba kya bbanga, abatakwata nkyawa, era abatanyiiga? Baluwa abasinga obuto ensi mwe teri kyennyweza era abatafaayo nnyo ku kubanja eddembe lyabwe oba okukuuma obuyinza bwabwe?

Baluwa abantu abatambulira mu kukkiriza, abo b'atakwatirwa nsonyi?

Newankubadde abantu bano baabalibwa nga bagenyi mu nsi eno, baamanya ebintu bisatu: 1. Baamanya nti Katonda yasubiza Ibulayimu.

2. Baamanya nti Yesu yali agenda kutuukiriza ekisuubizo ekyo.

3. Baamanya nti baalina ebibalindiridde eby'ekitiibwa - okutuula mu kibuga kya Katonda.

Nzijukizibwa Yokaana 13:3 Yesu we, “bwe yamanya nti Kitaawe yali awadde ebintu byonna mu mikono gye, era nti yava eri Katonda era yali agenda eri Katonda,” n’alyoka agolokoka n’anaaza ebigere by’abayigirizwa be (Yokaana 13:1-20)! Okuba omuweereza kifuuka kyangu omuntu bw’amanya ekifo kye mu maaso ga Katonda.

Osobola okutunula emabega ku kifo Katonda gye yatandikira omulimu gwe ogw’okukkiriza mu ggwe bwe yakuleeta eri omusaalaba? Otunula mu maaso ng’omanyi nti anaakuleeta mu bibalindiridde eby’ekitiibwa by’akuteekedde?

Otambulira mu kukkiriza okutuusa ku bibalindiridde ebyo? Okutambula okutali mu maanyi go wekka, wabula olw’okukukubiriza kwe okuli munda yo?

Okukkiriza kwetaagisa nti tube n’okwolesebwa kw’ebisuubizo bya Katonda n’okwegomba okubeerawo kwe.

Obufunze 1. Abantu ab’okukkiriza tebalyewulira nga bali waabwe mu nsi eno. Bali batambuze, kyebaliva babeera nga bwe kibagwanira.

2. Tebaagala kuddayo mu makubo g’ensi, enkwe zaayo n’obufuzi bwayo, enkola zaayo n’ebirabo byayo, oba essanyu lyayo n’ebisuubizo byayo.

3. Kabaka alangirira nti okuba omukulu oteekwa okuba n’endowooza ey’omuweereza, ey’omwana, ey’asembayo, ey’asinga obutono, n’ey’asinga obuto.

4. Nga bazzukulu mu mwoyo aba Ibulayimu - kitaawe w’abaana ab’okukkiriza - tulina ebibalindiridde eby’ekitiibwa. ‘Tuligabana ensi.’

5. Ebisuubizo bya Katonda ebikulu bijjira abo bokka abaafa eri bo bennyini.

6. Katonda tatuswalira!

Ibulayimu Bwe Yagezesebwa

“Olw’okukkiriza Ibulayimu bwe yakemebwa yawaayo Isaaka; oyo eyaweebwa ebisuubizo yali ng’awaayo omwana we omu yekka, gwe baayogerako nti, ‘Mu Isaaka mw’oliyitibwa ezzadde lyo.’ Yalowooza nti Katonda ayinza okuzuukiza abantu, ne mu bafu; era bw’aty mu kifaananyi yamuddiza” (Abaebbulaniya 11:17-19).

Ku mulundi guno ekyokulabirako kiva mu bugonvu bwa Ibulayimu, Katonda bwe yamugamba okuwaayo mutabani we, Isaaka, ng’ekitabo ky’Olubereberye essuula 22 bwe kyogera. Katonda yayogera, Ibulayimu n’agonda. Yamanya ebyasuubizibwa bya Katonda ebikwata ku zzadde lye, era yalowooza nti ekisuubizo kino kyandituukiriziddwa mu Isaaka; naye ekigambo kya Katonda kyali kimutuuseeko, Ibulayimu n’agonda. Okwo kwe kukkiriza! Teyategeera nsonga lwaki Katonda amusaba okukola ekintu kino eky’entiisa; naye teyamubuuzza. Wabula yagonda bugonzi.

Yamanya nti Katonda kye yali asuubizza, kyali kya kukituukiriza. Kale nno, obanga Katonda yali asuubizza okuwa amawanga gonna ag’ensi omukisa ng’ayita mu Isaaka mwana w’ekisuubizo, ate ng’ateekwa okutta Isaaka, Katonda yanditekeddwa okukola ekitasoboka — okumuzuukiza addemu obulamu.

Pawulo agamba mu Abaruumi 4:3 nti, “Ibulayimu yakkiriza Katonda, ne kimubalirwa okuba obutuukirivu.” Ate Yakobo mu kitabo kye awandiika nti, “Ibulayimu jjajaffe teyaweebwa butuukirivu olw’ebikolwa, bwe yawaayo mutabani we Isaaka ku kyoto? Olaba nti okukkiriza kwakolera

awamu n'ebikolwa bye, era okukkiriza ne kutuukirira olw'ebikolwa; era Ekyawandiikibwa ne kituukirira ekigamba nti, 'Ibulayimu yakkiriza Katonda, ne kimubalirwa okuba obutuukirivu'" (Yakobo 2:21-23). Omutume yeeyongera okugamba nti "okukkiriza awatali bikolwa kufu" (Yakobo 2:14-16). Tewali kintu ekiyitibwa kukkiriza wabula nga kweyoleka mu bikolwa!

Nga bwe kiri mu byokulabirako ebirala byonna ebiri mu Abaebbulaniya essuula 11, wano tulina ekifaananyi ekituyigiriza amazima agakwata ku Katonda n'ebigendererwa bye mu ffe. Wano nate, waliwo okuyigiriza okw'olwatu okukwata ku Kuzuukira n'obwesigwa bwa Katonda. Katonda yasubiza era asobola okutuukiriza ekyo kye yasubiza; kyokka, waliwo amazima amalala ge tusobola okukungula okuva mu nnyiriri zino.

Waliriwo ebiseera Katonda mw'aligezesa abantu be. Takola kino ayige kintu okuva mu bivaamu, kubanga amanyi ekivaamu ne nga okugezesa tekunnabaawo; era tatugezesa ng'akkiriza okukemebwa kutujjire. Ekyo mulimu gwa Setaani, ng'akozesa okwegomba kwaffe okw'omubiri okutuwabya.

Mazima ddala, Yesu yayigiriza abayigirizwa be okusaba nti, "Kitaffe, totutwala mu kukemebwa" (Lukka 11:4), ng'amanyi nti ekyo tekiri mu kwagala kwa Katonda. Naye okugezesebwa kuli mu kwagala kwe. Kubanga mu kutugezesa mw'atulongoosereza n'atufuula okweyongera okufaanana ekifaananyi kya mutabani we, Yesu.

Ekyuma bwe kitunuulizibwa okusobola okuggyamu ekyuma ekirongoofu, kigezesebwa nnyo mu kikoomi ne mu byuma ebisensa. Ekyuma kyokebwa okutuusa lwe kisaanuuka kyonna, n'ebisasiro ne biggibwako. Ebitali birongoofu bwe biba nga tewakyali, ekyuma ekisaanuuse kimasamasa n'ekitangaala ekirongoofu, era bwe kifukibwa, kiraga ekifaananyi ekituukiridde ku ngulu waakyo. Eyo y'ensonga lwaki Mukama atugezesa — tusobole okwoleka ekitiibwa kye n'ekifaananyi kye.

Okumala emyaka mingi nnali musomesa mu kitongole ekyapima abayizi baakyo nga bakoze ebibuuzo bya buli mwaka n'ebigezo eby'ebbanga. Mazima ddala, abayizi abatono be baayagalanga enkola eyo, era bazadde bangi ne beemulugunya nnyo, ne kiba nti leero waliwo okugeze okutono ennyo okukolebwa mu masomero, era abayizi emirundi mingi basobola okumaliriza nga tebannaba kugeze ku by'obumanyirivu oba okutegeera kwe bafunye. Ekimu ku bintu ebikulu abantu kye beemulugunyaako ku bibuuzo kwe kuba nti bulijjo bivaamu okugwa.

Okwawukana ku ndowooza ya bangi, nze ndi omu ku abo abakkiriza nti okugwa kuyinza okufuuka eddaala ery'omuwendu eritutuusa ku buwanguzi. Kutusobozesa okumanya amaanyi gaffe we gali, gye tuteekwa okwongerera okufuba, ne gye tusobola okwongerera okukozesa amaanyi gaffe obulungi. Mu ngeri endala, ekivudde mu kibuuzo kiyinza okutuyamba okussa essira mu ngeri ey'amagezi ku kkubo eritwolekedde. Bwe nnali mu ssomero, nnagwa mu bimu ku bibuuzo byange eby'olukale. Ne ndyoka nsalawo okussa essira ku bisomo mwe nnali mpangudde, ne nkomekkereza n'okutuuka ku ddiguli ey'ekitiibwa mu yunivasite. Tewali n'omu eyali antwala ng'eyagwa olw'okuba ssasobola kuyita mu bipimo ebimu mu bisomo bibiri byokka!

Katonda tatubala nga abaagwa bwe tuba nga tetuyise mu kugeze ku kwe okwa kaakati.

Nga bwe twawandiika mu ssuula eyakulembera, ekimu ku bigezo Mukama by'akkiriza okujja mu bulamu bw'omukkiriza kwe kugeze ku okw'okwesittala.

Yesu yagamba nti tebulemwa kujja, era kitusaanira okuyiga engeri gye tusobola okubiyisaamu (Lukka 17:1).

Ekigezo ekirala kwe kw'oluggi oluggale. Nnafuna obunakuwavu bw'okulaba Katonda ng'anziggalirawo oluggi mu maaso gange nga nnali

nsuubidde okuyita okuyingira mu mukisa omupya ogw'ekitalo. Ensonyi zaali za maanyi kubanga nnali njogedde awatali kwekomako ku mukisa guno ogw'ekitalo Katonda gwe yali antadde mu maaso, ne kiba nti, ekiseera bwe kyatuuka, mu kifo ky'okunkulemberamu, yaggala oluggi. Nnaliyagadde nnyo singa saayogedde bwe ntyo awatali kwekuuma, kubanga nneewulira nga siriimu magezi ekintu ekyo bwe kyalemwa okutuukirira.

Nnabuuza Katonda ku nsonga ze, era nteekwa okwatula nti kyatwala akaseera nga sinnasobola kuwuliriza kwagala kwe mu nsonga eno.

Wali wabula okuyita emyaka emirala kkumi nga sinnasobola kulaba nsonga lwaki yaggala oluggi luli. Kyali kya kutegeka kkubo erisingako obulungi. Olugero luno nnulwogera mu bujuvu obusingawo mu kitabo kyange ekirala, "Stepping Stones."

Ekigezo eky'okusatu kye tuyinza okuyitamu kikwata ku bintu ebiyinda okutuziyiza okukulemberwa Mukama.

Bino byandizingiddemu amaanyi gaffe ffe bennyini, enkolagana zaffe, n'ebintu bye tulina. Nga Ibulayimu, tuyinza okusabibwa okuwaayo ekyo eky'omuwendu ennyo gye tuli. Katonda takola kino kutulumya — ekyo si kye kigendererwa kye. Akikola atusumulule okuva mu kwesiga kwonna kwe tuyinza okuba nga tulina mu busobozi bwaffe ffe.

Emirundi mingi tujja kuzuula nti bwe tuteeka ebintu byaffe wansi mu maaso ge, atuyita okubiddamu tubikozese mu kumuweereza. Nzijukira mukwano gwange, Rob, eyali omuyimbi omukulembeze mu bbandi ya rock and roll bwe yajja eri Mukama. Okukyuka kwe kwali kwa nnamaddala, era mu bwangu n'akizuula nti okuyimba mu bifo eby'ekiro tekyamumatiza. Yateeka wansi ennanga ye ey'ekivuga, kubanga ennyimba zokka ze yamanya okukuba tezaali zisaanira nnyimba empya ze yayagala okuyimba. Waliwo okuyita emyaka ena nga tannakkiriza nti Mukama yali ayagala addemu ekivuga, we yatandikira okuyimba ennyimba empya. Leero, Rob ali mu buweereza obw'ennyimba obw'ekiseera kyonna eri Mukama.

Musa yalina okuteeka wansi omuggo gwe ogw’obusumba — akabonero k’omulimu gwe n’obuyinza bwe (Okuva 4:3), n’oluvannyuma n’alagirwa okugudda, naye ku mulundi guno gwayitibwa “omuggo gwa Katonda” gwe yali agenda okukoza ebikolwa eby’amaanyi ng’okuggula ekkubo okuyita mu Nnyanja Emyufu (Okuva 4:17).

Gidyoni yalina okuwaayo eggwe lye Katonda alyoke awangule obuwanguzi obw’amaanyi ku Bamidiyaani (Balamuzi 7).

Tuyinza okuyitibwa okuwaayo enkolagana, ab’omu maka, oba amaka gaffe. Ka nkujjukize ekisuubizo kya Yesu, nti, “Mazima ddala mbagamba nti, Tewali muntu eyaleka nnyumba oba mukazi oba baganda oba bazadde oba baana, olw’obwakabaka bwa Katonda, atalifuna emirundi mingi mu biseera bino, ne mu mulembe ogugenda okujja obulamu obutaggwaawo” (Lukka 18:29-30).

Buli lwe nsoma olugero lwa Ibulayimu ne Isaaka, mpulira ekimu ku bulumi obwali mu mutima gwa kitaawe. Ekiseera ky’obubalagaze nga kityo kye kyali, ng’akulembera mutabani we okwambuka olusozi ng’amanyidde ebigendererwa ebyali mu mutwe gwe. Yali akyanywereza ku ssuubi nti Katonda mu ngeri emu yandikyusizza ekivaamu, ng’ayogera ne mu bunnabbi nti “Katonda ye yandyewereza omwana gw’endiga ogw’ekiweebwayo ekyokebwa” (Olubereberye 22:8).

Teyalina kirowoozo ku ngeri ekigambo ekyo gye kyandibeerde eky’amazima, kubanga kyali ku lusozi olwo lwennyini, oluvannyuma lw’emyaka egiwera, kitaawe w’omuntu omulala we yandirabidde Omwana we omuzaalibwa omu yekka ng’afa ng’omwana gw’endiga eyattirwa ebibi by’ensi. Nga omutima gwa Kitaffe ali mu ggulu bwe gwali guteekwa okunakuwala, kyokka yali amaliridde nti Omwana we atekwa okufa. Kino kye kyali ekkubo lyokka obwenkanya mwe bwandisisinkanidde okusaasira, tulyoke tununulibwe okuva mu mbeera yaffe ey’ekibi n’okubula.

Obufunze: Katonda teyali wa ttima wadde nga tafaayo ku nneewulira za Ibulayimu bwe yamusaba okuwaayo mutabani we omu yekka — omwana w'ekisuubizo. Yali alina ekiragiro ekikulu ku muweereza we, naye kyali kyetaagisa okumusooka okugezesa mu kikoomi. Ensonga zino ziggyibwa mu kitundu kino ekya Abaebbulaniya essuula 11: 1. Katonda mwesigwa mu biseera byaffe eby'okugezesebwa.

2. Katonda bw'atuyita okuteeka ekintu wansi nga ssaddaaka, kiba ffe tulyoke tukiddemu mu maanyi.

3. Katonda akkiriza okugezesebwa okujja mu bulamu bwaffe ayagala kutufuula balongoofu.

4. Enteekateeka ye ey'okununula eri 'okwewereza yekka omwana gw'endiga.'

Isaaka ne Yakobo

“Olw’okukkiriza, Isaaka yasabira Yakobo ne Esawu omukisa ku bigenda okujja mu maaso.

Olw’okukkiriza, Yakobo, bwe yali ng’afa, yasabira buli omu ku batabani ba Yusufu omukisa, ng’asinja nga yeekanye ku mutwe gw’omuggo gwe” (Abaebbulaniya 11:20-21).

Ndeese abasajja bano ababiri wamu kubanga batuyigiriza omusingi gwe gumu.

Olugero lwa Isaaka ng’asabira Yakobo ne Esawu omukisa lusangibwa mu Olubereberye 27, ate olwa Yakobo ng’asabira batabani ba Yusufu omukisa luli mu Olubereberye 48.

Tewali kikulu kya kutendereza ku Yakobo. Yali mulimba era mubbi. Kyali kya Esawu okusalawo okutunda obwana bwe obw’obukulu olw’ekibya ky’enva, naye enkwe za Yakobo, ng’akubirizibwa nnyina, ze zaabba omukisa ogwo omuntu gwe yali asuubira okuweebwa omwana omubereberye. Nkakasa nti teyategeera musingi gwa Baibuli Katonda gwe yali agenda okuyigiriza ng’ayita mu bukuusa bwe. Nguyita “omusingi gw’omuzaale ow’okubiri.”

Nga wayiseewo emyaka nkaaga, Yakobo mulimu nate ng’asabira batabani ba Yusufu ababiri omukisa. Yusufu akulemba batabani be ababiri ng’abatwala eri kitaawe omuzibe w’amaaso, ng’akakasa nti omwana omukulu, Manase, ali mu maaso g’omukono gwa Yakobo ogwa ddyo, omukono ogusookera omukisa. Omwana omulala, Efraimu, ali ku mukono

gwa Yakobo ogwa kkono. Naye omukadde ono, wadde nga ku ndabika muzibe w'amaaso, alina omusana ogw'omunda ogumulunŋamyā okusala emikono gye n'okwogera omukisa omunene ku muzaale ow'okubiri.

Olw'ensonga ezimu, Katonda alunŋamyā omukadde okukola ekintu ekitawuliddwako. Yusufu awakanya, naye tekigasa. Yakobo agenda kugondera obulagirizi obw'omunda. Nziramu okwogera nti tewali kiraga nti ategeera lwaki asaanidde okusala emikono gye — kino kyogerwa nti kyakolebwa “olw'okukkiriza.”

Omusingi gw'omuzaale ow'okubiri gwe guluwa?

Ka tulowooze ku abo Baibuli b'ejjukira: Kayini ye yali omukulu, Aberi ye omuto. Katonda yassaamu ekitiibwa oyo omuto okusinga omukulu.

Esawu ye yali omukulu, Yakobo ye omuto. Katonda yagamba nti, “Esawu namukyawa naye Yakobo namwagala!”

Manase ye yali omukulu, Efraimu ye omuto, naye Efraimu ye yaweebwa omukisa omunene.

Adamu ye yali omuntu ow'olubereberye eyatondebwa, ne Yesu n'ajja nga 'Adamu ow'okubiri,' kwe kugamba omuzaale ow'okubiri.

“Kubanga okufa nga bwe kwajja olw'omuntu, n'okuzuukira kw'abafu nakwo kwajja olw'omuntu. Kubanga nga bonna bwe bafiira mu Adamu, era bwe batyo bonna balifuulibwa abalamu mu Kristo” (1 Abakkolinso 15:21-22).

Ne mu nnaku ez'Endagaano Enkadde, Katonda yalagula olunaku 'Adamu we ow'okubiri' lwalijjira okuwakanya okufa okwajjira abantu bonna olw'obujeemu bwa Adamu ow'olubereberye.

Ye, 'omwana ow'okusuubizibwa' aliwangula okufa olw'okugondera kwe eri okwagala kwa Katonda okulagira. Aliba jjajja w'eggwanga eppya ery'abantu, abo “abazaalibwa emirundi ebiri.” Olubereberye olw'amazzi (okuzaalibwa okwa buntu), n'olw'okubiri olw'Omwoyo (okuzaalibwa okuppya). Kyayogerwa mu butuufu nti “bw'ozaalibwa omulundi gumu,

olifa emirundi ebiri (kwe kugamba okufa okwa buntu n'okufa okw'emirembe n'emirembe), naye bw'ozaalibwa emirundi ebiri, olifa omulundi gumu gwokka" (atamanyiddwa).

Emikisa gya Katonda gyogerwa ku baana b'omuzaale ow'okubiri.

Kale nno guno gwe musingi gw'okuzaalibwa okuppya, era awatali kwo "omuntu tayinza kulaba bwakabaka bwa Katonda," (Yokaana 3:3) obutabaako na kubuyingira. Adamu, omuntu ow'olubereberye, ye jjajja w'abo "abazaalibwa omubiri" (Yokaana 3:6). Yesu, omuntu ow'okubiri, ye jjajja w'abo "abazaalibwa Omwoyo" (Yokaana 3:6).

Kubanga mwazaalibwa omulundi ogw'okubiri, si lwa nsigo evunda, wabula ey'etavunda, kwe kugamba olw'ekigambo kya Katonda ekiramu era ekibeerera emirembe gyonna (1 Peetero 1:23).

Mu ssuula eyakulembera twalaba nti obukulu mu bwakabaka obw'omu ggulu buweebwa abo abali nga 'omuto' (Lukka 22:26). Kale nno, mu bikolwa bya Isaaka ne Yakobo byombi bwe basabira omuzaale ow'okubiri omukisa, Katonda addamu okulaga omusingi Yesu gwe yayigiriza oluvannyuma. Ebikolwa byabwe eby' 'okukkiriza' byakolebwa okutulaga engeri y'abantu gye tusaanidde okuba nga 'abazaalibwa okuppya.'

Ka tweyongereyo okwetegereza engeri z'omuzaale ow'okubiri oba omuto. Omwana omuto talina buyinza ku busika obuva ku kitaawe ow'oku nsi. Ekifo kye kya ttutumu na kitiibwa bitono. Ye mwana 'ow'okusikira ebisigalidde,' aweebwa engoye n'ebizannyo ebyasuulibwa muganda we omukulu.

Ku ssomero bayinza okumanyibwa nga muganda wa "gundi," nga tebalina kye beemanyisa ku bwabwe. Ebyo bye batuukako bipimibwa nga bigeraageranyizibwa ne muganda waabwe omukulu. Ng'omwana omusaasaanya, bayinza okuva eka nga beetisse ebintu byabwe byonna eby'oku nsi mu nsawo ku bibegabega byabwe, ate muganda waabwe omukulu ng'asigala okulabirira obusika bwabwe, ennimiro.

Omwana omuto tafaayo ku mbeera nga bw'eri, era takolera mu by'obufuzi kukuuma bintu bye. Bw'oyita ku nteekateeka z'ensi eno, mujeemu. Nzijukira ekiseera Baibuli eyitibwa Living Bible bwe yali ekolebwa. Buli kitabo kya Baibuli kyafulumizibwa kyokka, nga buli kimu kirina omutwe gwakyo ogw'enjawulo.

Enjiri ya Makko, eyogera ku Yesu ng'omuweereza, yaweebwa omutwe nti, "Yesu — Omujeemu Alina Ensonga." Nnyina yalangirira mu bunnabbi nti Ye alija "kusaasaanya ab'amalala mu birowoozo by'emitima gyabwe, okuwanula ab'obuyinza ku ntebe zaabwe ez'obwakabaka, n'okugulumiza abo abatono. Alija kukkusa abalumwa enjala ebirungi, n'okugoba abagagga nga tebalina kantu" (Magnificat — Lukka 1:52-53). Okwo kwe kulangirira olutalo eri enteekateeka z'ensi eno! Yazze okunyweza obwakabaka bwe, era ayita abantu be, abazaalibwa emirundi ebiri, obutamatira na mbeera ya nsi eno, wabula okubeeramu Obukristaayo obuwakanya empisa z'ensi.

Bwe ndowooza ku bantu abalala aba Baibuli abaamanyibwa olw'okuba abato, aba wansi ennyo, oba ab'oluvannyuma, nsikirizibwa eri omulenzi omusumba, Dawudi.

Ye yali asembayo obuto ku batabani ba Yese omunaana (1 Samwiri 16). Ani eyandisobodde okulaba ebiseera bye eby'omu maaso nga bifaanana bwe bityo, nnabbi Samwiri bwe yajja okumufukako amafuta okuba kabaka wa Isirayeri? Obumanyirivu bwe yalina bwokka bwali bwa kulunda ndiga, naye teyali ayonoona budde bwe! Yali yeegezaamu envuumuulo, ng'akola omulimu gwe n'obwesigwa, era ng'akuuma endiga za kitaawe okuva eri empologoma n'eddubu.

Wadde nga ye yali asembayo mu lunyiriri lw'abo abasikira ebisigalidde, teyalaga bukyayi. Wabula, yayiga okukkiriza ekifo kye n'okulindirira omukiseera gwe. Mukama yamulonda okuba kabaka kubanga yamanya omutima gwe. Katonda yali agambye Samwiri nti, "Kubanga Mukama

talaba ng'omuntu bw'alaba; omuntu atunuulira kungulu, naye Mukama atunuulira mu mutima” (1 Samwiri 16:7).

Dawudi yali ayize okwesiga Katonda, ne bwe wabangawo embeera ezaali zifaanana ng'abasajja abawanvu ennyo mu maaso ge. Teyakaza maaso ge ku bizibu wabula yakuuma amaaso ge ku Mukama. Obwesige bwe bwali mu Mukama ne mu nvuumuulo, si mu byokulwanyisa bya Sawulo bye yali atagezesezza. Ggwe kiki ky'ogezesezza?

Ekigambo kya Katonda? Erinnya lye? Bijja kuyimirira mu kugezesebwa.

Dawudi bwe yayingira olubiri lwa Sawulo, teyawaliriza nteekateeka za Katonda ez'ebiseera. Yali ayize okulinda! Toyanguyiriza kukulembera Katonda; ojja kutambulira mu kisiikirize kyo kyokka! Wadde nga waaliwo ebiseera ebyafaanana ng'ekyo Katonda ng'amuteekera entebe ey'obwakabaka mu maaso ge, Dawudi yali akyalinda, ng'agamba nti, “Sigolola mukono gwange ku oyo Mukama gwe yalonda” (1 Samwiri 24:6). Tewaali kya kukolera mu by'obufuzi gy'ali. Eyo ye ngeri y'ensi — si ngeri ya bantu ba Bwakabaka, era Katonda yamanya omutima gwa Dawudi!

Obufunze Eri omuwandiisi w'Abaebbulaniya 11, bajajja Isaaka ne Yakobo baalunŋamyibwa Katonda okwogera emikisa ku muzaale ow'okubiri, ne mu bukuusa bwa Yakobo. Emisingi gya Baibuli Mukama gy'ayagala okutuyigiriza gye gino: 1. Alina omukisa omuntu azaaliddwa emirundi ebiri.

2. Emikisa gyaffe giyita mu Adamu ow'okubiri eyatununula okuva mu kikolimo kya Adamu ow'oluberebereye.

3. Abaana b'omuzaale ow'okubiri basaanidde okuba Abakristaayo abawakanya empisa z'ensi, nga tebaagala nteekateeka z'ensi eno era nga balaga engeri ez' 'obuto.'

Yusufu

“Olw’okukkiriza Yusufu, ku nkomerero y’obulamu bwe, yayogera ku kuva kw’Abaisiraeri mu Misiri, era n’alagira ebifa ku kuziikibwa kwe” (Abaebbulaniya 11:22).

Ebyafaayo ebimpi eby’okusonyiwa kwa Yusufu baganda be abaamukola obubi ennyo, biri ku nkomerero ya Olubereberye 50. Awo we tusanga ebigambo eby’ekitalo, “Mmwe mwandaliira akabi; naye Katonda yakiraliira obulungi, okutuukiriza nga bwe kiri leero, okuwonya abantu bangi” (Olubereberye 50:20). Wadde ng’omulabe emirundi mingi aleeta okulumbagana ku bantu ba Katonda, Kitaffe asobola okubifuula okuba obulungi, gye tuli, era n’okuweesa erinnya lye ekitiibwa.

Kirabika nga kya kwewuunya nti omuwandiisi w’Abaebbulaniya, bwe yali awandiika ku kukkiriza, teyayogera ku biwonvu n’ensozi Mukama gye yayisa Yusufu, wabula yalonda ekintu ekirabika ng’ekitakulu ekiggalawo ekitabo ekisooka ekya Bayibuli.

“Nnaatera okufa, naye Katonda alibakyalira, era alibaggya mu nsi eno n’abatwala mu nsi gye yalayirira Ibulayimu, Isaaka ne Yakobo” (Olubereberye 50:24). N’alayiza baganda be nti Katonda bw’alibakyalira, baali ba kutwala amagumba ge nga bagenda nago mu nsi eyasuubizibwa.

Wandiyiseewo emyaka emirala 400 nga obunnabbi buno obwa Yusufu tebunnatuukirira wansi w’obukulembeze bwa Musa. Okulaba okutuukirira kw’okusaba kwe, laba Okuva 13:19 ne Yoswa 24:32.

Yusufu yalina okubikkulirwa okw'omunda okuva eri Katonda kwe yaatula n'akamwa ke, nga bwe kityo Peetero omutume bwe yandikoze ku lusozi.

Kerumooni oluvannyuma lw'emyaka egisukka mu 2000. Omwo mwe muli okukkiriza kwe.

Kiki kye tuyinza okuyiga okuva mu lunyiriri luno?

Okusooka, tulaba obufaanagana wakati w'embeera ye n'eya kitaawe ne jjajjaawe. Nga Isaaka ne Yakobo, yali mugenyi, omutambuze mu nsi ey'amawanga. Abasajja bano abasatu bonna baafa nga tebannayingira mu kisuubizo Katonda kye yali akoze, ekisuubizo eky'ensi eyasuubizibwa n'obukulu eri eggwanga lya Isiraeri. Isaaka yasigala nga muyisi wa nte era omuwuzi, Yakobo yali akyali mu buwanjangu mu nsi y'e Misiri, ate Yusufu yali atuuse ku ntikko ez'ekitiibwa eziwuniikiriza, naye kyali kikyali kitiibwa kya mugenyi mu nsi ey'amawanga. Kyokka bonsatule, Katonda yabawa obujulizi nti ekisuubizo kye tekiiremererwe. Baafa nga balina essuubi so si nga baweddemu amaanyi.

Ne bwe kiba nga embeera yaffe mu bulamu eri etya, tuyitibwa okutambula ekkubo lye limu ery'abajajja bano: olugendo lw'okukkiriza. Naffe tuyinza okugulumira mu nsi eno, naye tetuteekwa kwerabira nti tuli batuuze b'obwakabaka obulala, obwa waggulu. Abasinga obungi ku ffe tebalifuna bisuubizo bya Katonda ebisingako obukulu, naye buli omu ku ffe atekwa okubeeramu mu ngeri ereeta olunaku okusembera nga abalala basobola okusanyukira mu byo. Yesu yasubiza ekisuubizo eky'ekitalo nti Enjiri etekwa okubuulirwa mu nsi yonna eri amawanga gonna "n'oluvannyuma enkomerero eryoke ejje" (Matayo 24:14). Ku nkomerero alikomya ekibi n'aleeta obwakabaka bwe obw'obutuukirivu.

Nga bw'obeera mu nsi leero, oyinza okukkiriza nti okujja kwe kukyali wala nnyo. Wabula, ekyokulabirako kya Yusufu kituweebwa okutuyigiriza nti tuteekwa okusuubira bulijjo obukakafu obw'okutuukirira

kw'ekisuubizo n'okubeera obulamu obw'okusuubira okwenkanidaawo. Tuteekwa okubeera buli lunaku mu kitangaala ky'obulamu obutaggwaawo.

Bwe waayitawo emyaka, Yusufu yajja okumanya obwesigwa bwa Katonda, era enjogera ye n'ekyuka. Teyeeyongerera kwogera ku birooto mwe yandifugidde ab'omu maka ge. Teyagamba nti, "Genda otegeeze kitange ekitiibwa kyange kyonna kye nnina mu Misiri."

Omuwandiisi w'Abaebbulaniya yalonda ekyokulabirako eky'ennaku ze ez'okufa okutuyigiriza ekintu. Yusufu asemblerera enkomerero y'ekitiibwa kye eky'oku nsi era ategeeredde nti ekitiibwa n'ebitiibwa byonna eby'ensi eno tebiriimu kantu eri omuntu afa. Biyinja okumatiza okumala akaseera, naye ku nkomerero biba ng'ejjovu erisaanawo mangu.

Obulamu kintu ekiyita mangu.

"Obulamu bwammwe kiki?" bw'ayogera Yakobo, "Muli mukka, ogulabikako akaseera katonu, oluvannyuma ne gubulawo" (Yakobo 4:14).

Katonda akubiriza okukkiriza mu musajja omukadde alyoke kaakati alabe obusika bwe obwenyini gye buli. Buli mu nsi ey'omu maaso n'okujja kw'omununuzi ow'omu maaso. Omuntu yandirowoozezza nti yandyagadde ezzadde lye okusigala mu nsi eno ey'e Misiri emukoledde obulungi bwe butyo. Kale lwaki tayagala mubiri gwe kusigala eyo? Oboolyawo singa teyaziikibwa mu Misiri, bandimuzimbidde ekijjukizo ekinene, entaana ennene mu kifo eky'ekitiibwa, oba oboolyawo ne batuumu erinnya lye ku kizimbe ekikulu; erinnya lye lyandimanyiddwa emirembe gyonna. Ddala, yandisobodde okuzimbisa yeekaalu eri Mukama n'agituumu "Ekkansa ey'Ekijjukizo kya Yusufu Omusooka mutabani wa Yakobo." Mu ngeri eyo yandireese ekitiibwa eri Katonda nga tafiiriddwaako ku kitiibwa kye ekyennyini!

Kyokka, Katonda tagabana kitiibwa kye na muntu, wadde n'ekitonde kye kyonna. Njogera mu ngeri ey'okunyooma, naye si kya kwewuunya nga bwe kiri nti bangi ku 'basajja ba Katonda' abamanyiddwa mu nnaku zaffe,

banywerera nnyo ku bitiiibwa byabwe oba erinnya lyabwe nga biri mu kabi mu lutalo olw'obwesimbu n'obwesigwa eri omulimu gwa Katonda. Si kya kwewuunya engeri abakkiriza gye bayinza okusendebwasendebwa okukola 'omulimu guno' oba okuwaayo eri 'ensonga eri,' nga waliwo empeera oba obukulu ebisibiddwa ku byo. Wabula, tuyitibwa okuba ng'abasajja abafu, nga tetwenjaanga ku ddembe lyaffe lyonna era nga tetunoonya kukulu mu nsi eno. Katonda tatuyise kuba ba ttutumu oba ba magoba; atuyise kuba beesigwa.

Nga Yusufu, omulamwa gwaffe gusaanidde kuba kujja kw'omununuzi waffe n'okukunjaanyizibwa kwaffe okumwolekera. Yesu ye mununuzi waffe, era ajja mangu. Amaze okutununula okuva mu kibonerezo ky'ekibi — okuweebwa obutuukirivu, obulamu obutuukiridde eri emyoyo gyaffe. Kaakati atununula okuva mu maanyi g'ekibi — okutukuzibwa, obulamu obutuukiridde eri emmeeme zaffe, era ajja kujja mangu okututununula okuva mu kubeerawo kw'ekibi — okuweebwa ekitiibwa, obulamu obutuukiridde eri emibiri gyaffe!

Nkakasa nti, obutafaanana Yusufu, tetulina kulinda myaka gisukka mu 400, wabula nti “mu bbanga ttono ddala, tujja kulaba Kabaka” (Andraé Crouch, Soon and Very Soon). Bwe ntunuulira ensi eno n'ebizibu byayo ebyeyongera eby'okuyitirira kw'abantu, enjala, obutyabaga obw'obutonde, n'okusaanawo kw'amaka n'enkola z'abantu. Bwe ntunuulira ekkansa n'okwaziya kwayo okunene n'entegeka z'obuweereza mu bitundu ebisinga eby'ensi, nkakasa nti ajja mangu. Bwe ndowooza ku njawukana eri mu kkanisa wakati w'abo abeesigwa eri Ekigambo kye n'abo abasingako okuba ab'eddembe, sikenjentererwa, naye ntegeera nti kaakati ateekateeka era atukuza omugole we. Bwe tunaaba nga tuli balamu ng'ajja, tulikwana obusika obwo, naye ne bwe tulyebaka, tetulirekebawo. Kale, mu bigambo bya Yusufu bye yayogera olw'okukkiriza, tulaba abalamu n'abafu nga bagenda wamu okuva mu kifo eky'obuddu.

“Abaafiira mu Kristo balisooka okuzuukira. N’oluvannyuma ffe abalamu, abasigaddewo, tulisitulibwa wamu nabo mu bire okusisinkana Mukama mu bbanga, era bwe tutyo tuliba ne Mukama emirembe gyonna” (1 Abasessaloniika 4:16-17).

Mazima ekitiibwa n’okumasamasa okw’ensi eno biggwaamu langi nga bwe tusuubira olunaku olwo olw’essanyu, olunaatera nnyo okubaawo. Tukifuula omulamwa gwaffe ogwa buli lunaku? Oboolyawo twetaaga okukomawo ku ‘kitanda kyaffe eky’okufirako’ wansi w’omusaalaba, okulaba kwaffe we kunaakyusibwa, kubanga abasajja abafu tebafaayo ku bintu bya nsi eno.

Obufunze Ku kitanda kye eky’okufirako, Yusufu yaweebwa okukkiriza okutunula mu maaso n’okulaba omununuzi, Musa, eyandizze okukulemba abantu ba Katonda okuva mu Misiri n’abatwala mu busika bwabwe.

Wadde nga yali musajja eyakulaakulana mu Misiri, okukkiriza kwabikkula nti waaliwo ensi esinga obulungi n’ebiseera eby’omu maaso ebisinga obulungi eri abaana ba Isiraeri.

1. Omununuzi, Yesu, azze okutuggya mu buddu bwaffe n’atukulemba okutuusa mu bwakabaka bwe obwasuubizibwa.

2. Okukkiriza kutuleetera okutunula mu maaso n’amaaso g’abasajja abafiiridde ensi eno.

3. Enkomerero yaffe teri mu bintu byaffe oba mu kifo kye tulina — eri mu kisuubizo kye.

4. Twetaaga okubeera buli lunaku mu kitangaala ky’okujja kwe okwokubiri.

5. Obulamu buno kaseera buseera akayita mangu.

Musa

“Olw’okukkiriza Musa bwe yazaalibwa, abazadde be baamukweka emyezi esatu, kubanga baalaba ng’omwana mulungi, era tebaatya kiragiyo kya kabaka. Olw’okukkiriza Musa bwe yakula, yagaana okuyitibwa omwana w’omuwa wa Falaawo, n’asalawo okubonaabonezebwa wamu n’abantu ba Katonda okusinga okusanyukira mu ssanyu ery’ekibi eritaliwo. Yalowooza nti okuvumibwa ku lwa Kristo bwe bugagga obusinga eby’obugagga bya Misiri, kubanga yali atunuulira empeera.

Olw’okukkiriza yava mu Misiri, nga tatya busungu bwa kabaka, kubanga yagumiikiriza ng’alaba oyo atalabika. Olw’okukkiriza yakwata Embaga ey’Okuyitako n’amansira omusaayi, omuzikiriza w’ababereberye aleme okubakwatako. Olw’okukkiriza abantu baasomoka Ennyanja Emyufu ng’abatambulira ku lukalu, naye Abamisiri bwe baagezaako okukola bwe batyo, baasaanyizibwawo (Abaebbulaniya 11:23-29).

Wano we watandikira okumanyisa mu bufunze obulamu bwa Musa, mukwano gwa Katonda.

Ekyafaayo ekijjuvu ekitegeezebwa mu byawandiikibwa ebimpi ebiri waggulu kisangibwa mu Okuva 2-14.

Oluvannyuma lw’okuzaalibwa kwe mu Misiri, Falaawo eyali afuga ensi eyo yafulumya ekiragiyo nti abaana bonna abalenzi baba battibwa, ng’atya nti Abayudaaya bayinza olunaku olumu okuyitirira obungi ne bagolokoka mu maanyi ne balwanyisa Misiri. Naye abazaalisa baatya Katonda, kyeabaava

batakola nga Falaawo bwe yalagira. Katonda yabawa omukisa olw'ekikolwa kino, era Abayudaaya ne bafuuka ba maanyi nnyo.

Amaka agamu ag'Abaebbulaniya agaalina omwana omulenzi omuto baamukweka mu bitoogo olw'okukkiriza okutuusa Katonda lwe yayolesa omwana eyakwekebwa eri omuwala wa Falaawo (Okuva 1-2). Katonda ye yalunghanya Omuleevi ono ne mukyala we okukweka omwana waabwe mu kifo Katonda kye yandiragidde; yandizuuliddwa omumbejja.

Okukkiriza kwabwe kulabikira mu ngeri gye baagondera okukubirizibwa okw'omunda kuno.

Musa bwe yakula, Katonda yamulunghanya okufuuka omusumba mu nsi ya Midiyaani (Abaebbulaniya 11:27). Eyo we yasigala okutuusa lwe yaweza emyaka kinaana, ng'alunda endiga za sezaala we, Yesero (Okuva 2:11-3:1). Ebyafaayo eby'obutonde bitubuulira nti Musa yadduka ng'atya Falaawo kubanga yali asse omuntu! Newaakubadde nga yakuzibwa mu maka ga Falaawo, yali ayigirizibwa abaddu Abaebbulaniya - nnyina ng'ali mu bo - era yamanya nti mwana wa bantu Abaebbulaniya. Yawulira okusikirizibwa okw'omunda eri abantu abaamuzaala newaakubadde nga yali yeetooloddwa ebintu eby'ekitiibwa n'obugagga bwa Misiri. Okwegomba okwenkana awo ne kufuumuuka mu bukambwe obw'obussi, n'obwesudde obw'okudduka.

Sikkiriza nti Ebyawandiikibwa bikontana, noolwekyo tuteekwa okusoma ebyafaayo ebiri mu Abaebbulaniya 11 nga bitegeeza obulunghanya bwa Katonda mu bulamu bwa Musa aleme okutuukibwako obusungu bwa Falaawo. 'Okutya,' kitegeeza okutuukibwako obusungu bwa Falaawo.

Omuwandiisi eyawandiikira Abaebbulaniya atunuulira ebyabaawo ng'azzaayo omwoyo emabega, era asobola okulaba, mu byabaawo byonna eby'obulamu bwa Musa, omukono gwa Katonda ogw'olwatu nga gulunghanya. Ateekateeka omuntu okukola omulimu.

Ebyafaayo ebyaddirira biraga ensonga lwaki Katonda yamuggya mu maka ga Falaawo, newaakubadde ng'ekikolwa ekyakivaako kyali bukambwe bwa Musa yennyini.

“Nga obulamu buno bwafaafaaganyizibwa!” tuyinza okwogera nga twuntuulira omusajja ono, eyatendekebwa mu maka ga Falaawo, nga mukugu okwewanirira mu bantu ab'ebitiibwa bonna. Mu kifo ky'ekyo, tumusanga ng'akola ng'omusumba, ng'alunda endiga. Kino yakikola emyaka 40 'egyafaafaaganyizibwa'!

Naye tewali kifaafaaganyizibwa Katonda bw'aba afuga. Kutendekebwa ki okusingako obulungi okwandibaddewo ku lw'omulimu Katonda gwe yali ategeka?!

Yayagala omusajja, eyamanya empisa z'embuga za Falaawo era eyandisobodde okukulemba obukadde n'obukadde bw'endiga ezikaaba, ez'amagulu abiri, okumala emyaka amakumi ana mu ddungu!

Buli nkyukakyuka mu kkubo ery'obulamu bwa Musa yali yalagiddwa Katonda; yali atekateeka omuntu ow'enjawulo ku lw'ekigendererwa eky'enjawulo, era yali alonze omuntu omutuufu, kubanga yamanya omutima gw'omusajja ono, era nti asobola okwesigibwa okugoberera obulunyamya bwe olw'okukkiriza.

Naye okusooka, waaliwo ekisaka ekyaka omuliro (Okuva 3:2), Katonda gye yafuna okuzibu okunene mu kukakasa omuddu we okuba n'obwesige obungi mu busobozi bwe n'obulunyamya bwe (Okuva 3:11, 4:1, 10, 13 n'ebirala). Weetegereze Okuva 4:14, Katonda yasunguwala olw'obutakkiriza bwa Musa!

Mu lunyiriri 28 Musa yagondera bwe yalagirwa okukwata Embaga ey'Okuyitako ng'amansira omusaayi ku miryango gy'obuli nnyumba y'Omwebbulaniya mu Misiri (Okuva 12). Yandisobodde okubuuza Katonda ku kiragiro kino ekitategerekeka, naye teyakikola.

Kuno kwe kukkiriza.

Kaakati mu lunyiriri 29 atandika okulaga obwesige n’obukkiriza obungi mu Katonda okusingawo (Okuva 14:13), naye ekissibwako essira mu lunyiriri kwe kuba nti Katonda ye yaggula ennyanja n’aleetera Abamisiri okusaanyizibwawo, si lwa kuba nga Musa yali ‘akikkirizza’ okubaawo. Yagondera kyokka bwe yagambibwa ky’okukola, oluvannyuma lw’okukaabira Katonda mu kuggwaamu essuubi kwe. Yateeka omuggo gwe mu mazzi g’Ennyanja Emyufu, amazzi ne gaawukana, Abaebbulaniya ne basobola okusomoka ku lukalu (Okuva 14).

Yandisobodde okubuuza Katonda ku kiragiho kino ekitategerekeka, naye teyakikola. Kuno kwe kukkiriza.

Tekyewuunyisa nti Musa yayitibwa “mukwano gwa Katonda” (Okuva 33:11). Obulamu bwe bwonna kye kyokulabirako eky’okutambula mu kukkiriza.

Musingi ki gwe tuyinza okuyiga mu kyokulabirako kya Musa?

Mazima ddala, nti Mukama atambula mu maaso g’abantu be nga batambula mu kukkiriza. Abalunnamya alyoke abakozese okutendereza ekitiibwa kye. Alibatuusa mu kifo eky’omugendererwa gwabwe kye yabateekerateekera. Oluusi abalunnamiza mu bidduka eby’ebiwonvu, oluusi amakubo ge tegasanyusa era tegalina nsonga, naye amanyi ekkubo lye tukwata.

“Katonda bw’ayagala okutendeka omuntu, okusanyusa omuntu, n’okumusomesa obukugu; Katonda bw’ayagala okubumba omuntu okukola omulimu ogusinga obulungi; Bw’ayaayaanira n’omutima gwe gwonna okutonda omuntu omukulu era omuvumu ennyo, ensi yonna eryoke ewuunye, Tunuulira enkola ze! Tunuulira amakubo ge!

Nga bw’atuukiriza awatali kusaasira - abo b’alonda mu bwakabaka; Nga bw’amukuba n’ennyondo n’amulumya era n’ebikonde eby’amaanyi n’amufuula ebitole eby’ebbumba eby’okugezesebwa Katonda yekka by’ategeera!

Ng’omutima gwe ogubonyaabonyezebwa gukaaba era ng’ayimusa emikono egyeegayirira!

Nga bw’akyusa, naye n’atamenya abo b’akolera obulungi; Nga bw’akozesa abo b’alonda era n’ekigendererwa eky’okwagala n’agatta, emmeeme ye ezitoowereddwa n’agisindika okugezesa obugagga bwa Katonda.

Katonda amanyi ky’akola!”

(Omuwandiisi tamanyiddwa) Enjazi Ebbiri Ekikolwa ekimu ekyawandiikibwa mu bulamu bwa Musa we yatagondera kiragiyo kya Katonda kisangibwa mu Okubala 20. Ekikolwa kino eky’obujeemu kyamuggyako ekyo kye yayagala okusinga - okuyingira ensi eyasuubizibwa. Kirungi okukyekenneenya mu bujjuvu, kubanga okusooka kirabika ng’ekikolwa ekitono nnyo eri Katonda eyeeyita, mukwano gwa Musa!

Mu Okuva 17, nga wayiseewo akaseera katono nga Abayisirayiri baakava mu Misiri, baatandika okwemulugunya nti tebaalina mazzi gamala ga kunywa. Katonda yagamba Musa nti, “Laba, nnaayimirira mu maaso go awo ku lwazi mu Kolebu, olikuba olwazi, amazzi ne gavaamu, abantu banywe” (Okuva 17:6). Musa yagondera abantu ne basobola okunywa.

Nga wayiseewo emyaka nga amakumi ana, ku mulyango gwa Kanani, waliwo ekintu ekifaanagana ne kibaawo nga kireeta ebivaamu eby’ensonyi n’obulumi eri Musa.

Mu Okubala 20, abantu nate beemulugunya nti tebalina mazzi. Ebiragiyo bya Katonda eri Musa ku mulundi guno bye nti “Ddira omuggo, okunjaanye ekibiina, ggwe ne Alooni muganda wo, mugambe olwazi mu maaso gaabwe luleete amazzi gaalwo” (Okubala 20:8). Mu kifo ky’ekyo, Musa yasooka okunyenya abantu olw’okwemulugunya kwabwe, oluvannyuma n’akyukira olwazi n’alukuba n’omuggo. Tewali mazzi gaavaamu! Mu nsonyi ze, yaddamu okulukuba, Katonda n’alaga ekisa n’akkiriza amazzi okukulukuta; naye ekikolwa kino eky’obujeemu

kyamuleetera okwogera nti, “Kubanga tewanzikiriza, okunnjulira nga mutukuvu mu maaso g’abaana ba Isirayiri, noolwekyo toliyingiza kibiina kino mu nsi gye mbawadde” (Okubala 20:12). Newaakubadde nga Musa yandyegayiridde Katonda asonyiyibwe era afune essanyu ery’okuyingira Kanani, tekyabaawo (Ekyamateeka 3:23-26).

Abamu bandigambye nti Musa yasalirwa omusango kubanga yasunguwalira abantu. Nze sikkiriza bwe kityo. Katonda mukulu nnyo okusinga okusalira mukwano gwe omusango olw’ekyo! Kyokka nga twekenneenya katono okugenda mu buziba, we tuvumbula amazima ag’ekitalo Mukama ge yayagala Musa okutwolesa - ekifaananyi kye yayonoona olw’obujeemu bwe.

Twetaaga okulowooza ku njazi ebbiri n’emiggo ebiri mu bikwatibwako ebiri waggulu. Mu kyawandiikibwa ekya Okuva, ekigambo ky’Olwebbulaniya ekitegeeza olwazi kwe “tsoor,” olwazi olwogi oba oluyinza okusala. Lwali ng’olwazi olw’ekiwenya, akatundu kaalwo akatono kandiwigaddwa okuba akambe. Olwazi olw’engeri eyo lwandikozeseddwa okutta n’okusalamu ebisolo eby’ssaddaaka. Katonda bwe yakola endagaano ye ne Ibulayimu, yakikola ng’asalamu ebisolo mu bibiri, ng’abyawula ne wabaawo ekimuli eky’omuliro ekya Katonda ekyayita wakati waabyo (Olubereberye 15). Ne leero, ng’ebika ebimu eby’Afrika bwe bikola endagaano ey’ekika, bakozesa ebigambo “okusala endagaano.” Ekifaananyi ekya Okuva 17 kya Katonda ng’ayimiridde mu kifo eky’olwazi olwogi ng’agumira okukubibwa omuggo gwa Musa ku mubiri gwe.

Nga kino kibonero kya kitalo ekyalagula olunaku Katonda Omulokozi waffe lwe yandisazeeko endagaano ey’olubeerera ku lwaffe ng’agumira okukubibwa okw’Amateeka mu mubiri gwe ku muti ogwa Kalivaali! Amazzi ag’obulamu gaakulukuta okuva mu mubiri ogwo ogwamenyeka; amazzi ageeretera abo abanywa “obutaddayo kulumwa nnyonta” (Yokaana 4:14).

Mu kyawandiikibwa ekya Okubala, ekigambo ky’Olwebbulaniya ekitegeeza olwazi kwe “selah,” ekigo, oba olwazi oluwanvu, oba ekiddukiro. Omuggo guteekwa okuba omuggo gwa Alooni - omuggo gwa Kabona Asinga Obukulu. Ekifaananyi ku mulundi guno kya Mulokozi, eyagulumizibwa era eyasitulibwa waggulu, gwe tujjira n’obuyinza obw’obwakabona. Twogera n’olwazi mu kusaba n’okwegayiririra abalala, okwebaza n’okusinza, amazzi ne gakulukuta.

Kifaananyi kino Musa kye yalemwa okwoleka olw’obujeemu bwe.

Peetero omutume yawandiika nti, “Kubanga Kristo yafiira ebibi byaffe omulundi gumu ogw’olubeerera, omutuukirivu ku lw’abatali batuukirivu... [era kaakati ali] ku mukono ogwa ddyo ogwa Katonda, ng’agenze mu ggulu, bamalayika n’obuyinza bwonna nga biwuliza gy’ali” (1 Peetero 3:18,22).

Katonda atenderezebwe kubanga omulimu gw’omusaalaba mulimu ogutuukiridde. Yesu tayeetaaga kuddayo kuttibwa. Kaakati afugira waggulu, era tumujjira n’amaaso agayimusiddwa, okusinza nga bakabaka era bakabona mu maaso ga Katonda waffe - era ayongera okufuka amazzi ge amalamu.

Tusaanidde okwetegereza nga tuyita nti Musa yayingira Ensi Eyasuubizibwa, si mu bulamu obw’omubiri wabula mu bulamu obw’ekitiibwa obwa mukwano gwa Katonda (Makko 9). Enkomerero y’olugendo eri bonna abatambulira mu kukkiriza, kwe kuba nti balibeera n’Omulokozi waabwe, nga bagulumizibwa mu maaso ge. Nawaakubadde nga Mukama ayinza okutukangavvula, kiba kya kiseera buseera alyoke atubumbe okuba ekifaananyi kye. Ekitiibwa eky’omu maaso kikakafu kubanga okusalirwa omusango kwonna n’okusalira kuggiddwa okuva ku ffe ne kudda ku Mulokozi!

Ennyunyunsi Mu bulamu bwa Musa mwe ndaba ekyokulabirako ekisingayo obweyulu eky’obulamu obw’okukkiriza. Mu bulamu bwe

bwonna Katonda yali alunnamizza embeera ezandibumbye omuntu ng'omutima gwe bwe guli era ku lw'ebigendererwa bye. Ono ddala ye musajja eyandibadde “olw'okutendereza ekitiibwa kye” (Abaefeso 1:12).

1. Ebintu byonna bikolagana wamu ku lulungi eri abo abatambula mu kukkiriza.

2. Mikwano gya Katonda be abo abatambula mu kukkiriza.

3. Katonda anoonya abasajja n'abakazi b'ayinza okubumba okuba ebibya eby'ekitiibwa kye.

4. Enkola ey'okubumba gwe mulimu ogw'okukkiriza.

5. Okukkiriza tekutuwonya lusala oba nnyondo ey'omubumbi wa Katonda.

Lakabu

“Olw’okukkiriza bbugwe wa Yeriko yagwa, ng’amaze okwetooloolwa okumala ennaku musanvu. Olw’okukkiriza Lakabu omwenzi teyazikirira wamu n’abo abataagonda, kubanga yasembeza abakessi n’emirembe” (Abaebbulaniya 11:30).

Olugero lwa Yeriko ne Lakabu lusangibwa mu Yoswa essuula 2, ne 3, ne 6:22 n’ebiddirira.

Yeriko kye kyali ekibuga ekyasooka ekyaliko bbugwe Abayisirayiri kye baasanga bwe baamala okusomoka omugga Yoludaani okuyingira mu Kanani. Baali batya okuwangula ekibuga kino nga tebalina byakulwanyisa? Yoswa, omukulembeze omuggya ow’abantu ba Katonda, yatuma abakessi babiri okwekenneenya ekizibu kino. Bayingira mu nnyumba ya Lakabu eyali ezimbiddwa ku bbugwe w’ekibuga. Awandiikiddwa ng’omwenzi, newankubadde abamu ku bannafuluma abogera nti kino tekitegeza kirala wabula nti yali nnyini nnyumba ey’abagenyi eyapangisanga.

Abantu b’e Yeriko baali bamanyi bulungi nti Abayisirayiri baali basembera era baali bawulidde ebigambo ku bintu eby’ekitalo katonda waabwe bye yali abakoledde, kale bwe waajja abagwira babiri mu kibuga, kyali kya bwerere okulowooza nti baali bakessi.

Lakabu asalawo okulimba abantu be, ng’akweka abakessi baleme okuzuulibwa, era ng’agamba abaabuuza nti abasajja bombi baali bavuddemu ekibuga nga baakayingira. Tetumusiima olw’obukuusa

n’obulimba bwe, naye ebyafaayo bigenda kulaga nti Katonda yali alina ekigendererwa ku Lakabu ekyasukka wala ku kyonna kye yali asaanira.

Abakessi baddayo eri Yoswa n’amawulire ag’essanyu nti abatuuze b’ekibuga bajjudde okutya era nti “Mukama atuwadde ensi yonna mu mikono gyaffe” (Yoswa 2:24).

Yoswa awa abantu be ebiragiro ebirabika ng’ebitaliimu makulu, naye yabiwulira okuva eri Katonda kale kimugwanira okubigondera. Baali ba kwetooloola ekibuga omulundi gumu buli lunaku okumala ennaku mukaaga, ate ku lunaku olw’omusanvu emirundi musanvu! Abantu bandimubuuzizza, bandiwakanye, naye kaakati baali batandise okutegeera obulungi engeri za Katonda.

Okukkiriza tekuwakanya magezi; kusukkulumye ku magezi. Ku lunaku olw’omusanvu, nga bamaze okwetooloola ekibuga emirundi musanvu, bakabona ne bafuuwa amakondeere, abantu ne baleekaana, bbugwe n’agwa!

Kwali kukkiriza kwa Yoswa okungi okwakola kino? Kya kyewuunyo nti erinnya lye n’okwogerwa teryogerwa mu Abaebbulaniya! Singa omuwandiisi waffe yali ayagala okulaga okukkiriza kwa Yoswa okungi mu Katonda, yandikozesezza ekyokulabirako kya Yoswa ne Kalebu abaakomawo nga bamaze okuketta ensi mu Okubala 14. Bannaabwe abakessi ekkumi baali bajjudde okutya era tebaayagala kweyongerayo, ekyaleetera Kalebu ne Yoswa okubasunguwalira, nga bagamba nti “Mukama ali wamu naffe; temubatya!” (Okubala 14:9). Baakkiriza mu Katonda, naye omuwandiisi eri Abaebbulaniya tagezaako kutulaga bwesige bwabwe obungi, wabula ebikolwa bya Katonda olw’okukkiriza.

Okukkiriza tekwetaaga muntu kutegeera na kukkiriza; kwetaaga omuntu yenna anaagondera, ne bw’aba nga tategeera oba takkiriza! “Ai Mukama, nzikiriza; nnyamba obutakkiriza bwange!” (Makko 9:24). Kyetaagisa omuntu okugondera ekigambo kya Katonda. Okugonda kwalabika bbugwe n’agwa, olw’okukkiriza. Katonda yali ayogedde, abantu

ne bagondera, Katonda n'asindika bbugwe wansi. Singa yali abagambye okwogera n'olusozi ne bagondera, yandisesengudde olusozi.

Nga Lakabu alabika ng'ekyokulabirako eky'ekitalo eky'okukkiriza ng'omuntu bw'asooka okumutunuulira! Wano waliwo omukazi omulimba, omukuusa, era eyalya olukwe eggwanga lye, naye ate omuwandiisi eri Abaebbulaniya n'omutume Yakobo bombi bamuwandiika ng'ekyokulabirako eky'okukkiriza. Kale okukkiriza kwe kulabikira wa? Kyali lwa kukkiriza Lakabu bwe yatazikirira.

Katonda yamuwonya olw'engeri gye yayanukulamu obujulirwa bwe yali abuweredde munda ye. Yagamba abakessi abaali bakwekeddwa ku kasolya ke nti, "Mmanyi nga Mukama abawadde ensi, era nga entiisa yammwe etugudde, era nga abatuuze bonna ab'ensi baggwaamu amaanyi olwammwe... Awo bwe twakiwulira, emitima gyaffe ne gisaanuuka, era tewaasigala mwoyo mu muntu yenna olwammwe, kubanga Mukama Katonda wammwe, ye Katonda mu ggulu waggulu ne ku nsi wansi" (Yoswa 2:9,11).

Baliraanwa be bonna baakkiriza nga ye bwe yakkiriza, naye ne banywerera ku ssuubi lyabwe eritaliimu nti mu ngeri emu bandisobodde okuwugula omusango gwa Katonda gubaveeko. Baakkiriza nti bakatonda baabwe baali bakyalina amaanyi agamu okwolekera Katonda. Obutafaanana naye, tebaayagala kwatula kye baali bamanyi ng'amazima, kubanga okumanya kwabwe kwali kwa mutwe okwesigamiziddwa ku bigambo ne bye baawulira, songa okwe kwali kumanya kwa mutima okufaanana ng'okwa Peetero bwe yalangirira ku lusozi Kerumooni nti, "Ggwe Kristo!" (Yoswa 2:11). Yali n'okukakasa era n'okwatula.

Nga abantu b'e Yeriko baali bakyamu nnyo! Nga bwe kiri eri ebibiina by'abantu leero abakkiriza nti Mukama tajja kutuukiriza kye yagamba okusala omusango ku nsi eno olw'ekibi kyayo n'okugaana okukkiriza

ekkubo lyokka ery'okuwona - obulokozi obusangibwa ku musaalaba gwa Yesu.

Mu lugero lwa Lakabu, Katonda akuba ekifaananyi ekirala eky'omusaalaba ogwo, mu kusaba Lakabu okuwanika akaguwo akamyufu ku ddirisa lye, amaggye agalumba galyoke gakamanye ng'akakakasa okununulibwa kwe. Akaguwo akamyufu bulijjo kabadde kye tuwonyezebwa; omukutu ogwo ogw'omusaayi ogukyakulukuta okuva mu bisago bya Kalivali.

Bbugwe bwe yagwa, Lakabu n'ab'omu maka ge baawonyezebwa nga bwe yali asuubiziddwa, kubanga yeesiga nti akaguwo akaali ku ddirisa lye kagenda kussibwamu ekitiibwa. Mu ngeri y'emu, Katonda yeewaddeyo okussa ekitiibwa bonna abajja gy'ali nga bayita mu musaayi. Tewali kkubo ddala! "Buli akkiriza Omwana alina obulamu obutaggwaawo; naye atagondera Mwana taliraba bulamu, wabula obusungu bwa Katonda bubeera ku ye" (Yokaana 3:36). "Nga mumanyi nti mwanunulwa... si na bintu ebiggwaawo, ng'effeeza oba zaabu, wabula n'omusaayi gwa Kristo ogw'omuwendo omungi, ng'ogw'omwana gw'endiga ogutaliiko bulema wadde ebbala" (1 Peetero 1:18-19).

Lakabu yali asinza bakatonda, eyakuzibwa okusinza bakatonda abalala. Ekitangaala kye yalina kiyinza obutaba kinene nnyo, emikisa gye yalina gyali mitono, naye yagoberera akatangaala ako akaali munda ye.

Yakkiriza mu bujjuvu, era n'awonyezebwa; guno gwe musingi ogw'amazima ogw'okukkiriza.

Mu Matayo 1, tusanga olulyo lwa Yesu, omwana wa Dawudi, omwana wa Ibulayimu. Ekigendererwa ky'omutume kwe kulaga abasomi be Abayudaaya obusika obukulu era obw'obwakabaka Yesu mw'ava. Ye Muyudaaya ddala, ng'omwana wa Ibulayimu; era ye kabaka ddala olw'okuzaalibwa okuyita mu basajja, ng'omwana wa Dawudi, naye laba erinnya erissiddwamu ekitiibwa mu lunyiriri olw'okutaano. Lakabu

omwenzi, eyawonyezebwa olw’okukkiriza, ye jjajja omukulu ennyo owa kabaka Dawudi! Awandiikiddwa ng’omuzadde omutereevu ow’Omulokozi!!

Muwala wange Corinne yeenyigira nnyo mu kunoonyereza ku lulyo lwaffe. Kino kyali kinsanyusa nnyo okusooka, naye bwe yatandika okusima okugenda mu buziba, ne ntandika okweraliikirira katono.

Nnali nsomye ekitababwako kya “Time Life” ekyali ku “Pirates of the Caribbean” mu kyasa eky’ekkumi n’omunaana ne nkwatibwa entiisa okuzuula nti abamu ku baamanyibwa ennyo baali Bawelisi, nga nze!

Nnali ntidde olunaku Corinne lw’anaalangirira, ng’alina amaaso ag’amalala, nti omu ku bajjajjange yali munyazi eyamanyibwa ennyo.

Omwoyo Omutukuvu bwe yalunnamya abatume okuwandiika Enjiri, teyatukwekera nti Yesu yava mu bamalaaya, abakuusa, abatemu, n’abaayagalanga abakazi. Ddala, nnyina Maliyamu tekyandibadde kyangu okugumira amaaso ag’okubuusabuusa aga baliraanwa be bwe kyalabika nti yali lubuto nga tannafumbirwa! Tewali kye tubuulirwa ku bazadde be, bajjajja b’Omulokozi. Kiyinzika okuba nga kyava ku nsonga nti kyabazibuwalira nnyo okukkiriza ensanyi olubuto olw’engeri eyo lwe lwandibaleetedde? Kubanga, baali basobola batya okukkiriza nti muwala waabwe yali akyali mbeerera nga kyali kirabika nti yali lubuto?!

Singa nnali Katonda, nandikikoze mu ngeri endala! Nandireeteredde mutabani wange okuzaalibwa mu ddwaliro erisinga obulungi mu Yerusalemi, ng’alabirirwa abasawo abasinga obumanyirivu. Nandironze omumbejja ow’obwakabaka, omukazi asinga obulungi, ow’obukugu, era eyasoma okusinga mu nsi yonna okuba nnyina, era nandimwetooolodde n’obugagga n’ekitiibwa bye yali amanyiridde. Nandirangiridde ensi yonna nga nkozesa eddoboozi eryafaanana ng’okubwatuka okuva mu ggulu, nti mutabani wange yali azaaliddwa.

Mu kifo ky'ekyo, Katonda yalonda Yesu okuzaalibwa mu kiraalo ky'ente, ekifo ekijjudde obucaafu n'akawunga, ekitundwamu ente. Kitaawe yandikwatiddwa ensonyi ne nnyina yandibadde bw'omu, ng'agaanibwa mikwano gye, era oboolyawo n'ab'omu maka ge, ng'awulira ebivumo eby'obumalaaya mu matu ge. Okulangirira kwe kwawulirwa abasumba abawombeefu abaali balunda endiga zaabwe zokka. Omusajja wa Katonda ow'okukwataganya n'abantu ddala yaliremererwa, si bwe kityo!

Luno lwe kwagala! Tewali ngeri Yesu gy'ayinza okusikiriza abantu okumugoberera olw'ekifo kye, obugagga bwe, oba olulyo lwe. Tajja kukkiriza bintu bino kukunyaga ddembe lyo ery'okwesalirawo. Ekintu kyokka ky'akwetaaga kwe kwagala kwo, era okwo tekuyinza kusikibwa ku ggwe lwa maanyi. Tajja kukukusakyusa kumugoberera.

Abasajja ab'amaanyi ab'ensi eno balina abagoberezi baabwe abanywerera ku bo olw'ekitiibwa kye babawa. Pulezidenti omuggya bw'alondebwa, twetegereza amawulire n'obwegomba okulaba abo b'anaakunjaanya okumwetooloola. Yesu tawa bagoberezi be ku bugagga n'obuyinza bw'ensi eno. Mu kifo ky'ekyo, yeegattako abantu abasingira ddala obwavu, abantu bonna balyoke bawulire nti basobola okumusemberera. Oli omuntu atategerekeka, agaaniddwa, akubiddwa wansi, oba avunaanibwa? Asobola okukusaasira kubanga naye yakolebwa mu ngeri y'emu. Oli omwavu, atalina kitiibwa, atalina kya kwenyumiriza? Ategeera, kubanga naye yatambulira mu kkubo lye limu.

Napoleon Bonaparte bagamba nti yayogera nti, "Mu myaka amakumi asatu mu esatu Alegezanda Omukulu yawangula ensi yonna eyamanyibwa.

Mu myaka gye gemu, nange nawangudde ensi yonna eyamanyibwa. Ffembi twawangula n'amaanyi g'ekitala. Mu myaka amakumi asatu mu esatu Yesu naye yawangula ensi yonna, naye yawangula n'amaanyi g'okwagala - era annywangudde!"

Katonda yalonda omwenzi, olw'okukkiriza, ng'amanyi nti, mu ye mwe mwandivudde Omulokozi w'Ensi; Omwana we omwagalwa, Yesu.

Kino kye kisa! Okwagala okutasaanirwa!

Obufunze Omuwandiisi eri Abaebbulaniya ne Yakobo bombi baawa Lakabu ng'ekyokulabirako eky'okukkiriza mu bikolwa.

Abayisirayiri bwe baali basembera e Yeriko, Katonda yali atuukiriza ebigendererwa bye. Yali agenda kulonda omukazi eyali agenda kufuuka jjajja wa Yesu, omwenzi eyava mu ggwanga ery'abakaafiiri. Yali tamanyi kigendererwa kye bwe yakweka abakessi!

Tusaanidde okuyiga emisingi gino: 1. Yoswa yakkiriza Katonda era n'agondera. Erinnya lye teryogeddwa mu lunyiriri lwaffe kubanga okukkiriza tekuleetera muntu kitiibwa; ekigendererwa kyakwo kwe kuleetera Katonda ekitiibwa.

2. Okukakasa kwa Lakabu kwafuuka okwatula.

3. Ebisuubizo bya Katonda gye tuli byesigamiziddwa ku kukozeza akaguwo akamyufu (omusaayi).

4. Katonda alina ekigendererwa eky'amaanyi ku bonna abatambulira mu kukkiriza.

5. Ekisa kituuka ku basingira ddala wansi ne kibayimusa okutuuka ku bugulumivu obw'obwakabaka.

Era Njogere Ki Ekirala?

“Era njogere ki ekirala? Kubanga ebiro binaambula bwe nnaagenda okwogera ku Gidiyoni, ne Balaki, ne Samusoni, ne Yefusa, ne Dawudi ne Samwiri ne bannabbi — abaawangula obwakabaka olw’okukkiriza, ne bakola obutuukirivu, ne bafuna ebyasuubizibwa, ne baziba emimwa gy’empologoma, ne bazikiza amaanyi g’omuliro, ne bawona obwogi bw’ekitala, abaafuulibwa ab’amaanyi nga bava mu bunafu, ne baba basajja b’amaanyi mu lutalo, ne bagoba amaggye g’abagwira.

Abakazi baafuna abafu baabwe nga bazuukizibwa. Abalala baabonyaabonyezebwa nga bagaanye okununulibwa, balyoke bazuukire okuzuukira okusinga obulungi. Abalala ne bakemebwa olw’okusekererwa n’okukubwa embooko, weewaawo ne mu njogere ne mu kkomera. Baakubwa amayinja, baayasibwa n’emisumeeno wakati, baafa nga battibwa n’ekitala. Baatambulanga nga bambadde amaliba g’endiga n’ag’embuzi, nga baavuwadde, nga banyigirizibwa, nga bayisibwa bubi — abo ensi be yali etasaanira — nga bawaba mu malungu ne mu nsozi ne mu mpuku ne mu binnya by’ensi. Era abo bonna, newankubadde nga baaweebwa obujulirwa obulungi olw’okukkiriza kwabwe, tebaafuna ekyasuubizibwa, kubanga Katonda yali atulaaliddemu ekintu ekisinga obulungi, baleme okutuukirizibwa awatali ffe” (Abaebbulaniya 11:32-40).

Ennyiriri omwenda eziggalawo essuula eno ziwa obukakafu obweyolefu ku kye njogera. Olw’okukkiriza, bangi baakola ebikolwa ebikulu ne balaba ebyamagero ebikulu; olw’okukkiriza, abalala baayisibwa mu bulumi

n'okubonaabona okunene. Mazima ddala kino tekyava ku lw'okuba nga baakkiriza, wabula kubanga Katonda kye yayagala kwe kugulumizibwa mu bantu be, wadde nga kiyita mu kubonaabona. Baali beetegefu kubanga baalina obujulirwa obw'omunda obw'amazima obwabaziyiza okudduka ennaku n'obulumu. Bandiddukidde, singa baawakanya Mukama waabwe nga ababayigganya bwe baali babagamba.

Omuwandiisi omutukuvu yamala okulaga ekigendererwa kye mu byokulabirako ebyayita mu ssuula eno. Kaakano ateeka amannya mangi awamu, so si na mu ntegeka y'ebiro, naye ekyo tekijja kuteganya abasomi be kubanga bamanyi bulungi ebyafaayo bya buli linnya erisse okuwandiikibwa. Ffe tuyinza okufiirwa amaanyi g'amannya n'ebikolwa bino nga bituweebwa mangu bwe gaty'o, naye eri Abayudaaya, buli kigambo kyandireese ekijjukizo eky'amaanyi.

Yosefo, omuwandiisi w'ebyafaayo ow'edda, yakozesa ekigambo eky'Oluyonaani kye kimu ne kya muwandiisi waffe bwe yannyonnyola engeri Dawudi gye 'yawangulamumu obwakabaka.'

Enkyusa ey'Abasanvu — enkyusa ey'Oluyonaani ey'Endagaano Enkadde yaffe — ekozesa ebigambo bye bimu okwogera engeri Dawudi gye 'yakolamu obutuukirivu,' n'engeri okukkiriza bwe 'kwaziba emimwa gy'empologoma' ku lwa Danyeri, n'engeri okukkiriza bwe 'kwazikiza omuliro ogwaka ennyo' ku lwa Saduraka, ne Mesaki, ne Abbedunego.

Okwogera ku 'kuwona obwogi bw'ekitala' kwandikyusizza ebirowoozo by'abasomi ne bidda ku kununulibwa kwa Eriya ne Erisa okuva mu mukono gwa Yezebeeri n'Abasuuli. Ebyokulabirako ebirala biggibwa mu bulamu bw'abeesigwa abatawandiikibwa mu Ndagaano Enkadde yaffe, naye nga birabika nga byamanyibwa bulungi abasomi b'ebitabo ebya apokurifa, naddala ekitabo ekyokubiri eky'a Makkabbi. Mazima ddala, ebigambo 'okuba ab'amaanyi mu lutalo' n'okugoba amaggye g'abagwira'

byandibayambye mangu okulowooza ku kitiibwa ekitajjukirwa eky'ennaku za Makkabbi.

Naye ebyafaayo by'okukkiriza tebibeera bya buwanguzi bulijjo nga birabirwa n'amaaso g'omuntu ow'omubiri. Singa essuula yeeyimirira ku lunyiriri olw'amakumi asatu mu ana, twandikemeddwa okukkiriza nti abo abakkiriza mu Katonda babeera bulungi bwokka: obulamu obulungi, obugagga n'okukulaakulana; naye mu kifo ky'ekyo, waliwo okufa, okuyigganyizibwa n'okubonaabona. Kino kiyinza okuva ku kukkiriza? Yee! Yee! Yee! Bwe kiba nga Katonda ajja kugulumizibwa mu kino, yee! Era amaze okugulumizibwa mu kubonaabona kw'abantu be.

Bwe nsoma Enjiri ya Yokaana, nsanga emirundi mingi Yesu ng'ayogera ku kitiibwa kye ekijja. Olowooza ki bw'osoma ekigambo 'ekitiibwa'? Ngezezzaako okukinnyonnyola, ne nkomekkereza nga kye kujjula kwa Katonda okulaga obwenyini bwe. Yesu yagamba mu Yokaana 17:1 nti, 'Kitange, ekiseera kituuse; gulumiza Omwana wo, Omwana alyoke akugulumize ggwe,' n'oluvannyuma n'agenda ku musaalaba. Mazima ddala, buli we wayogerwa ku kitiibwa mu njiri ya Yokaana kikwatagana n'okufa kwa Yesu! Ekitiibwa kijja ng'oyita mu kubonaabona!

Ebyafaayo bya Makkabbi byali bijjuddemu ebiwandiiko by'okubonaabona n'okuttibwa kw'Abayudaaya abeesigwa mu nnaku embi ez'Omusuuli, Antiyokka Epifane. Bino byafaayo Abaebbulaniya abasomi bye bandigeraageranyizza n'ebigambo ebyoogeddwa waggulu, n'ebyafaayo by'ekkanisa okuva mu biro by'abatume n'omuwandisi w'Abaebbulaniya birimu ebiwandiiko bingi ebifaanana.

Twandiwandiise nti, 'Olw'okukkiriza Sitefano yattibwa, ng'akaaba nti, "Kitange, tomubalira kibi kino!"' Olw'ekikolwa kino eky'okukkiriza, yasumulula Sawulo ow'e Taluso okuva mu kusalirwa omusango kwa Katonda, bw'atyo n'aggulawo ekkubo Katonda okuyita Sawulo mu buweereza bwe obukulu nga Pawulo Omutume. Singa Sitefano yayitibwa

obulumi bwe n'asaba obusungu bwa Katonda bukke ku Sawulo (nga bwe njatula nti nange nnandikemeddwa okukola bwe ntyo!), neebuza obanga Sawulo yandifuuse omutume omukulu.

Olw'okukkiriza Pawulo yatekebwa mu kkomera e Ruumi alyoke afune ekiseera ky'okuwandiika ebbaluwa enkulu ezaafuuka ensulo y'okugumya n'okulunjanyama eri abakkiriza abatabalika.

Olw'okukkiriza abakkiriza abaasooka baayigganyizibwa, enjiri elyoke esaasaane mu nsi yonna ey'Abaruumi nga badduka ababayigganya.

Olw'okukkiriza, Cranmer, Ridley, ne Latimer baayokebwa ku kikondo wakati mu kyasa eky'ekkumi n'omukaaga, 'ekitangaala kiryo ke kikoleezebwe mu Bungereza ekitalizikizibwa' (Hugh Latimer).

Olw'okukkiriza ababaka b'enjiri baalagirwa okuva mu Buchina wakati mu kyasa eky'amakumi abiri, ekkansa ennongoofu ey'abakkiriza eryoke ekule mu buwangwa bw'Abachina — so si okukoppa ekkansa ey'ebugwanjuba. Ekyo kizibu eri bangi ku ffe abalina endowooza enkyamu nti endowooza ey'ebugwanjuba yokka ey'ekkansa ye Katonda gy'akkiriza. Mu ntambula zange kumpi ntuuse ku kifo eky'okubusabuusa nti ekkansa yaffe 'ey'ebugwanjuba' y'esinga obutakkirizibwa Katonda!

Abamu tebajja kukkiriza nti ekkansa mu Buchina ekuze n'etuuka ku bukadde obungi obw'emirundi mingi kasookedde ababaka bavaayo. Ka nnyongereko wano, nneme okutegeerwa obubi, nti nzikiriza nnyo mu kutuma n'ababaka. Naye oluusi, nsanga enkola zaffe n'obutaba na bumu bizibu okukkiriza. Nsiima Mukama, kino kigenda kikendeera mu byafaayo by'okutuma eby'omu biro bino.

Olw'okukkiriza abavubuka abataano Abamerika baafira mu bibira bya Ekwado ku lunaku olw'omunaana olwa Jjanwali, 1956, Abawuka nabo balyoke bafuuke bagabana naffe obugagga bw'Enjiri. Ebiwandiiko by'ensi byayita kino okufaafaaganya okunene okw'obulamu bw'abavubuka Abamerika, naye ng'omu ku bo, Jim Elliott, bwe yali awandiise mu kitabo

kye eky'ebijjukizo essaawa ntono nga tannafa, nti, 'Si musiru oyo awaayo ekyo ky'atasobola kukuuma, alyoke afune ekyo ky'atasobola kufirwa.' (Jim Elliot). Ekyo kyandifuuse ekigambo ekilunjamya bonna abaagala okutambulira mu kukkiriza.

Amannya ga Pete Fleming, Roger Youderian, Ed McCully, Nate Saint, ne Jim Elliott, awamu n'aga bakyala baabwe, gamanyiddwa bulungi mu Ggulu ne mu Magombe. Kubanga olw'okufa n'obulumi bwe baayita, ekituli ekigazi kyaggulwa mu bbugwe z'ekomera ezaali zikuumidde Abawuka mu buddu bw'ekibi.

Leero, tuyinza okusanyuka nga enkumi n'enkumi ez'abantu abo ab'omuwendu bayise ne bayingira mu ddembe erisangibwa mu Kristo yekka.

Singa omusomi wange aba nga tamanyi ku kigambo kino, nkukubiriza osome ekitabwa, "Through Gates of Splendour," ekyawandiikibwa Elizabeth Elliott, nnamwandu wa Jim.

Mazima tuyinza okukkiriza ekigambo nti okufa kw'abaafira okukkiriza kwe kubadde omusaayi ogutamba obulamu bw'ekkanisa. Leero, mu kyasa eky'amakumi abiri, oboolyawo waliwo okuttibwa okusinga n'okuyigganyizibwa okusinga okusukka ekiseera kyonna mu byafaayo, naye ekkkanisa tewangulwa era eyongera okukula mu bwangu bungi ennyo.

Abamu nga bayita mu mazzi, abamu mu mataba, abamu mu muliro, naye bonna nga bayita mu musaayi; abamu mu nnaku ennene, naye Katonda awa oluyimba, mu kiseera eky'ekiro ne ku lunaku lwonna.

(G.A. Young) Tetuyinza kuwandiika nti olw'okukkiriza, (linnya lyo) yayingira mu kiwonvu eky'obulumi eky'akaseera kano kubanga Kitaffe ayagala okumufuula okufaanana Omwana we omulala, Yesu?

"Era abo bonna, newankubadde nga baaweebwa obujulirwa obulungi olw'okukkiriza kwabwe, tebaafuna ekyasuubizibwa, kubanga Katonda yali

atulaaliddemu ekintu ekisinga obulungi, baleme okutuukirizibwa awatali ffe” (Abaebbulaniya 11:39-40).

Abasajja n’abakazi bano bonna ab’okukkiriza bawandiikiddwa okuba ekyokulabirako gye tuli. Tebaafuna mpeera yonna mu bulamu buno olw’obwesigwa bwabwe. Baalina okukkiriza mu Katonda. Baamwesiga ne bagondera ekigambo kye yayogera gye bali ne mu bo; naye kyokka tebaafuna ‘ekintu ekisinga obulungi’ ekiri ekyaffe leero.

Empeera y’obwesigwa bwabwe esangibwa mu Mulokozi, Kristo, aliwa buli muntu nga bw’asaanira — so si olw’obukulu bwe mu maaso g’ensi oba ag’ekkanisa, naye olw’okukkiriza kwe. N’ekirala, tuweereddwa Omwoyo Omutukuvu abeera mu ffe, ekyo kye kisuubizo kya Kitaffe (Ebikolwa 1:4), ‘Kristo mu ffe, essuubi ery’ekitiibwa,’ atulunjanyama mu mazima. Ye bujulirwa obw’omunda obutusobozesa okutambulira mu kukkiriza nga bwe twewaayo eri okubikkulirwa kwe okw’omunda. Ye yatuleeta mu kukkiriza okulokola, era ajja kubala ebibala by’okukkiriza mu ffe nga twe tuyimiridde ku mabbali g’emigga gy’amazzi amalamu. Nga bwe tunywa ennyo ku migga gy’amazzi amalamu, tujja kubala ebibala mu biseera byabyo.

Ayi Mukama, njagala nnyo okutambulira mu kwagala kwo. Ng’empeewo bw’ewuubaala ng’eyaayaanira ensulo z’amazzi, bwe ntyo n’omutima gwange bwe gukuyaayaanira. Nkulembere mu kwagala kwo. Sisaba kumanya kwagala kwo wadde okusanyukira mu kwo. Bw’onankulembere mu biwonvu ebiwanvu, neetegefu okugenda, kubanga ojja kuba mubuuzabuuza wange ne mu kiwonvu eky’ekisiikirize eky’okufa. Mmanyi engeri gye nsobola okuba omusirusiru n’omukakanyavu, kale buli lwe nvaamu mu kwagala kwo, nkuwa olukusa olujjuvu okunkuba n’onzizaayo mu nnyiriri. Kye nsaba kyokka kwe kuti ku nkomerero y’olugendo luno, mpulire ng’onyamba nti, ‘Weebale, omuddu wange omulungi omwesigwa!’

Ekifaananyi kye nnina eky’okukkiriza kwe kuti nze ndi mwana buwana anyweredde ku mukono gwa Kitange ali mu ggulu.

Simanyi obanga leero ajja kuntwala mu bifo eby’essanyu ng’eddduuka ery’ebiwomerera ery’obulamu, oba mu kifo ky’ekyo mu bulumi obw’omusawo w’amannyo. Naye mmanyi nti ajja kusanga nga kimwetaagisa okuntwala mu kifo eky’oluvannyuma bwe ngenda emirundi mingi mu kisooka!

Simanyi obanga enkya ajja kunkulemba mu kiwonvu ekiwanvu, naye mmanyi nti, mu byafaayo byange, ebiwonvu ng’ebyo bibaddewo bulijjo nga tannantwala ku ntikko z’ensozi awamu naye.

Simanyi kye kigendererwa kye ku nze (okuggyako ekyo Ebyawandiikibwa kye bibikkula ku ffe ffenna), naye mmanyi nti amanyi ekkubo eriri mu maaso.

Simanyi enkya ky’erizaamu, naye mmanyi oyo akwata enkya, era anywezezza omukono gwange!

“Njagala obulamu bwange bujjule okukutendereza Ggwe, Mukama wange omwagalwa ow’obwakatonda, Eyanfirira.

Okwagala kwange kwonna kubeere kukwo, nga kufugibwa okwagala okw’obwakatonda, Beeramu obulamu bwo mu nze, Ayi Mulokozi ow’amaanyi.

Ennyiriri: Okwagala kwo okw’omuwendo okw’obwakatonda, n’essanyu nkufuula kwange, Omutima gwange gubeere ntebe yo ey’obwakabaka, era yiyo yokka.

Londera ekkubo lye ntambulira, ne gy’entwalibwa, Nnyamba okugenda mu maaso, Ayi Mulokozi ow’amaanyi.

Omutambuze eyazaalibwa obuggya, omugenyi ayita, Siri wa nsi eno kubanga ndi wuwo.

Nga naggibwa ku byayo ebiyita, nga nkyusibwa okumanya okwagala kwo, Kwata omukono gwange mu gugwo, Ayi Mulokozi ow’amaanyi.

Abalabe ababi bwe balumba ne kumpi bawangule, mu ssaawa eyo enzikiza beera amaanyi gange n'engabo yange.

Kale mpa okugwa mu mikono gyo egy'amaanyi, onnyweze n'ekisa kyo, Mu bunafu beera amaanyi gange, Ayi Mulokozi ow'amaanyi.

Weewaawo, nnondera ekkubo, newankubadde nga siyinza kulaba ensonga lwaki oyagala okunkulembera bw'otyo.

Mmanyi nti ekkubo ery'okutegana lirituusa mu bwakabaka obw'obudde obw'emisana, gye ndibeera naawe, Ayi Mulokozi ow'amaanyi.”

(H. Tee) - olukusa lunoonyeddwa.
